

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
Institute for Transportation and Development Policy (ITDP)	To improve and accelerate the adoption of low carbon, inclusive mobility and urban development in Brazilian cities, in particular in the Recife Metropolitan Region. It is hoped this will result in increased access to opportunities for all, especially women, children and individuals with low incomes.	200'000.00	Brazil	Brazil		2018	11 months (1 Jan 2018-31 Dec 2018)
Movimento de Pimpadores	To provide core support to Movimento dos Pimpadores, an international movement based in Brazil that strives to generate income and promote the invaluable work of waste collectors.	200'000.00	Brazil	Brazil		2018	23 months (1 Apr 2018-31 Mar 2020)
Associação Fórum Suape Espaço Socioambiental	To provide core support to Fórum Suape, which supports the interests of traditional communities affected by the Suape Industrial Port Complex, a major industrial development in Brazil.	360'000.00	Brazil	Brazil		2018	35 months (1 Apr 2018-31 Mar 2021)
Audisa Auditores Associados S/S	To conduct up to 20 international-standard financial audits (in Portuguese and English) of Oak's Brazil Programme grantees.	100'000.00	Brazil	Brazil		2018	11 months (1 Aug 2018-31 Jul 2019)
Nucleo de Apoio à Pesquisa e Educação Continuada	To support Oak's Brazil Programme with staff and logistic support. Oak's Brazil Programme works to improve the lives of the most marginalised communities by promoting inclusive, efficient, democratic processes that operate in the best interests of all citizens of the Recife metropolitan area, irrespective of gender, age or socio-economic position.	121'827.00	Brazil	Brazil		2018	11 months (1 Mar 2018-28 Feb 2019)
Our Cities	To provide core support to the Nossas (Our Cities) network, an online platform which promotes inclusive and sustainable cities across Brazil.	300'000.00	Brazil	Brazil		2018	11 months (1 Mar 2018-28 Feb 2019)
Centro Dom Helder Camara de Estudos e Acao Social (CENDHEC)	To provide core support to CENDHEC, whose mission is to defend and promote the human rights of, in particular, children, adolescents, residents of popular settlements and socially-excluded groups in Brazil.	250'000.00	Brazil	Brazil		2018	35 months (1 Apr 2018-31 Mar 2021)
Instituto PAPAÍ	To provide core support to Instituto PAPAÍ, an organisation that promotes social justice and contributes to the guarantee of human rights in Brazil, in order to eliminate inequalities. Its focus will be on working, in particular, with men and on masculinities.	113'005.00	Brazil	Brazil		2018	16 months (1 Mar 2018-31 Jul 2019)
Centro Popular de Direitos Humanos (CPDH)	To provide core support to CDPH to secure the rights of the city and the freedom of expression of Recife's disadvantaged communities and popular movements. CDPH promotes human rights in Recife by engaging in strategic litigation, conducting social research, training youth and adults, conducting public debates and producing media content.	246'840.00	Brazil	Brazil		2018	23 months (1 Aug 2018-31 Jul 2020)
Instituto Invento	To contribute to the population control of the Aedes mosquito, reducing occurrences of Zika, Dengue, Chikungunya and other associated diseases. This will be done through the consolidation of the Aedes Trapp System as a tool for community monitoring, increasing awareness and engagement of the most vulnerable communities, especially women, on data collection and prevention/mitigation actions.	100'000.00	Brazil	Brazil		2018	18 months (1 Nov 2018-1 May 2020)
Marco Zero Conteúdo	To highlight the Brazil Programme issues through the production of multi-media content distributed through an on-line news portal and social media. In addition, Marco Zero Conteúdo will conduct fact checking and investigative journalism to inform public debate around Brazil Programme priorities.	150'000.00	Brazil	Brazil		2018	11 months (1 Aug 2018-31 Jul 2019)
Instituto Update	To support a database that builds knowledge to better assist policy improvements and peoples safety in Brazilian metropolitan areas. This will prevent life-threatening situations and strengthen partnerships between civil society and public institutions.	96'312.00	Brazil	Brazil		2018	12 months (1 Nov 2018-1 Nov 2019)
Associação Metropolitana de Ciclistas do Recife	To provide core support to Ameciclo, the Metropolitan Association of Cyclists in Recife to increase its impact in the field of sustainable mobility. Ameciclo's mission is to transform Recife into a more humane, democratic and sustainable city, by increasing the use of bicycles. Ameciclo was founded in 2013 and today has more than 600 members.	100'000.00	Brazil	Brazil		2018	24 months (1 Nov 2018-1 Nov 2020)
Agencia Pública	To provide core support to Agencia Pública to promote high quality, non-partisan investigative journalism in Brazil to help strengthen Brazilian democracy. The first of its kind in Brazil, Agencia Pública promotes a model of not-for-profit journalism to maintain its independence. It aims to produce high quality non-partisan investigative reports in the public interest on current important Brazilian and Latin American issues from the peoples point of view.	349'994.00	Brazil	Brazil		2017	35 months (01 Aug 2017-31 Jul 2020)
Escola de Ativismo	To provide core support to Escola de Ativismo and strengthen groups working to defend democracy, sustainability and human rights. This will be done by providing learning on strategies and techniques for nonviolent action, campaigns and mobilisation. This grant will also give a particular focus to the political incidence and strategic vision of activist groups in the Recife Metropolitan Region working to defend mobility, women's rights and sustainability.	400'000.00	Brazil	Brazil		2017	35 months (01 Aug 2017-31 Jul 2020)
Fundo Socioambiental CASA	To enable Fundo Socioambiental CASA to provide capacity building support to AASA Eo Comunitária Caranguejo UASA to further its work in building a fair and equal society which contributes positively to people and communities. CASA Socio-Environmental Fund is a not-for-profit grant-making institution that mobilises and channels financial and capacity-building support to social and environmental initiatives and community based groups in South America.	191'902.00	Brazil	Brazil		2017	35 months (01 Aug 2017-31 Jul 2020)
Casa da Mulher do Nordeste	To provide core support to Casa da Mulher do Nordeste to strengthen the economic and political autonomy of women. CMN is a feminist organisation working to empower women farm workers, artisans and quilombolas – protected communities of descendants of Afro-Brazilian slaves – and black women in the region of Sertão do Pajeú and the Metropolitan Region of Recife. It does this by strengthening women's capacity for self-organising and productive capability.	300'000.00	Brazil	Brazil		2017	35 months (01 Aug 2017-31 Jul 2020)
Baobá – Fundo para Equidade Racial	To provide support to Afro-Brazilian civil society organisations that develop and implement inspiring initiatives focused on citizen participation. The aim is to stimulate discussions and activities on issues such as education, environment, safety, leisure and culture, work, mobility, housing, health and services from the perspective of "Right to the City". The origins of the Baobá Fund are based on the viewpoint that racial equity is an essential requirement for social justice and a strong democracy in Brazil.	242'104.00	Brazil	Brazil		2017	17 months (01 Sep 2017-28 Feb 2019)
Federação de Órgãos para Assistência Social Educacional (FASE)	To support FASE to develop policies and support for participation of youth at the Youth Policy Forum and to participate, develop and implement rights to the city policies in Brazil.	300'000.00	Brazil	Brazil		2016	36 months (1 Oct 2016-30.09.2019)
Fundo Socioambiental CASA	To support 150 projects working on issues related to land management, urban rights, the right to the city, urban mobility, social participation and food security in Recife.	400'000.00	Brazil	Brazil		2016	30 months (1 Jan 2017-30.06.2019)
Gabinete de Assessoria Jurídica as Organizações Populares (GAJOP)	To provide core support to improve citizen security in both the public and private sphere, as well as to implement a revised five-year strategic plan.	600'000.00	Brazil	Brazil		2016	36 months (1 Jan 2017-01.01.2020)
Centro das Mulheres do Cabo (CMC)	To provide core support to CMC to advance its objectives, which include empowering women to confront violence and to defend human rights in the area of the Industrial Port Complex of Suape, Brazil. This will be done by providing training and increasing their participation in political and democratic decision making. The Women's Center of Cabo is a feminist organisation founded in 1984.	249'163.00	Brazil	Brazil		2016	36 months (15 Oct 2016-15.10.2019)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
SOS CORPO Instituto Feminista para a Democracia	To provide core support to the mission of SOS CORPO in Recife, Brazil to promote women's rights and gender equality. This grant will also contribute to building a just, democratic and equitable society. With this grant, it aims to strengthen women's movements locally, nationally, regionally and internationally to support the implementation of public policies that will help overcome socio-economic inequalities. This grant includes support for the creation of the Pernambuco women's Movement Support Fund that will be re-granted by SOS CORPO to strengthen local grassroots groups.	450'000.00	Brazil	Brazil		2016	36 months (1 Aug 2016-01.08.2019)
ActionAid Netherlands	To initiate a movement of concerned citizens in Recife, Brazil to interact with local governments to transform the city into a caring, enabling and safe environment. ActionAid Netherlands will push for more investment in public services and a central role for women and youth in the design and decision-making processes of urban planning.	249'852.00	Brazil	Brazil		2016	30 months (1 Nov 2016-01.05.2019)
Catchafire	To strengthen the organisational capacities of some of our partners in the US and UK by giving them access to quality services offered by pro bono consultants. Catchafire matches skilled professional volunteers with not-for-profit organisations to help them increase their capacity and achieve their missions. The support provided through the Catchafire platform includes website design, budgeting, financial, strategic planning and fundraising advice.	100'000.00	Worldwide	Capacity Building Fund		2018	11 months (1 Sep 2018-31 Aug 2019)
The Kairos Project	To strengthen the leadership capacities of Oaks partners by facilitating access to quality coaching services. The Kairos Project works to increase the impact of charities and not-for-profit organisations worldwide. It does this by empowering senior management teams through executive coaching and leadership development.	50'000.00	Worldwide	Capacity Building Fund		2018	11 months (1 Jun 2018-31 May 2019)
The Resource Alliance	To build the capacity of a group of Oak Foundation grantees through a programme of assessment, training, strategy development, coaching and mentoring. The Alliance works with not-for-profit organisations around the world to help them achieve financial sustainability by building skills and knowledge and by promoting excellence within society.	372'884.00	Worldwide	Capacity Building Fund		2018	13 months (1 Nov 2018-31 Dec 2019)
European Federation for Transport and Environment T&E	To accelerate the transition from heavily polluting vehicles to clean vehicles in Europe. This will be done by supporting the EU to adopt strong 2025 CO2 emissions standards for cars, vans and trucks. The goal is to increase the supply of zero-emission vehicles that reduce emissions.	994'048.00	Belgium	Environment	Climate Change	2018	35 months (30 Apr 2018-29 Apr 2021)
Purpose	To accelerate the adoption and increase the ambition of climate solutions in Brazil. This will be done by creating and supporting networks, coalitions and public engagement campaigns in the country. The Purpose Climate Lab works to accelerate and build the ambition of climate solutions around the globe.	800'220.00	Brazil	Environment	Climate Change	2018	38 months (1 Aug 2018-1 Oct 2021)
Instituto Clima e Sociedade	To strengthen Brazilian civil society in the face of climate change by supporting the Brazilian Government to reduce greenhouse gas emissions. Instituto Clima e Sociedade supports projects in Brazil that target climate change and which work to build a just and prosperous society.	4440'000.00	Brazil	Environment	Climate Change	2018	31 months (1 Aug 2018-30 Mar 2021)
New Venture Fund	To promote clean and efficient energy systems and policies which reduce pollution and improve health in Canada. The New Venture Fund provides philanthropists with an efficient, cost-effective and time-saving platform to design, launch and operate collaborative charitable projects.	600'000.00	Canada	Environment	Climate Change	2018	23 months (2 Apr 2018-1 Apr 2020)
Energy Resources Institute	To accelerate change towards low-carbon energy systems in India that enable robust economic development and limit the rise in global temperature to well below 2°C. This will be done by facilitating pathways to low-carbon energy systems.	279'607.00	India	Environment	Climate Change	2018	35 months (1 May 2018-30 Apr 2021)
Global Call for Climate Action	To boost the participation and impact in public discourse and policy-making processes of new organisations in India working towards equitable, low-carbon, climate-resilient development. This will be done by focusing on opportunities to influence public discourse that highlight the benefits of action towards clean air and improved public health.	200'000.00	India	Environment	Climate Change	2018	23 months (1 May 2018-30 Apr 2020)
PRAYAS, Energy Group	To support research and analysis that promote policies and programmes for sustainable, affordable access to modern energy supplies in India. This research will guide policy that promotes environmentally sustainable development.	301'992.00	India	Environment	Climate Change	2018	47 months (1 May 2018-30 Apr 2022)
Shakti Sustainable Energy Foundation	To support India's goal of making 100 per cent of its transportation electric by 2030. This will be achieved by supporting the manufacturing of electric vehicles, developing standards, and demonstrating the success of electric vehicles in urban areas. Shakti Sustainable Energy Foundation works to facilitate India's transition to a cleaner energy future by aiding the design and implementation of policies that promote clean power, energy efficiency, sustainable transport, climate policy and clean energy finance.	1'000'000.00	India	Environment	Climate Change	2018	36 months (1 Oct 2018-1 Oct 2021)
Tata Trusts	To increase domestic climate philanthropy and support for organisations working on climate change mitigation in India. This will be achieved by establishing a climate-focused donor advisory and philanthropic coordination platform for Indian philanthropies. Tata Trusts plays a pioneering role in transforming traditional ideas of charity and introducing the concept of philanthropy to make a real difference to communities.	225'254.00	India	Environment	Climate Change	2018	23 months (1 Oct 2018-30 Sep 2020)
Carbon Tracker Initiative	To provide core support for Carbon Tracker Initiative to increase capital investments in cleaner, safer power. This will be done through pivotal financial and regulatory research.	750'000.00	United Kingdom	Environment	Climate Change	2018	35 months (1 May 2018-30 Apr 2021)
Carnegie Council for Ethics in International Affairs	To catalyse the creation of effective governance for solar geo engineering and carbon removal. This will be achieved by including global policy-makers in the conversation and by encouraging a broader, society-wide discussion about the risks, potential benefits, ethical and governance challenges raised by geo engineering. Carnegie Council for Ethics in International Affairs is an international organisation that provides guidance on the moral issues of war, peace and social justice.	799'815.00	United States	Environment	Climate Change	2018	36 months (31 May 2018-1 Jun 2021)
Securing America's Future Energy	To accelerate the uptake of electric vehicles in the US and create an enabling policy environment for driverless cars. SAFE unites military and business leaders to advocate for policies that improve America's energy security by curtailing dependence on oil and promoting responsible use of domestic energy resources.	300'000.00	United States	Environment	Climate Change	2018	6 months (1 Feb 2018-1 Aug 2018)
WWF International	To support the establishment and operationalisation of the Global Climate Action Initiative, which promotes the implementation of the Paris Agreement and green development, especially in developing countries. WWF International works to tackle the drivers of environmental problems.	150'000.00	Worldwide	Environment	Climate Change	2018	11 months (1 Jul 2018-30 Jun 2019)
C40 Cities Climate Leadership Group	To accelerate citizen engagement and reduce CO2 emissions, while also addressing social and economic challenges. C40 is a network of the world's megacities committed to addressing climate change. C40 supports cities to collaborate effectively, share knowledge and drive meaningful, measurable and sustainable action on climate change.	250'000.00	Worldwide	Environment	Climate Change	2018	17 months (1 Jul 2018-1 Dec 2019)
ClimateWorks Foundation, USA	To reduce the significant health risks posed by climate change. Climateworks aims to expand philanthropic funding for projects that address the impacts of climate change on human health. This will be done by: decarbonising healthcare systems; improving air quality; and ensuring climate and health-friendly food systems.	800'000.00	Worldwide	Environment	Climate Change	2018	36 months (1 Jun 2018-30 Jun 2021)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
ClimateWorks Foundation, USA	To support the greening of the Belt and Road Initiative. This will help prepare countries to meet their international financing ambitions without underwriting new sources of emissions inconsistent with climate stabilisation.	1'000'000.00	Worldwide	Environment	Climate Change	2018	35 months (1 Jun 2018-31 May 2021)
Corporate Accountability	To support Corporate Accountability to ensure good governance in climate policy making.	250'000.00	Worldwide	Environment	Climate Change	2018	17 months (2 Jul 2018-31 Dec 2019)
European Climate Foundation	To develop a South East Asian campaign to help countries meet their Paris climate targets. The European Climate Foundation was established in 2008 as a major philanthropic initiative to help Europe foster the development of a low-carbon society and play an even stronger international leadership role to mitigate climate change.	2'400'000.00	Worldwide	Environment	Climate Change	2018	23 months (1 Feb 2018-31 Jan 2020)
European Climate Foundation	To enable effective communications and outreach around clean energy transitions for a safer future. The grant aims to raise awareness via strategic campaigns and media of the need for a clean energy future.	198'000.00	Worldwide	Environment	Climate Change	2018	35 months (1 May 2018-30 Apr 2021)
Greenpeace International	To drive urban systems change by shifting power, policies and finance towards clean, equitable and accessible public transport, walking and cycling.	400'000.00	Worldwide	Environment	Climate Change	2018	23 months (1 Apr 2018-31 Mar 2020)
Rockefeller Philanthropy Advisors, Inc.	To launch climate mitigation efforts by identifying and supporting innovative leaders with transformative strategies. The Climate Breakthrough Project is an initiative of the David and Lucile Packard Foundation in partnership with Oak Foundation and Good Energies Foundation.	3'000'000.00	Worldwide	Environment	Climate Change	2018	35 months (1 Oct 2018-30 Sep 2021)
World Resources Institute	To strengthen WRIs global network by expanding the capacity and resilience of its international offices in Brazil, China and India. The World Resources Institute is a global research organisation that was established in 1962.	2'800'661.00	Worldwide	Environment	Climate Change	2018	35 months (1 Jul 2018-30 Jun 2021)
WWF International	To ensure the Belt and Road Initiative (BRI) will finance renewable energy projects exclusively in Vietnam, Myanmar and the Philippines. Promoting and accelerating a transition to renewables along the BRI, especially in Southeast Asian countries, will positively impact global efforts to combat climate change and will help create a clean, healthy and sustainable future for local people.	500'000.00	Worldwide	Environment	Climate Change	2018	35 months (1 Jul 2018-30 Jun 2021)
European Climate Foundation	To develop a South East Asian campaign to help countries meet their Paris climate targets. The European Climate Foundation was established in 2008 as a major philanthropic initiative to help Europe foster the development of a low-carbon society and play an even stronger international leadership role to mitigate climate change.	1'000'000.00	Worldwide	Environment	Climate Change	2018	35 months (1 Sep 2018-31 Aug 2021)
Third Generation Environmentalism	To increase civil society capacity and enhance international diplomatic capacity to support the transition to clean power. This will be achieved by building a diplomatic network that encourages strong climate leadership. E3G is an independent climate change think tank working to accelerate the global transition to a low-carbon economy.	384'993.00	Worldwide	Environment	Climate Change	2018	35 months (1 Aug 2018-31 Jul 2021)
International Development Research Centre, Canada	To support policy research think tanks in Asia in relation to climate mitigation-related policies. The initial focus will be on developing countries with high emissions, in particular Asia. The International Development Research Centre funds research in developing countries to promote growth, reduce poverty, and drive large-scale positive change.	968'352.00	Worldwide	Environment	Climate Change	2018	35 months (1 Jan 2019-31 Dec 2021)
ClimateWorks Foundation, USA	To research and mitigate the potential risks that electric vehicle battery supply chains face in regard to environmental, health and social concerns. ClimateWorks supports initiatives that have the greatest potential for reducing greenhouse gas emissions.	200'000.00	Worldwide	Environment	Climate Change	2018	11 months (30 Oct 2018-30 Sep 2019)
Oil Change International	To align the global energy transition with the goals set in the historic Paris agreement by ending public funding of fossil fuels and ensuring a fair and fast move towards clean power. Oil Change International is a research, communications and advocacy organisation that investigates financial and power relationships among governments, markets and the fossil fuel industry to facilitate the transition to a clean energy economy.	1'000'000.00	Worldwide	Environment	Climate Change	2018	35 months (1 Jul 2018-30 Jun 2021)
International Trade Union Confederation	To initiate or support and document a just transition to low and zero emissions transport and mobility in at least five major cities worldwide. These cities include Sydney, Oslo, Stockholm and Toronto. The initiative will also encourage and expand fossil-free public transport and electric vehicles with a focus on building support for these through job creation and decent work. The Just Transition Centre is a new initiative from the International Trade Union Confederation and its partners.	500'000.00	Belgium	Environment	Climate Change	2017	23 months (01 Dec 2017-30 Nov 2019)
Instituto Centro de Vida	To support a solid, reliable and recognised body of experts and activists in Brazil committed to the environmental and economic issues relating to energy production. The coalition aims to support the planning and operation of the energy sector towards a zero-carbon path. This will bring to the decision-makers all its co-benefits in terms of quality of life, social development, health and the preservation of Brazilian ecosystems.	703'833.00	Brazil	Environment	Climate Change	2017	34 months (01 Jan 2017-30 Nov 2019)
Instituto Clima e Sociedade	To support stronger Brazilian civil society action around climate change and other areas of social change. By doing so it is hoped that Brazil's greenhouse gas emissions will be reduced and low-carbon sustainable development implemented. Instituto Clima e Sociedade supports projects that target climate change and which work to build a just and prosperous society in Brazil.	1'146'671.00	Brazil	Environment	Climate Change	2017	35 months (01 Jun 2017-30 May 2020)
Dogwood Initiative	To support the Dogwood to limit the expansion of fossil fuels in British Columbia. Dogwood is a Canadian not-for-profit organisation based in Victoria, British Columbia that works on environmental issues.	450'000.00	Canada	Environment	Climate Change	2017	35 months (01 Apr 2017-31 Mar 2020)
Center for Study of Science, Technology and Policy	To provide core support to CSTEP to carry out independent, high-quality and timely research on key climate and energy policy reforms. CSTEP is an Indian not-for-profit research organisation. Its mission is to enrich policy-making with innovative approaches using science and technology for a sustainable, secure and inclusive society.	699'966.00	India	Environment	Climate Change	2017	35 months (01 Jun 2017-31 May 2020)
Shakti Sustainable Energy Foundation	To support energy conservation and efficiency in India, with a focus on policy design and stakeholder capacity building for timely policy implementation. Shakti Sustainable Energy Foundation works to facilitate India's transition to a sustainable energy future by promoting policies that encourage energy efficiency, renewable energy and sustainable transport solutions.	300'000.00	India	Environment	Climate Change	2017	24 months (01 Apr 2017-01 Apr 2019)
European Climate Foundation	To support the European Climate Foundations mission to build European leadership on decarbonisation to secure a cleaner, safer and healthier future. The European Climate Foundation was established in 2008 as a major philanthropic initiative to help Europe foster the development of a low-carbon society and play an even stronger international leadership role to mitigate climate change.	4'200'000.00	Netherlands	Environment	Climate Change	2017	35 months (01 Oct 2017-30 Sep 2020)
European Climate Foundation	To develop a European and South East Asian campaign to help countries meet their Paris climate targets. The European Climate Foundation was established in 2008 as a major philanthropic initiative to help Europe foster the development of a low-carbon society and play an even stronger international leadership role to mitigate climate change.	7'000'000.00	Netherlands	Environment	Climate Change	2017	35 months (01 Aug 2017-31 Jul 2020)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
WWF International	To assist and accelerate China's economic transition towards a low-carbon development path and to guide the Belt and Road Initiative in a green and sustainable direction. The aim of the Belt and Road Initiative is to promote the orderly and free flow of economic factors by enhancing the connectivity of Asia, Europe and Africa. This project will help China and the Belt and Road countries achieve their climate change commitments. The project also seeks to facilitate the phasing-out of ivory trade in China.	695'772.00	Switzerland	Environment	Climate Change	2017	35 months (01 Jul 2017-30 Jun 2020)
350.org	To stop or delay new fossil fuel infrastructure projects by supporting civil society and local groups to keep fossil fuels in the ground. 350.org works around the world to prevent disastrous climate change.	1'500'000.00	United States	Environment	Climate Change	2017	36 months (15 Dec 2017-15 Dec 2020)
C40 Cities Climate Leadership Group	To enable megacities in Asia to lead and accelerate actions to reduce greenhouse gas emissions. In addition this grant will improve climate resilience through a strong global mayoral network that promotes mutual learning, strategy developing and capacity building so that the global temperature rise will be constrained to 1.5 degrees above the pre-industrial average. Now in its 10th year, the C40 Cities Climate Leadership Group connects more than 80 of the world's greatest cities, representing over 500 million people and one quarter of the global economy.	3'000'000.00	United States	Environment	Climate Change	2017	35 months (01 Apr 2017-31 Mar 2020)
ClimateWorks Foundation, USA	To support the implementation of the Kigali Cooling Efficiency Program by helping developing countries create standards and labels to improve the energy efficiency of refrigerators and air conditioners. The elimination of hydrofluorocarbons is one of the greatest opportunities to address climate change. As part of this effort, Oak has joined a collaborative of 18 foundations to create a special program - the Kigali Cooling Efficiency Program.	2'000'000.00	United States	Environment	Climate Change	2017	47 months (01 May 2017-30 Apr 2021)
New Venture Fund	To build a strong, diverse movement behind state-level adoption of progressive climate laws in the US to accelerate the uptake of electric vehicles. The New Venture Fund conducts public interest projects and provides professional insight and services to institutions and individuals seeking to foster change.	550'000.00	United States	Environment	Climate Change	2017	24 months (31 Jul 2017-31 Jul 2019)
ClimateWorks Foundation, USA	To support organisations and initiatives that work to ensure the implementation of the Paris Agreement of the UNFCCC. Climateworks Foundation supports public policies that prevent dangerous climate change and promote global prosperity.	800'000.00	United States	Environment	Climate Change	2017	24 months (31 Oct 2017-31 Oct 2019)
DeSmog Canada	To provide core support to DeSmogBlog in Canada. DeSmog is an independent online media house that engages in investigative journalism, reporting and analysis on the issues affecting the climate change debate in North America.	162'127.00	Canada	Environment	Climate Change	2016	36 months (31 Mar 2016-29.03.2019)
Rocky Mountain Institute	To create and support a group of Chinese cities to achieve goals of peaking CO2 emission in advance of the 2030 national goal, with some before 2022. This project will focus on supporting the government-sponsored Alliance of Pioneer Peaking Cities (APPC) initiative. The APPC will provide the tools, practices and exchange mechanisms to advance urban low-carbon solutions and ensure that at least the existing 23 cities and provinces participating in the initiative are on a pathway to peak emissions early.	1'400'000.00	China	Environment	Climate Change	2016	36 months (1 Jul 2016-30.06.2019)
Energy Foundation, The	To reduce carbon and air emissions in China by improving urban planning and air quality management. This will be done with integrated methods, policy and modelling tools which will be promoted for use by other organisations and cities. The Energy Foundation works to promote the transition to a sustainable energy future by advancing energy efficiency and renewable energy.	999'999.00	China	Environment	Climate Change	2016	36 months (1 Jul 2016-30.06.2019)
Shakti Sustainable Energy Foundation	To facilitate India's transition to a sustainable energy future by promoting policies that encourage energy efficiency and an increased uptake of renewable energy sources. Shakti Sustainable Energy Foundation works to facilitate India's transition to a sustainable energy future by encouraging energy efficiency and the increased generation of renewable energy.	3'000'000.00	India	Environment	Climate Change	2016	36 months (1 Nov 2016-31.10.2019)
Center for Auto Safety, The	To fight global warming by holding the US Government to account on climate law; to push car-makers to make clean cars and embrace sensible environmental policies; and to urge consumers to make cleaner, healthier transport choices. The Center for Auto Safety provides consumers with a voice for auto safety in the United States.	250'000.00	United States	Environment	Climate Change	2016	36 months (31 Mar 2016-29.03.2019)
Chinadiologue	To create an environment in China that is conducive to reaching key climate goals and transitioning to a green economy. This grant aims to facilitate and mobilise policy and public support around: developing low-carbon cities; reducing coal consumption; making Chinese overseas investment greener; and accelerating the phasing-out of fossil fuels. Chinadiologue works to promote a common understanding of China's environmental challenges.	537'361.00	Worldwide	Environment	Climate Change	2016	36 months (1 Sep 2016-31.08.2019)
Clean Air Asia	To develop communication tools, research and applications to build awareness of air pollution risks and potential solutions in India and broader Asia. This project will also support long-term action for better air quality management to resolve the air pollution crisis. Clean Air Asia is an international organisation striving for better air quality and healthier, more liveable cities in Asia.	200'000.00	Worldwide	Environment	Climate Change	2016	36 months (1 Jun 2016-31.05.2019)
Climate Bonds Initiative	To grow the green bonds markets in China, India and Brazil and to develop a global Green City Bonds	749'519.00	Worldwide	Environment	Climate Change	2016	36 months (1 Sep 2016-30.08.2019)
European Climate Foundation	To provide core support to the ECF, which works to develop a low-carbon society and mitigate the effects of climate change. Following the Paris Agreement last year, a new era of climate action is beginning in a bid to keep average temperatures well below 2 degrees Celsius.	1'750'000.00	Worldwide	Environment	Climate Change	2016	36 months (1 Jun 2016-31.05.2019)
Global Call for Climate Action	To design and launch targeted public campaign actions. This grant will help connect, empower and engage new entrants to the climate movement in strategic climate action globally, through a network offering content and tools tailored to their needs. The GCCA is a network of not-for-profit organisations working to mobilise civil society in support of urgent climate action.	1'000'000.00	Worldwide	Environment	Climate Change	2016	36 months (1 Jun 2016-01.06.2019)
Global Environmental Institute	To assist and accelerate China's economic transition towards a low-carbon development path and to guide the Belt and Road Initiative in a green and sustainable direction. This will help China and the Belt and Road countries to achieve their climate change commitments. The project also seeks to facilitate the phasing-out of ivory trade in China.	662'640.00	Worldwide	Environment	Climate Change	2016	36 months (1 Nov 2016-31.10.2019)
Smart Freight Centre	To significantly reduce CO2 and air pollutants from road freight in China. In addition this grant will help achieve broader economic and social benefits by catalysing the sector-wide adoption of proven, cost-effective technologies and measures. The Smart Freight Centre aims to make the global freight sector more efficient and environmentally sustainable.	500'000.00	Worldwide	Environment	Climate Change	2016	36 months (1 May 2016-30.04.2019)
Shakti Sustainable Energy Foundation	To assist India in adopting a clean energy, low carbon development pathway. This project will promote investment in green infrastructure and inform climate mitigation policies through the provision of greenhouse gas emissions data and policy discourse.	400'000.00	India	Environment	Climate Change	2015	35 months (1 Feb 2016-31 Jan 2019)
WWF International	To address the challenge of global fisheries sustainability by increasing collaborative actions in China. WWF has registered a fundraising entity in China that will help build an industrial fishing portfolio in China in the coming years.	136'558.00	China	Environment	Marine	2018	11 months (1 Apr 2018-31 Mar 2019)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
Association of Fisheries and Hunters of Greenland	To analyse the lived experiences of hunters in national and international wildlife monitoring and management legislation in Greenland. The proposal will draw from experiences of indigenous groups from other part of the Arctic to highlight successful models of science and local (indigenous) knowledge have been applied in decision-making contexts.	107253.00	Greenland	Environment	Marine	2018	12 months (1 Apr 2018-1 Apr 2019)
Kashitakari Panchayat Trust	To implement a composting system for organic waste in a region of 200,000 people in India. This will increase recycling rates and pushback on large scale centralised systems. The zero-waste model will seek to ensure composting at source from 9,000 slum and 60,000 non-slum households as well as 100 non-residential institutions by the end of project period.	280'000.00	India	Environment	Marine	2018	23 months (1 Jun 2018-1 May 2020)
Zoological Society of London	To create a "refill revolution" across the city of London by 2021, which will reduce the number of single-use plastic water bottles entering the ocean. This will be done by creating a culture in the city where using and refilling are fillable water bottle is accepted as the social norm.	609'240.00	United Kingdom	Environment	Marine	2018	36 months (1 Mar 2018-1 Mar 2021)
Oceana Advocacy Resources, Inc.	To engage citizens and businesses in coastal areas working in tourism, real estate, restaurants, sport fishing, diving and other healthy ocean-dependent sectors to improve the health of the US's oceans. Oceana Advocacy Resources promotes the design and implementation of policies at national and international levels to protect and restore marine fisheries, and to engage the public in marine ecosystem efforts.	250'000.00	United States	Environment	Marine	2018	23 months (1 Oct 2018-30 Sep 2020)
Native American Rights Fund	To rebuild major elements of the Northern Bering Sea Climate Resilience Area by supporting advocacy in the US at state and federal levels through a public outreach campaign. The goals are to: permanently close the Northern Bering Sea to bottom trawling; to lower by catch limits for halibut; and to include traditional knowledge in the North Pacific Fisheries Management Council.	590'000.00	United States	Environment	Marine	2018	35 months (1 Apr 2018-31 Mar 2021)
Funding Fish	To catalyse EU member states compliance with the Common Fisheries Policy in order to ensure its full implementation. Funding FISH is a grant makers collaborative dedicated to achieving sustainable fisheries in Europe.	432'857.00	Western Europe	Environment	Marine	2018	35 months (1 Apr 2018-31 Mar 2021)
Environmental Justice Foundation CT	To end Illegal, Unreported and Unregulated (IUU) fishing and build sustainable, equitable and legal fisheries in West Africa. The Environmental Justice Foundation works to secure a world where natural habitats and environments can sustain, and be sustained by, the communities that depend upon them for their basic needs and livelihoods.	505'000.00	Worldwide	Environment	Marine	2018	35 months (1 Jul 2018-30 Jun 2021)
Global Fishing Watch	To support the Republic of Korea, Thailand, the Philippines and Taiwan to publish Vessel Monitoring System data on the internet. The result will be an additional 10,000 industrial fishing vessels that are publicly trackable. Global Fishing Watch is promoting ocean sustainability through greater transparency. It uses cutting-edge technology to visualise, track and share data about global fishing activity in near real-time and for free.	599'614.00	Worldwide	Environment	Marine	2018	35 months (1 May 2018-30 Apr 2021)
International Center for Living Aquatic Resources Management (ICLARM)	To create enabling environments for policies and investments that support people dependent on small-scale fisheries in developing countries. This grant aims to improve management practices and food and nutrition security, which will result in equitable governance and poverty alleviation. This will be achieved by building the capacity and commitment for coordination and collective action of agencies, initiatives and funders working together to strengthen the governance of small-scale fisheries.	1'597'511.00	Worldwide	Environment	Marine	2018	47 months (1 Aug 2018-1 Jul 2022)
Investor Watch	To align the world's capital markets with the sustainable management of fisheries and aqua culture. Investor Watch works to align capital markets with the goal of social and ecological sustainability.	965'677.00	Worldwide	Environment	Marine	2018	35 months (2 Jul 2018-1 Jul 2021)
WWF International	To eliminate illegal fishing in the Korean fishing industry and instead promote transparent, sustainable fisheries. This will be done by: engaging with Korean fishing and tuna industry actors in discussions; providing awareness-building opportunities to distant water fleet owners; and working with distant water fleet owners to encourage voluntary transparency/traceability practices.	150'000.00	Worldwide	Environment	Marine	2018	23 months (1 Jan 2019-31 Dec 2020)
World Wildlife Fund Canada Foundation	To protect Arctic coastal and ocean ecosystems and the Indigenous peoples and wildlife that rely on them by empowering Indigenous rights holders. This will be done by: implementing a network of marine protected areas to protect critical habitats; developing regulations that constrain the cumulative impacts of shipping within sustainable limits; and establishing small-scale fishing opportunities that support sustainable livelihoods.	881'663.00	Worldwide	Environment	Marine	2018	35 months (1 Jul 2018-30 Jun 2021)
Global Anti-Incinerator Alliance GAIA	To provide core support to GAIA for its international work to prevent plastic pollution by encouraging corporate responsibility and promoting zero waste cities. This will be done by establishing best practice for waste and plastics pollution reduction and developing a cadre of urban champions for zero waste advocacy.	1'200'000.00	Worldwide	Environment	Marine	2018	35 months (1 Mar 2018-28 Feb 2021)
Oceana Inc	To develop a campaign on single-use plastics in the US that targets major fast-moving consumer goods companies. This will be done by advocating directly with companies to make sustainability commitments that reduce the flow of single-use plastic pollution into the ocean.	650'000.00	Worldwide	Environment	Marine	2018	24 months (1 May 2018-1 May 2020)
ABALOBI	To scale up fisheries management efforts in the Western Indian Ocean region by using a mobile app called Abolobi. Nearly half of the global catch of marine resources comes from small-scale fishers, yet the contribution of small-scale fisheries remains largely invisible in the economies of many countries. Abolobi works to strengthen the small scale fisheries chain and to build resilience in the face of climate change.	500'000.00	Worldwide	Environment	Marine	2018	37 months (1 Nov 2018-31 Dec 2021)
Biodiversity Funders Group	To bring together groups and organisations working in grant-making related to biodiversity protection. To this end, Biodiversity Funders Group will build knowledge and promote learning, information sharing and dialogue as well as facilitate funder coordination and grant-making. The aim is to build the biodiversity and conservation philanthropy field.	100'000.00	Worldwide	Environment	Marine	2018	22 months (1 Feb 2018-31 Dec 2019)
Environmental Law Institute	To develop and disseminate a law and governance toolkit that provides governments and leaders of small scale fisheries with a range of regulatory tools and approaches that they can use to reform and strengthen their domestic laws. ELI's Mission is to foster innovative, just and practical law and policy solutions to enable leaders across borders and sectors to make environmental, economic and social progress.	300'000.00	Worldwide	Environment	Marine	2018	25 months (1 Nov 2018-31 Dec 2020)
International Pole and Line Foundation	To ensure smaller-scale tuna fisheries are strategically engaged in decision-making for the international management of tuna resources. This will be done by ensuring that smaller-scale tuna fisheries participate in the Regional Fisheries Management Organizations. The International Pole and Line Foundation works to bridge the gap between demand and supply of tuna.	630'000.00	Worldwide	Environment	Marine	2018	48 months (1 Jun 2018-1 Jun 2022)
RARE, Inc	To improve how small scale fisheries are represented to and financed by the international community. This will increase the environmental and social resilience of coastal communities and reduce the loss of biodiversity that underpins coastal ecosystems and the productive economy.	1'500'000.00	Worldwide	Environment	Marine	2018	38 months (1 Oct 2018-31 Dec 2021)
University of British Columbia	To document and communicate the annual trends of the world's marine fisheries catches via an online platform. Through this project, Sea Around Us will document the catch of small-scale fisheries and will communicate the findings to the conservation community and to policy makers.	352'878.00	Worldwide	Environment	Marine	2018	59 months (1 Apr 2018-30 Mar 2023)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
Fondation Ensemble	To scale up efforts to sustainably secure fishing resources and conserve marine biodiversity in Mozambique. This re-granting partnership with Fondation Ensemble will: replicate communities fisheries management and conservation best practices; and reinforce coordination among partners. Fondation Ensemble is a Paris-based foundation with previous grant-making experience in Mozambique.	1'595'745.00	France	Environment	Marine	2017	59 months (01 Jan 2018-30 Dec 2022)
Environmental Justice Foundation CT	To assist the Environmental Justice Foundation and collaborators in Taiwan and Korea to harness political opportunities to create positive change on labour policy and illegal, unregulated and unreported fishing. The Environmental Justice Foundation works internationally to protect the environment and defend human rights.	905'580.00	United Kingdom	Environment	Marine	2017	35 months (01 Jul 2017-30 Jun 2020)
Funding Fish	To support Funding Fish with two endeavours - a campaign focused on implementing the Common Fisheries Policy in the EU, and a research and policy project to understand the complexities of fisheries access agreements between the EU and coastal states. Funding Fish is a grant-makers collaborative dedicated to achieving sustainable fisheries in Europe.	458'807.00	United Kingdom	Environment	Marine	2017	41 months (01 Jul 2017-31 Dec 2020)
Duke University	To work with civil society organisations to map and design a needs assessment of small-scale fisheries. This will help secure livelihoods and implement more responsible, fair and sustainable fishing practices.	480'001.00	United States	Environment	Marine	2017	29 months (01 Jan 2018-30 Jun 2020)
Nature Conservancy, The	To tackle illegal, unregulated and unreported fishing at a global level with a special focus on policy in Japan. Illegal, unreported and unregulated (IUU) fishing is a global problem that devastates marine ecosystems. By building strong partnerships between Japan, the EU, the US and the Pacific region, the Nature Conservancy aims to enhance the transparency of fisheries and strengthen the market for fish caught legally and sustainably. The Nature Conservancy works globally to protect land and water for nature and people.	1'000'000.00	United States	Environment	Marine	2017	35 months (01 Jul 2017-30 Jun 2020)
Alaska Marine Conservation Council	To promote the health and resilience of Alaska's marine ecosystems and the traditional coastal communities that rely on them. This will be done by achieving measurable policy and socio-economic change in ways that build strong foundations for future fisheries and ocean conservation efforts in Alaska.	600'000.00	United States	Environment	Marine	2017	36 months (01 Jul 2017-01 Jul 2020)
Ocean Conservancy (The)	To increase the US Arctic's resilience in the face of climate change by preserving important safeguards that protect the region from renewed oil and gas exploration. This will be done by working to preserve the Northern Bering Sea Climate Resilience Area (NBSCLA); and advancing an adaptive, ecosystem-based approach to fishery management.	800'000.00	United States	Environment	Marine	2017	35 months (01 Jul 2017-30 Jun 2020)
Pacific Environment	To help establish US domestic and international shipping regulations that protect the Arctic marine environment and the subsistence practices of local indigenous communities. Pacific Environment partners with local people to solve environmental challenges in the Arctic and to ensure a fair transition to a clean energy future for all.	305'822.00	United States	Environment	Marine	2017	23 months (01 Apr 2017-31 Mar 2019)
Wildlife Conservation Society	To support Alaska Natives in articulating their needs relating to sustainable marine mammal hunting - the cornerstone of the food and economic security of Arctic indigenous communities. WCS works with local partners to help conserve the world's largest wild places, home to more than 50 percent of the world's biodiversity.	399'839.00	United States	Environment	Marine	2017	36 months (01 Oct 2017-31 Oct 2020)
As You Sow	To develop and lead a plastic solutions investor alliance. This will be done by creating and coordinating shareholder demand to reform the plastics strategies of international fast-moving consumer goods companies. As You Sow works to promote environmental and social corporate responsibility through shareholder advocacy, coalition building and innovative legal strategies.	400'000.00	United States	Environment	Marine	2017	35 months (01 Dec 2017-30 Nov 2020)
Greenpeace Fund, Inc	To stop the flow of plastic into the oceans by calling on global fast-moving consumer goods producers around the world to phase out single-use plastics. Greenpeace offices will campaign on these issues at local, regional and global levels.	900'000.00	United States	Environment	Marine	2017	35 months (01 Apr 2017-31 Mar 2020)
Rockefeller Philanthropy Advisors, Inc.	To rapidly escalate the availability of philanthropic funding through a funders' collaborative to organisations that can work strategically and internationally to meet and challenge the plastics crisis. The aim is to eliminate all non-essential use of plastics by 2035.	1'950'000.00	United States	Environment	Marine	2017	35 months (02 Jan 2017-31 Dec 2019)
Inuit Circumpolar Council Canada	To support and enable the Inuit to guide and direct the future management of critical marine habitats in the North water polynya, an ice-free region between Greenland and Nunavut. This region has been important to the Inuit for generations and represents a globally significant area of marine productivity. The project will also support Inuit participation in a variety of policy forms and decision-making processes related to Arctic marine areas at local, regional and international scales.	350'000.00	Canada	Environment	Marine	2016	36 months (1 Apr 2016-01.04.2019)
Tides Canada Foundation	To advance a new approach to oceans governance in British Columbia that integrates and fosters environmental, social and economic wellbeing and resilience. The Marine Plan Partnership aims to serve as a global model for collaborative oceans governance with indigenous communities. Tides Canada Foundation works to support Canadians to secure a healthy environment in ways that promote social equity and economic prosperity.	1'000'000.00	Canada	Environment	Marine	2016	36 months (1 Apr 2016-31.03.2019)
First Alaskans Institute	To provide core support for the leadership development programme in the First Alaskans Institute. This grant will also work to foster and grow traditional values of reciprocity and sharing, honouring elders and promoting the stewardship of land and resources. It aims to give back to Alaska Native communities through public policy fellowships, summer internships and youth and elder gatherings.	750'000.00	United States	Environment	Marine	2016	48 months (1 Mar 2016-01.03.2020)
International Funders for Indigenous Peoples	To provide core support to IFIP. Its mission is to convene Indigenous Peoples, donors and foundations to advance partnerships that can improve the lives of Indigenous Peoples globally, build communities of practice among donors and address the challenges of our times.	90'000.00	United States	Environment	Marine	2016	36 months (1 Jul 2016-30.06.2019)
Rockefeller Philanthropy Advisors, Inc.	To support Oceans Five - an international funders collaborative - which supports projects to constrain overfishing and establish marine reserves. The collaborative is highly opportunistic, sharing its collective resources, staff and experience to support a portfolio of common projects.	3'000'000.00	United States	Environment	Marine	2016	36 months (1 Sep 2016-01.09.2019)
Foraker Group	To provide capacity building support for Alaska Native Organisations (ANOs) by offering organisational development tools and strategies. This grant will also support the completion of a state wide assessment of Alaska Native not-for-profit organisations. The Foraker Group is dedicated to producing a healthy, sustainable not-for-profit sector in Alaska.	300'000.00	United States	Environment	Marine	2016	36 months (1 Jan 2017-31.12.2019)
Ellen MacArthur Foundation	To provide support to the Ellen MacArthur Foundation to deliver the New Plastics Economy initiative. The project will catalyse action across the business and philanthropic communities, complementing other initiatives that deliver social impact and stimulating systemic change at a global scale.	1'125'497.00	Worldwide	Environment	Marine	2016	36 months (1 Mar 2016-28.02.2019)
Environmental Justice Foundation CT	To provide core support to the E.J.F, based in the UK in building up its organisational, investigative and communications capacity internationally. E.J.F works to protect the world's seas and oceans by: exposing illegal fishing and exploitation; highlighting the dangers of toxic pesticides and promoting viable organic alternatives; and exposing the impacts of our changing global climate on the most vulnerable people on the planet. The E.J.F works internationally to protect the environment and defend human rights.	500'000.00	Worldwide	Environment	Marine	2016	36 months (1 Jul 2016-30.06.2019)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
Greenpeace South East Asia	To support the Greenpeace oceans campaign to investigate the world's fishing fleets in regard to human and labour rights, shark finning, corruption, overfishing and by-catch. Greenpeace is an independent global campaigning organisation that acts to protect and conserve the environment.	615957.00	Worldwide	Environment	Marine	2016	34 months (1 May 2016-31.03.2019)
The Story of Stuff Project	To support the Story of Stuff Project to partner with a small group of organisations in North America, Europe and Asia to align the plastic pollution movement and to build its power. The Story of Stuff is a community of more than a million changemakers worldwide, working to build a healthier and more just planet.	700'000.00	Worldwide	Environment	Marine	2016	36 months (1 Mar 2016-28.02.2019)
Commonwealth Scientific and Industrial Research Organisation	To support the CSIRO to use field sampling to document the distribution of plastic in the ocean generated by 6-8 major urban centres in Asia. It is estimated that there are between 4.8 and 12.7 million metric tonnes of plastics entering the ocean every year. This study will enable CSIRO to make a more precise analysis of the problem of the leakage of plastics to the ocean.	279'000.00	Worldwide	Environment	Marine	2016	36 months (2 Jan 2017-31.12.2019)
University of Belize	To further protect Belize's marine protected areas by implementing strategies that link them to livelihoods and by building the resilience of the ecosystem. The university will develop its scientific capacity to identify and address the impacts of climate change. It will establish a programme that educates young Belizeans on the importance of climate resilience and adaptation.	855'000.00	Belize	Environment	Marine	2016	48 months (1 Oct 2016-30.09.2020)
Mesoamerican Reef Fund	To re-grant to seven of Oak's key conservation partners working in the Meso-American Reef region. This fund aims to provide long-term financial sustainability to natural resource management and conservation initiatives in Belize, Guatemala, Honduras, and Mexico.	2'000'000.00	Guatemala	Environment	Marine	2016	54 months (1 Jun 2016-31.12.2020)
Alaska Longline Fishermen's Association	To support fisheries stewardship policy development and advocacy work at the state, federal and national levels and secure resource access for the next generation of community-based fishermen. Alaska Longline Fishermen's Association (ALFA) is a non-profit association of independent commercial longline vessel owners and crewmembers who are committed to continuing the sustainable harvest of sablefish, halibut, and groundfish, while supporting healthy marine ecosystems and strong coastal communities through resource stewardship and participation in federal, state, and local forums.	350'000.00	United States	Environment	Marine	2015	48 months (1 Aug 2015-1 Aug 2019)
Sarstoon Temash Institute for Indigenous Management	To build the institutional self-reliance and capacity of Sarstoon Temash Institute for Indigenous Management (SATIIM) so that it continues to function as a national and global leader in environmental and human right defence and sustainable development. SATIIM is a community-based indigenous peoples environmental and human right organisation that works in southern Belize.	689'687.00	Belize	Environment	Marine	2015	60 months (1 Dec 2015-31 Dec 2020)
Mesoamerican Reef Fund	To establish a Belize Marine Conservation Trust Fund in order to provide long-term financial sustainability for natural resources management and conservation initiatives. This grant will enhance the Mesoamerica Reef Funds grant-making capability so that it can operate optimally.	10'000'000.00	Central America	Environment	Marine	2015	59 months (1 Dec 2015-8 Nov 2020)
Mesoamerican Reef Fund	To provide long-term financial sustainability to natural resource management and conservation initiatives in Mexico, Belize, Guatemala and Honduras. Marfund will continue to strengthen alliances among the countries and consolidate donor contributions to common and strategic regional objectives.	300'000.00	Central America	Environment	Marine	2014	59 months (5 Jan 2015-30.12.2019)
Wildlife Conservation Network (WCN)	To engage and empower stakeholders in the Mesoamerican Barrier Reef in efforts to reverse the decline in threatened marine wildlife, notably sharks and rays. MarAlliance implements positive change for threatened marine wildlife, their habitats and dependent human communities. MarAlliance works with WCN, its fiscal sponsor to achieve its objectives.	375'000.00	Central America	Environment	Marine	2014	60 months (1 Sep 2014-01.09.2019)
Kawerak, Inc.	To increase the number of Alaskan natives who are skilled in the areas of arctic marine science, research and advocacy. The programme will run for ten years and will create a prestigious scholarship for junior and senior undergraduate students, influence youth to pursue preferred degrees in marine science and provide internship opportunities.	1'200'000.00	United States	Environment	Marine	2011	122 months (1 Jan 2012-1 Jan 2022)
Graduate Institute Geneva	To establish a merit-based internship programme within the Environment Programme. Interns will be Master students in International Relations at the Graduate Institute in Geneva with an interest in the environmental sector.	159'406.00	Switzerland	Environment	Other	2016	36 months (1 May 2016-30.04.2019)
Elephants Without Borders	To advance elephant conservation in Botswana and beyond. This will be done by helping to build upon the strong sense of national pride for wildlife conservation in Botswana and by creating an effective framework for combatting the illegal trade in wildlife. Elephants without Borders works to conserve wildlife and natural resources through: innovative research, education; and information sharing.	1'000'000.00	Botswana	Environment	Wildlife Conservation and Trade	2018	36 months (1 Aug 2018-1 Aug 2021)
Mara Elephant Project Trust	To support the Mara Elephant Project Trust to conduct research on elephant ecology in order to conserve the ecosystem and secure a viable and sustainable population of elephants in the Mara-Serengeti in East Africa. The Mara Elephant Project Trust has implemented GPS radio satellite tracking collars in the Mara to provide fresh insight into the movement of elephants. It aims to protect the elephants of the Mara using tracking technology.	400'000.00	Kenya	Environment	Wildlife Conservation and Trade	2018	48 months (1 Oct 2018-31 Oct 2022)
African Parks Network	To help restore Matusadona National Park in Zimbabwe (once the full management mandate is secured), and to contribute to larger landscape-level conservation goals for iconic African animals, such as the black rhino and savannah elephant. African Parks is a conservation organisation that manages national parks and protected areas throughout Africa, in collaboration with governments and surrounding communities.	1'000'000.00	Worldwide	Environment	Wildlife Conservation and Trade	2018	24 months (31 Dec 2018-31 Dec 2020)
Internews	To increase the quality and quantity of reporting around conservation efforts - particularly in the UK and Europe.	200'000.00	Worldwide	Environment	Wildlife Conservation and Trade	2018	24 months (1 May 2018-2 May 2020)
Lilongwe Wildlife Trust	To protect African elephants and rhinos by strengthening regional conservation coordination in eastern and southern Africa. Lilongwe Wildlife Trust is a wildlife charity based in Malawi.	1'988'970.00	Worldwide	Environment	Wildlife Conservation and Trade	2018	35 months (1 May 2018-30 Apr 2021)
Social Good Fund	To pilot an adaptive, nonconventional approach to security for organisations operating in the wildlife conservation sector.	500'000.00	Worldwide	Environment	Wildlife Conservation and Trade	2018	30 months (1 Jun 2018-16 Dec 2020)
Wildlife Justice Commission	To analyse, map and understand the networks allowing for trade in rhino horn and ivory in Asia in a bid to improve conservation efforts.	400'000.00	Worldwide	Environment	Wildlife Conservation and Trade	2018	24 months (1 Jun 2018-30 Jun 2020)
Tier im Recht	To improve wildlife crime law in German-speaking European countries and to establish a global hub for legal expertise around protecting wildlife. TIR works to improve and protect animals through legal, ethical and social means.	198'020.00	Switzerland	Environment	Wildlife Conservation and Trade	2017	36 months (02 Oct 2017-02 Oct 2020)
Gorongosa Restoration Project Inc	To establish more than two-million hectares of protected area and buffer zone in central Mozambique as part of restoring a large contiguous landscape damaged from two decades of civil war and ensures a better life for local people. Mozambique's Gorongosa National Park is one of the wildest and least-developed areas of its kind in sub-equatorial Africa. The Gorongosa Restoration Projects aim is to reduce threats to the parks biodiversity by: increasing local support for its conservation; applying scientific knowledge to support planning and management; and increasing the resilience of household economies in the local area.	600'000.00	United States	Environment	Wildlife Conservation and Trade	2017	24 months (01 Aug 2017-01 Aug 2019)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
International Wildlife Trust	To build capacity for effective law enforcement and prosecution of wildlife crimes by leveraging US legislative tools against transnational criminal organisations, exploiting investigative information on criminal networks and working alongside US officials. The International Wildlife Trust is a start-up organisation that works to ensure the prosecution of transnational criminals involved in the illegal wildlife trade.	875'000.00	United States	Environment	Wildlife Conservation and Trade	2017	35 months (01 Nov 2017-01 Nov 2020)
Natural Resources Defense Council, Inc. - NRDC	To assist the Chinese Government in implementing its ban on domestic elephant ivory sales and to reduce pressure on other illegally traded wildlife species including rhinos and pangolins. NRDC is an environmental action group that works to curb global warming, revive the world's oceans and defend endangered wildlife.	200'000.00	United States	Environment	Wildlife Conservation and Trade	2017	23 months (01 Nov 2017-31 Oct 2019)
Wildlife Conservation Society	To strengthen civil society and government partnerships to combat rhino horn trafficking networks between Africa and China. WCS's goal is to conserve the world's largest wild places in 16 priority regions, home to more than 50 per cent of the world's biodiversity.	1'353'123.00	United States	Environment	Wildlife Conservation and Trade	2017	23 months (01 Nov 2017-31 Oct 2019)
Tikki Hywood Trust	To establish a pangolin rehabilitation programme. The Tikki Hywood Foundation strives to bring awareness and sound conservation practice to the plight of lesser known and endangered animals globally.	192'250.00	Zimbabwe	Environment	Wildlife Conservation and Trade	2017	36 months (01 Jun 2017-01 Jun 2020)
Zoological Society of London, The	To realise the potential for growth of both black rhino and elephant populations in the Tsavo Conservation Area in Kenya. This will be done by: developing the rhino programme together with Kenyan Wildlife Services (KWS); securing Tsavos elephant population by providing intelligence on threats; and providing anti-poaching support to KWS by developing rapid-response teams and improved proactive law enforcement in target areas.	931'290.00	Kenya	Environment	Wildlife Conservation and Trade	2016	58 months (1 Dec 2016-30.09.2021)
PAMS Foundation	To provide conservation support and develop solutions which help sustain biodiversity, wilderness habitats and ecological processes through actions that benefit nature and communities. PAMS plays a key strategic role in halting the decline of the elephant population nationally in Tanzania, through an intelligence-led approach. This approach will also be used in Southern Africa (Mozambique and South Africa).	800'000.00	Tanzania	Environment	Wildlife Conservation and Trade	2016	36 months (1 Jun 2016-31.05.2019)
Education for Nature	To provide core support to ENV to implement its strategic plan. ENV focuses on the conservation of nature and the protection of wildlife. ENV works to raise public awareness, reduce demand for wildlife trade products, strengthen policy and legislation, and directly supports enforcement efforts in the protection of endangered species of regional, national, and global significance.	499'840.00	Vietnam	Environment	Wildlife Conservation and Trade	2016	46 months (1 Jan 2017-01.11.2020)
Environmental Investigation Agency (UK)	To assist in the disruption of major criminal syndicates trafficking ivory and encourage a more effective criminal justice response to the illegal ivory trade. This will be done across a range of national and intergovernmental enforcement agencies and non-traditional actors such as Financial Intelligence Units.	447'761.00	Worldwide	Environment	Wildlife Conservation and Trade	2016	36 months (1 Aug 2016-31.07.2019)
Advance Credit Union	To increase the availability of affordable lending and credit to low-income households in Birmingham, the United Kingdom, by supporting Advance Credit Union (ACU) to expand its services. ACU works to secure savings and affordable loans for everyone living or working in North Birmingham and Solihull, to help people to avoid taking on high-interest loans.	389'895.00	United Kingdom	Housing and Homelessness	Economic self-sufficiency	2018	35 months (1 Oct 2018-30 Sep 2021)
Good Faith Partnership	To increase the scale of affordable personal lending and restrict the practices of exploitative lenders in the UK. The Good Faith Partnership is a consultancy to help leaders in the worlds of charity, politics, faith and business work better together on common goals.	213'408.00	United Kingdom	Housing and Homelessness	Economic self-sufficiency	2018	6 months (1 Nov 2018-31 May 2019)
National Energy Action (Northern Ireland)	To secure continuation of the Northern Ireland Sustainable Energy Programme for the next five years (2019 - 2024) and to ensure that 80 percent of the projected income from this programme (GBP 36million over five years) is dedicated to helping people living in fuel poverty. National Energy Action aims to reduce fuel poverty and advance education on energy conservation.	66'667.00	United Kingdom	Housing and Homelessness	Economic self-sufficiency	2018	11 months (1 Apr 2018-31 Mar 2019)
Compass Working Capital	To identify ways to extend the reach of CWCs family self-sufficiency programme. To do so, it will facilitate in-depth quantitative and qualitative research on the inclusion of younger parents, single people and under-represented ethnic communities. CWC is a not-for-profit organisation that provides savings and financial coaching programmes to support low-income families to: build assets; achieve their financial goals; and become more financially secure.	497'097.00	United States	Housing and Homelessness	Economic self-sufficiency	2018	47 months (1 May 2018-29 Apr 2022)
Heartland Alliance	To better connect the US workforce with homelessness sectors. This will be done by promoting policy and joint work to improve employment prospects for homeless people. HA engages in national advocacy and provides services to over one million people living in the Midwest of the United States, such as housing, healthcare, economic security and legal protection.	1'200'000.00	United States	Housing and Homelessness	Economic self-sufficiency	2018	35 months (1 Jan 2019-31 Dec 2021)
Justice in Aging (formerly National Senior Citizens Law Center)	To prevent cuts to funding and eligibility for Supplemental Security Income (SSI) in the US, which many seniors and people with disabilities rely on to survive. This grant will also promote policies that expand access to SSI. Justice in Aging has been operating since 1972 using the power of law to fight for the rights of low-income seniors.	120'000.00	United States	Housing and Homelessness	Economic self-sufficiency	2018	8 months (1 Jun 2018-28 Feb 2019)
Massachusetts Budget and Policy Center	To make economic stability a reality for more people throughout Massachusetts, so that those on lower income can become economically independent. Mass Budget is a not-for-profit organisation producing independent analysis of state budget and tax policies to improve the lives of people on low incomes.	400'000.00	United States	Housing and Homelessness	Economic self-sufficiency	2018	47 months (1 Oct 2018-30 Sep 2022)
Philadelphia Lawyers for Social Equity	To provide legal services to more low-income residents in Philadelphia to empower them to overcome their criminal records and advocate for changes to simplify the record-clearing processes. Philadelphia Lawyers for Social Equity is an organisation that works with people who have had contact with the criminal justice system to find just outcomes.	225'000.00	United States	Housing and Homelessness	Economic self-sufficiency	2018	35 months (1 Mar 2019-28 Feb 2022)
Social Market Foundation	To influence policy makers in the UK to implement changes to the benefit sanctions system. These changes should minimise the potential negative impacts on those who are sanctioned and provide protection for more vulnerable claimants, while also ensuring that employment is improved. The Social Market Foundation is an independent, non-partisan think-tank which works to promote sensible, fair and evidence-based public policy.	157'501.00	United Kingdom	Housing and Homelessness	Economic self-sufficiency	2017	35 months (01 Feb 2018-31 Jan 2021)
Working Chance	To provide core support to Working Chance to expand its service delivery into the North of England and to develop its care leavers service. Working Chance is the UK's only specialist recruitment consultancy for women with criminal convictions and women care leavers. It supports women into employment placements and develops relationships with potential employers, including larger private sector corporate partners.	1'000'000.00	United Kingdom	Housing and Homelessness	Economic self-sufficiency	2017	47 months (01 Feb 2018-31 Jan 2022)
Homeless Advocacy Project	To expand HAPs SOAR Project to secure rapid Supplemental Security Income benefits (SSI/SSDI) for vulnerable individuals in Philadelphia. HAP provides free, high quality civil legal services to individuals and families who are homeless or at risk of homelessness in Philadelphia.	324'000.00	United States	Housing and Homelessness	Economic self-sufficiency	2017	35 months (01 Jan 2018-31 Dec 2020)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
Women Against Abuse	To enable WAA to develop, implement and embed a new Economic Empowerment Project aimed at reducing homelessness and increasing long-term economic stability for women and children who experience domestic abuse. WAA is the leading domestic abuse advocate and service provider in Philadelphia. Its services include housing, legal services, counselling, community education and advocacy programmes.	800'000.00	United States	Housing and Homelessness	Economic self-sufficiency	2017	47 months (01 Jan 2018-31 Dec 2021)
Bryson Charitable Group (Bryson Energy)	To assist some of the poorest households in Northern Ireland by reducing the poverty premium on food and fuel experienced by low-income families. The project will identify and pilot suitable mechanisms to reduce the premium and will actively seek funding and lobby for action to scale-up and implement these mechanisms. The project will also provide direct assistance to households that are facing poverty pressures and will inform decision making and push food and fuel poverty up the political agenda.	447'284.00	United Kingdom	Housing and Homelessness	Economic self-sufficiency	2016	36 months (1 Nov 2016-01.10.2019)
Carnegie UK Trust	To expand the provision of affordable credit in Scotland for low-income households and advance progress towards meeting the demand for access to good forms of low-cost lending. The Carnegie UK Trust is an independent charitable trust based in Dunfermline and operates across the UK and Ireland.	223'881.00	United Kingdom	Housing and Homelessness	Economic self-sufficiency	2016	24 months (1 Apr 2017-31.03.2019)
Child Poverty Action Group	To collate findings on the efficacy of the UK social security system and establish an à € Early Warning System. The CPAG is a UK national charity working to end poverty for children, young people and families. It advocates for evidence-based solutions and provides information and advice so that families can access the financial support they need.	499'307.00	United Kingdom	Housing and Homelessness	Economic self-sufficiency	2016	48 months (3 Oct 2016-28.09.2020)
Scotcash	To increase access to affordable credit by establishing Scotcash, a community lending service, in Edinburgh. Scotcash is an independent, social enterprise that provides affordable credit and additional services that address the needs of lowest income households in Glasgow and beyond.	837'069.00	United Kingdom	Housing and Homelessness	Economic self-sufficiency	2016	36 months (1 Apr 2017-31.03.2020)
Turn2us	To expand the Turn2us helpline to prevent and reduce homelessness, poverty and destitution by providing specialist, targeted and timely information and guidance. Turn2us will also analyse data and findings to inform policy work to improve services for those in financial hardship. Turn2us is a leading charity working to alleviate poverty in the UK.	497'015.00	United Kingdom	Housing and Homelessness	Economic self-sufficiency	2016	36 months (1 Apr 2017-31.03.2020)
City Life/Vida Urbana	To develop an alternative economic and social eco-system called 'The Ujima Project' to address inequality and disadvantage in neighbourhoods in Boston. This project will focus on establishing a Community Investment Fund, which will provide loans to local businesses owned by those on low and moderate incomes, particularly for black and ethnic minority communities. This grant will also develop the infrastructure to attract investment and make grants or loans.	397'476.00	United States	Housing and Homelessness	Economic self-sufficiency	2016	24 months (1 Feb 2017-31.01.2019)
Justice in Aging (formerly National Senior Citizens Law Center)	To improve the appeal process of the Supplemental Security Income (SSI) in the US, which is a key safety net welfare benefit claimed by 8,300,000 people claiming SSI. To this end, JiA will promote new legislation that increases SSI levels and widens eligibility. JiA is a US organisation that uses the power of the law to fight poverty by securing access to affordable healthcare, economic security and the courts for older adults with limited resources.	718'602.00	United States	Housing and Homelessness	Economic self-sufficiency	2016	36 months (1 Sep 2016-01.08.2019)
Jericho Foundation	To enable the Jericho Foundation, based in Birmingham in the United Kingdom, to become sustainable and increase training and employment opportunities for its clients. The Jericho Foundation supports people to become fulfilled, skilled and employed.	476'323.00	United Kingdom	Housing and Homelessness	Economic self-sufficiency	2015	35 months (1 Apr 2016-31 Mar 2019)
Second Step	To develop peer mentoring support in Bristol, the United Kingdom, in order to reduce and prevent homelessness and to enable people with histories of homelessness to lead more independent, fulfilling lives. Second Step provides housing and support services to people with: mental health issues; a history of homelessness; complex needs, including substance misuse and offending; and learning difficulties.	629'395.00	United Kingdom	Housing and Homelessness	Economic self-sufficiency	2015	47 months (1 Jul 2015-30 Jun 2019)
Center for Responsible Lending	To provide core funding to the CRL to help it eliminate abusive financial practices that disproportionately impact low- and moderate- income families and people of colour in the United States. Through research, public education, policy development and coalition-building, CRL enables low-income families to retain assets. This is vital to closing America's widening wealth gap.	1'000'000.00	United States	Housing and Homelessness	Economic self-sufficiency	2015	47 months (1 Jan 2016-31 Dec 2019)
Neighborhood Trust Financial Partners	To provide financial support to low-income people by reaching out to employers. This will be done by expanding, evaluating and disseminating lessons learned from Neighborhood Trust Financial Partners workplace financial empowerment programme, the Employer Solution. Neighborhood Trust works to empower low-income individuals to become productive participants in the US financial system and to achieve their financial goals.	480'000.00	United States	Housing and Homelessness	Economic self-sufficiency	2015	35 months (1 Feb 2016-31 Jan 2019)
Crittenton Women's Union	To fund the external research into CWU's Supporting Opportunity, Achieving Results (SOAR) Mobility Mentoring® programme. CWU is a Boston-based non- governmental organisation working with low-income women who have experienced homelessness or who are currently homeless. SOAR aims to serve at least 250 families in the next two years. It will help families further their education, earn more money through improved chances of employment and better financial management, and increase their stability and wellbeing.	249'722.00	United States	Housing and Homelessness	Economic self-sufficiency	2013	59 months (1 May 2014-1 Apr 2019)
Innovation Unit	To explore, through practical research, how 18-25 year olds given prison sentences can thrive in the community after release. Innovation Unit's mission is to grow new solutions to complex social challenges.	98'667.00	United Kingdom	Housing and Homelessness	Homelessness prevention	2018	5 months (1 Sep 2018-28 Feb 2019)
Merthyr and the Valleys Mind	To support people in their homes using a MAVM resilience model that enhances health and wellbeing. This will be done by helping people to develop social connections and strategies to cope with unforeseen events. The approach will be evaluated from a health perspective and also any impact on housing circumstances. Merthyr and the Valleys Mind is based in south Wales with a focus on supporting people with mental health and emotional wellbeing needs.	332'628.00	United Kingdom	Housing and Homelessness	Homelessness prevention	2018	35 months (1 Apr 2019-31 Mar 2022)
Nucleus Legal Advice Centre	To enable Nucleus Legal Advice Centre to provide housing, debt and legal advice services in West London. This will enable people to remain in their homes, appeal benefit decisions, resolve debt issues and challenge employers when needed (e.g., for unfair dismissal). The project will also work in two London boroughs to ensure the Homeless Reduction Act is effectively implemented.	474'029.00	United Kingdom	Housing and Homelessness	Homelessness prevention	2018	35 months (1 Jan 2019-31 Dec 2021)
Participation and Practice of Rights	To support a group of activists in Northern Ireland to achieve positive housing outcomes for individuals and to strengthen campaigns tackling the root causes of homelessness. Participation and Practice of Rights is committed to realising equality and socio-economic rights in Northern Ireland. Its work demonstrates that sustainable change happens when those directly affected are able to participate fully in creating solutions.	419'900.00	United Kingdom	Housing and Homelessness	Homelessness prevention	2018	35 months (7 Jan 2019-6 Jan 2022)
Project 17	To reduce homelessness and poverty among families in the UK who are homeless or poor due to their immigration status. Project 17 also works to build the capacity of partner organisations to support immigrant families.	188'176.00	United Kingdom	Housing and Homelessness	Homelessness prevention	2018	35 months (1 Dec 2018-30 Nov 2021)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
Refugee Survival Trust	To reduce destitution and homelessness in Glasgow among asylum seekers. This will be done by: providing a multi-agency, integrated support service with increased capacity to offer advocacy, safe accommodation and legal support; and advocating for wider changes to the asylum system in Scotland. The Refugee Survival Trust provides a range of services and support to asylum seekers and refugees living in Scotland.	1'528'267.00	United Kingdom	Housing and Homelessness	Homelessness prevention	2018	35 months (1 Sep 2018-31 Aug 2021)
Bassuk Center (Center for Social Innovation)	To support the Center for Social Innovation, based in the US, which works to improve the lives of marginalised and vulnerable people. The Center focuses on finding solutions for complex public health problems such as homelessness, trauma, mental health issues and substance abuse disorders. Using state-of-the-art research, training and technology, it helps individuals, agencies and communities to deepen the impact of their work.	1'200'096.00	United States	Housing and Homelessness	Homelessness prevention	2018	59 months (15 Feb 2018-14 Feb 2023)
Center for Popular Democracy, Inc.	To build a national movement to address the shortage of safe, affordable housing in the US, and the racial and income inequality that is exacerbated by that shortage. The Center for Popular Democracy (CPD) builds organising power to transform the local and state policy landscape through deep, long-term partnerships with state-based organising groups across the US.	499'997.00	United States	Housing and Homelessness	Homelessness prevention	2018	35 months (1 Dec 2018-30 Nov 2021)
Citizens' Committee for Children of New York	To prevent and end family homelessness in New York and ensure the wellbeing of children when families cannot avoid homelessness. This will be achieved through public awareness raising and effective advocacy to advance policy, as well as budgetary recommendations at city and state levels, co-convened by Citizens Committee for Children of New York, Enterprise and New Destiny Housing.	240'000.00	United States	Housing and Homelessness	Homelessness prevention	2018	23 months (1 Dec 2018-30 Nov 2020)
Fund for the City of New York	To ensure the effective implementation of the new Right to Counsel legislation in New York City through outreach, education and tenant organising, as well as training for attorneys, and supporting other cities to campaign for the same. The Right to Counsel Coalition was established in 2014 to fight for this right and will now work to ensure it fulfils its intended purpose.	1'532'632.00	United States	Housing and Homelessness	Homelessness prevention	2018	47 months (1 Dec 2018-30 Nov 2022)
National Housing Law Project	To provide core support to the NHLP to limit the negative impact of current US federal housing policies through advocacy and strategic litigation. NHLP will also support the development of housing policies at the local level, which benefit low-income and vulnerable people. NHLP provides training and legal support to advocates throughout the US, to build capacity and influence.	1'500'000.00	United States	Housing and Homelessness	Homelessness prevention	2018	59 months (1 Nov 2018-31 Oct 2023)
Project HOME	To enable Project HOME to build quality and capacity within its residential programmes to end and prevent homelessness in Philadelphia. Project HOME (which stands for Housing, Opportunities for Employment, Medical care, Education) achieves its mission through a continuum of services. These comprise street outreach, a range of supportive housing and comprehensive services designed for persons who have experienced homelessness.	2'000'000.00	United States	Housing and Homelessness	Homelessness prevention	2018	59 months (1 Jun 2018-31 May 2023)
Reinvestment Fund	To explore and research the issue of high rates of eviction in Philadelphia, the US, with a view to improving policy so that levels of evictions are reduced. The Reinvestment Fund works across several states in the US to finance development that benefits low-income communities.	463'971.00	United States	Housing and Homelessness	Homelessness prevention	2018	35 months (1 Jul 2018-30 Jun 2021)
The Public Interest Law Center	To support low-income families in Philadelphia to live and thrive in safe, healthy and affordable homes. Low-income tenants, particularly African Americans, Latinos and women, will strengthen their ability to advocate for themselves and to reform and influence government policies and court procedures. The Public Interest Law Center uses high-impact legal strategies to advance the civil, social, and economic rights of communities in the Philadelphia region facing discrimination, inequality, and poverty.	400'000.00	United States	Housing and Homelessness	Homelessness prevention	2018	35 months (1 Jan 2019-31 Dec 2021)
True Colors Fund	To expand the US National Youth Forum on Homelessness, create a network of influential Youth Advisory Boards across the US, and provide the resources to support them to end youth homelessness. It provides advocacy, training, education and youth collaboration programmes in the US, working to ensure that no young person is homeless due to their sexual orientation or gender identity.	495'000.00	United States	Housing and Homelessness	Homelessness prevention	2018	35 months (1 Jan 2019-31 Dec 2021)
Anawim	To provide support services to clients, specialising in mental health, domestic abuse and sexual violence, to support vulnerable women from becoming homeless in the UK. Anawim was established in Birmingham in 1986, supporting vulnerable women.	499'345.00	United Kingdom	Housing and Homelessness	Homelessness prevention	2017	35 months (01 Apr 2018-31 Mar 2021)
Crisis UK	To support local authorities in the UK and others to effectively interpret and implement their new legal duties within the Homelessness Reduction Act. Crisis is a UK national charity for homeless people. One of Crisis founding principles is to campaign for homeless people, keeping homelessness alive in the public consciousness ensuring that all homeless people are entitled to help and support.	797'523.00	United Kingdom	Housing and Homelessness	Homelessness prevention	2017	35 months (01 Feb 2018-31 Jan 2021)
Cymorth Cymru	To establish an evidence base to strengthen the case for investment in supported housing and community support services across Wales, which demonstrate the positive impact on public services (such as health, housing, criminal justice). A tool will also be developed (by Cymorth Cymru) for service providers to demonstrate their effectiveness. Cymorth Cymru is a membership and campaigning organisation for providers of homelessness, community support and social care services in Wales.	119'611.00	United Kingdom	Housing and Homelessness	Homelessness prevention	2017	23 months (01 Apr 2018-31 Mar 2020)
Generation Rent	To expand Generation Rents campaigns in London and nationally, with a focus on combating at no fault evictions, limiting rent rises, improving security of tenure and supporting renters to exercise their rights against criminal landlords. Generation Rent provides a national voice for the UK's private renter population, campaigning for affordable, decent and secure homes.	226'674.00	United Kingdom	Housing and Homelessness	Homelessness prevention	2017	35 months (01 Jan 2018-31 Dec 2020)
Glasgow Homelessness Network (GHN)	To provide core support to Glasgow Homeless Network (GHN), which works with and for people affected by homelessness in Glasgow, Scotland. GHN informs and influences policy and planning and seeks to improve practices within the housing sector in Glasgow and beyond.	375'000.00	United Kingdom	Housing and Homelessness	Homelessness prevention	2017	47 months (01 Jan 2018-31 Dec 2021)
Govan Law Centre	To provide core support to GLC to support its strategic plan and mission. GLC is a community law centre with charitable status providing free legal assistance concerning housing, homelessness, debt, discrimination, education, employment and welfare for people on low incomes in Glasgow.	1'250'000.00	United Kingdom	Housing and Homelessness	Homelessness prevention	2017	59 months (01 Mar 2018-28 Feb 2023)
Lambeth Law Centre	To ensure people from the European Economic Area receive access to specialist legal representation to prevent their forcible removal because they are rough sleeping. This Lambeth Law Centre will use strategic litigation to challenge the UK governments policy. Learning will be shared to support front line organisations. LLC provides free legal advice, representation and casework linked mainly to asylum, immigration, employment, housing, debt and welfare benefit issues.	370'888.00	United Kingdom	Housing and Homelessness	Homelessness prevention	2017	35 months (01 Feb 2018-31 Jan 2021)
Refugee and Migrant Centre	To provide core support to RMC, which supports asylum seekers, migrants and refugees in Wolverhampton and Birmingham. RMC delivers free advice and support services, primarily to newly arrived and destitute asylum seekers, refugees and EU migrants.	500'000.00	United Kingdom	Housing and Homelessness	Homelessness prevention	2017	47 months (01 Apr 2018-31 Mar 2022)
Women's Aid	To provide support to domestic abuse services in the United Kingdom so that they become more sustainable and their organisational and financial stability are increased. Women's Aid Federation of England is a UK-based organisation which supports women and children who have suffered from, or are exposed to, gender-based violence.	627'245.00	United Kingdom	Housing and Homelessness	Homelessness prevention	2017	35 months (01 Nov 2017-31 Oct 2020)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
Butler Family Fund	To capture savings from the criminal justice system in the US and redirect towards housing and other services that support prisoner re-entry. To explore alternatives to incarceration for women and to promote the development of support mechanisms specific to women released from prison. With headquarters in New York, several country offices, numerous programs operating around the globe and managed from our headquarters, and an office in The Hague, ICTJ works across society and borders to challenge the causes and address the consequences of massive human rights violations. It does this by affirming victims dignity, fighting impunity and promoting responsive institutions.	400'000.00	Worldwide	International Human Rights	Ending impunity for gross human rights violations	2018	11 months (1 Feb 2018-31 Jan 2019)
The Guernica Centre for International Justice	To support transnational and international accountability strategies to tackle impunity in nine countries. The Guernica Centre for International Justice, part of the Guernica Group with offices in the UK, US and Spain, is an international collaboration of experienced litigators, investigators and other professionals working together to bring perpetrators of international crimes and grave human rights violations to justice and strengthen systems of accountability.	212'687.00	Worldwide	International Human Rights	Ending impunity for gross human rights violations	2018	23 months (1 Sep 2018-31 Aug 2020)
The Regents of the University of California	To support the Human Rights Center at UC Berkeley School of Law to conduct research on war crimes and other serious violations of international law in order to improve conditions for survivors and prevent future violence. Using scientific methods and innovative technologies, it will support efforts to hold perpetrators accountable and protect vulnerable populations. It will also train students and advocates to document human rights violations and turn this information into effective action.	690'000.00	Worldwide	International Human Rights	Ending impunity for gross human rights violations	2018	35 months (1 Jul 2018-30 Jun 2021)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
Argentine Forensic Anthropology Team	To provide core support to help EAAF apply forensic anthropology and related sciences to investigations of gross human rights violations. This grant will also help EAAF to: develop and deploy cutting edge investigation tools; establish a training centre; and conduct an institution-wide organisational development process. EAAF deploys forensic sciences to investigate and seek accountability for enforced disappearances and killings. Based in Argentina, EAAF seeks a global reach and has worked in more than 50 countries.	2'500'000.00	Argentina	International Human Rights	Ending impunity for gross human rights violations	2017	35 months (01 Apr 2017-31 Mar 2020)
Memoria Abierta	To strengthen Memoria Abierta's role regionally and internationally by sharing its expertise with communities who have experienced gross violations of human rights. Based in Buenos Aires, Memoria Abierta preserves and disseminates documentation of abuses perpetrated by the military dictatorship in Argentina. It builds support for accountability processes and helps victims achieve social recognition of crimes.	717'807.00	Argentina	International Human Rights	Ending impunity for gross human rights violations	2017	47 months (01 Sep 2017-31 Aug 2021)
Impunity Watch	To support Impunity Watch's efforts to strengthen its functioning, in particular in the areas of communications, monitoring and evaluation and fundraising. Impunity Watch was established in 2008 to promote accountability for gross violations of human rights through the provision of research-based policy advice and advocacy.	531'338.00	Netherlands	International Human Rights	Ending impunity for gross human rights violations	2017	35 months (01 Jan 2018-31 Dec 2020)
Institute for International Criminal Investigations	To provide core support to train human rights activists and non-governmental organisations to investigate and document international crimes. The IICI will raise the capacity of investigators through its residential international investigators courses and other courses developed and delivered in countries where there is a need for these skills. Based in The Hague, the IICI is an international not-for-profit organisation dedicated to providing training in the investigation of genocide, war crimes and crimes against humanity.	494'681.00	Netherlands	International Human Rights	Ending impunity for gross human rights violations	2017	35 months (01 Mar 2017-28 Feb 2020)
Russian Justice Initiative	To provide core support to RJI to protect and assist the victims of human rights violations related to armed conflicts and counter-terrorism operations, as well as torture and gender-based violence in post-Soviet regions. RJI engages in domestic and international litigation and builds the capacity of legal professionals through training, legal consultations, mutually beneficial partnerships and original research and publications on relevant human rights topics in our region.	489'362.00	Netherlands	International Human Rights	Ending impunity for gross human rights violations	2017	36 months (01 Jun 2017-01 Jun 2020)
TrustAfrica	To build a strong anti-impunity movement across Africa by strengthening the capacity of civil society organisations to contribute to transitional justice policy at national level. This grant will also help develop informed and coordinated advocacy strategies to promote international criminal justice at regional and international levels. Through its donor collaborative, the International Criminal Justice Fund, TrustAfrica will develop strategies and build the capacity of organisations working against impunity in Africa.	600'000.00	Senegal	International Human Rights	Ending impunity for gross human rights violations	2017	35 months (01 Apr 2017-31 Mar 2020)
Civitas Maxima	To gather evidence on serious crimes in selected jurisdictions and pursue accountability on behalf of victims in national and international fora. Based in Geneva, Switzerland, Civitas Maxima works in partnership with local groups to document and preserve the accounts of victims and witnesses of grave human rights violations. It also provides support to investigative authorities and represents the interests of victims in subsequent legal proceedings.	490'099.00	Switzerland	International Human Rights	Ending impunity for gross human rights violations	2017	36 months (01 Apr 2017-01 Apr 2020)
TRIAL International	To challenge the impunity of individuals and corporate actors involved in gross human rights violations and secure redress for the victims of these crimes. Based in Switzerland, TRIAL International investigates serious international crimes, brings strategic litigation on behalf of victims and raises public awareness on issues of impunity.	445'545.00	Switzerland	International Human Rights	Ending impunity for gross human rights violations	2017	35 months (01 Jan 2017-31 Dec 2019)
Centre for Studies on Truth, Memory and Justice	To uncover the truth about grave violations of human rights in Turkey, strengthen collective memory of those violations and support survivors and other actors in their pursuit of justice. Based in Istanbul, the Centre works to support civil society. This is done by developing and sharing methodologies, tools and policy recommendations with the aim of achieving better documentation and securing accountability and public recognition of past and ongoing crimes.	600'000.00	Turkey	International Human Rights	Ending impunity for gross human rights violations	2017	35 months (01 Jul 2017-30 Jun 2020)
Business and Human Rights Resource Centre	To support the corporate legal accountability portal, an online database of litigation efforts that seeks to: empower advocates so that they can hold corporates to account; strengthen legal protections to better protect victims of abuse; and drive forward the global debate on accountability for corporate human rights impacts.	450'000.00	United Kingdom	International Human Rights	Ending impunity for gross human rights violations	2017	47 months (01 Apr 2017-31 Mar 2021)
European Human Rights Advocacy Centre	To provide core support to European Human Rights Advocacy Centre to challenge impunity for human rights violations by building the capacity of lawyers in Russia, Ukraine and the South Caucasus to litigate strategic cases before the European Court of Human Rights (ECHR) and other international bodies.	450'000.00	United Kingdom	International Human Rights	Ending impunity for gross human rights violations	2017	36 months (01 Jan 2017-01 Jan 2020)
Rights Watch (UK)	To counter abusive practices and policies that violate fundamental rights, in particular in relation to the measures taken by states in pursuit of national security and in conflict. Rights Watch UK will engage in research, strategic litigation and advocacy, and will organise wider campaigns to mobilise the public.	500'000.00	United Kingdom	International Human Rights	Ending impunity for gross human rights violations	2017	35 months (01 Apr 2017-31 Mar 2020)
Abdorrhaman Boroumand Center for Human Rights in Iran	To preserve memory and to support efforts towards truth, justice and accountability for gross violations of human rights in Iran by maintaining an online memorial to victims of persecution and political violence. ABC promotes human rights awareness about Iran through education and the dissemination of information. It seeks to support the right to justice and public recognition for victims of human rights abuses.	880'000.00	United States	International Human Rights	Ending impunity for gross human rights violations	2017	47 months (01 May 2017-30 Apr 2021)
New Venture Fund	To support the Sage Funds efforts to create in human rights accountability for economic actors by spurring innovation and building greater field capacity in the human rights movement. The New Venture Fund provides philanthropists with an efficient, cost-effective and time-saving platform to design, launch and operate collaborative charitable projects.	600'000.00	United States	International Human Rights	Ending impunity for gross human rights violations	2017	35 months (01 Jan 2018-31 Dec 2020)
SITU Studio	To work with human rights organisations and courts to present evidence more persuasively and effectively through the application of spatial analysis and visualisation. Based in New York City, SITU Research is an arm of an architectural practice that seeks to broaden the toolkit of investigative techniques available to human rights investigations.	300'000.00	United States	International Human Rights	Ending impunity for gross human rights violations	2017	35 months (01 Apr 2017-31 Mar 2020)
The Norwegian Helsinki Committee	To facilitate accountability, truth seeking, preservation of accurate historical memory and reconciliation in the North Caucasus. The project will secure the safekeeping and presentation of records of historical and legal value, including through a public website that mirrors information kept in the confidential online database and promoting it through independent media and social networks.	380'000.00	Norway	International Human Rights	Ending impunity for gross human rights violations	2016	36 months (1 Jun 2016-01.06.2019)
Public Verdict Foundation	To conduct independent investigations and engage in domestic and international litigation on cases of abuse and torture by law enforcement officers, as well as cases of violation of the rights to freedom of assembly, association and opinion in Russia. This grant will also support clients needing psychological and medical therapy, carry out a comprehensive monitoring of police and penitentiary system practices and conduct advocacy to put a spotlight on illegal practices.	600'000.00	Russia	International Human Rights	Ending impunity for gross human rights violations	2016	36 months (1 Jan 2016-1 Jan 2019)
Southern Africa Litigation Centre	To fight impunity for gross human rights violation in Africa and worldwide through strategic litigation. Based in Johannesburg, the Southern Africa Litigation Centre is a not-for-profit organisation that promotes human rights and the rule of law through litigation support and training.	240'000.00	South Africa	International Human Rights	Ending impunity for gross human rights violations	2016	36 months (1 Oct 2016-01.10.2019)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
European Center for Constitutional and Human Rights	To hold perpetrators of serious human abuses to account through conventional or innovative legal means with a view to deterring future abuse, providing justice and redress to those affected and developing the international legal framework against impunity. Based in Berlin, ECCHR works with partners around the world on international crimes and accountability and business and human rights, and runs a significant training programme for young lawyers.	691489.00	Worldwide	International Human Rights	Ending impunity for gross human rights violations	2016	36 months (1 Apr 2016-01.04.2019)
Center for Civilians in Conflict	To influence governments, international organisations and armed actors in conflict around the world to implement effective harm mitigation policies for civilians. This grant will also support CIVIC to establish the making of amends for collateral damage as a regular feature in the conduct of hostilities.	495000.00	Worldwide	International Human Rights	Ending impunity for gross human rights violations	2016	36 months (1 Aug 2016-31.07.2019)
Center for Justice and International Law	To contribute to the full enjoyment of human rights in the Americas through the effective use of the tools of the Inter-American System of Human Rights. The Center for Justice and International Law was established in 1991 by a group of prominent Latin American Human Rights Defenders seeking to improve the regional human rights situation through the use of international law.	1'000'064.00	Worldwide	International Human Rights	Ending impunity for gross human rights violations	2016	36 months (1 May 2016-30.04.2019)
Centre for Research Architecture, Goldsmiths College	To support the development of forensic architecture techniques and their application to a range of human rights violations. Forensic Architecture is a research project and consultancy agency based at Goldsmiths, University of London.	413'194.00	Worldwide	International Human Rights	Ending impunity for gross human rights violations	2016	36 months (1 Oct 2016-30.09.2019)
Videre	To document and expose human rights violations and other systemic abuses in some of the world's most oppressive and violent regimes. Videre builds sustainable activist networks, gives them the equipment and training necessary to document abuses safely and effectively, and shares this footage with key stakeholders that can effect change.	1'074'627.00	Worldwide	International Human Rights	Ending impunity for gross human rights violations	2016	48 months (1 Apr 2016-31.03.2020)
University of California Berkeley	To support the Human Rights Center at UC Berkeley School of Law to conduct research on war crimes and serious violations of international law in order to improve conditions for survivors and prevent future violence. Using scientific methods and innovative technologies, it will support efforts to hold perpetrators accountable and protect vulnerable populations. It will also train students and advocates to document human rights violations and turn this information into effective action.	450'000.00		International Human Rights	Ending impunity for gross human rights violations	2015	35 months (1 May 2015-30 Apr 2018)
Conectas	To help Conectas continue to defend and promote the realisation of human rights and contribute to the consolidation of the rule of law in the Global South. Specific objectives include: combatting institutional violence; strengthening democratic space in the Global South; and protecting socio-environmental rights in development.	1'086'792.00	Brazil	International Human Rights	Freedom from arbitrary detention and torture	2018	35 months (1 Aug 2018-31 Jul 2021)
National Law University	To ensure equal justice for all in India by ensuring full respect for due process guarantees in the operation of the criminal justice system. This will be done by supporting the efforts of Project 39A, which is based at the National Law University, Delhi.	615'385.00	India	International Human Rights	Freedom from arbitrary detention and torture	2018	35 months (1 Jan 2019-31 Dec 2021)
Civic Assistance Committee for refugees and forced migrants	To provide core support to assist Civic Assistance Committee for Refugees and Forced Migrants in Russia to build capacity in communications and fundraising. The aim is to garner broader public support and achieve financial sustainability.	250'000.00	Russia	International Human Rights	Freedom from arbitrary detention and torture	2018	24 months (1 Sep 2018-1 Sep 2020)
Willow Association	To seek the absolute prohibition of torture in Russia through: independent investigation of torture cases, domestic and international litigation; advocacy and public campaigns to mobilise supporters and educate the broader public about torture; and public monitoring mechanisms.	500'000.00	Russia	International Human Rights	Freedom from arbitrary detention and torture	2018	35 months (1 Oct 2018-30 Sep 2021)
Detention Action	To provide core support for DA efforts to reform immigration detention at individual and policy levels. DA supports people to defend their rights, providing support and casework to detained migrants. In parallel it campaigns, lobbies and litigates for systemic change to the UK detention system, calling in particular for a time-limit on indefinite detention.	460'000.00	United Kingdom	International Human Rights	Freedom from arbitrary detention and torture	2018	35 months (1 Sep 2018-31 Aug 2021)
European Network on Statelessness	To support ENS, a civil society alliance of non-governmental organisations, academic initiatives and individual experts, to ensure that stateless persons can secure adequate protection. ENS is dedicated to strengthening the often unheard voices of stateless persons in Europe, and to advocating for their human rights. It does this by conducting and supporting legal and policy development, awareness raising and capacity building activities.	250'000.00	United Kingdom	International Human Rights	Freedom from arbitrary detention and torture	2018	35 months (1 Apr 2018-31 Mar 2021)
Helen Bamber Foundation	To deliver and promote a compassionate, holistic and effective response to survivors of human rights abuses. Based in London, Helen Bamber Foundation is a human rights charity working with asylum seekers, survivors of torture, human trafficking, and other forms of extreme human cruelty.	600'000.00	United Kingdom	International Human Rights	Freedom from arbitrary detention and torture	2018	36 months (1 Aug 2018-1 Aug 2021)
Medical Justice	To provide core support to Medical Justice, based in London, which focuses on ending medical mistreatment of detainees. In addition, Medical Justice facilitates their access to appropriate healthcare and deploys research, policy analysis and litigation to campaign for an end to immigration detention.	220'000.00	United Kingdom	International Human Rights	Freedom from arbitrary detention and torture	2018	35 months (1 Sep 2018-31 Aug 2021)
Fair Trials International	To promote and protect the fundamental rights of people facing criminal charges around the world, with a particular focus on Europe. Fair Trials works to ensure that fair trial rights are respected by: helping people to understand and exercise their fair trial rights; building a network of fair trial defenders; and fighting the underlying causes of injustice through research, policy and campaigning.	960'000.00	Worldwide	International Human Rights	Freedom from arbitrary detention and torture	2018	35 months (1 Jul 2018-30 Jun 2021)
Human Dignity Trust	To end persecution of the LGBT community in countries where consensual same-sex sexual relations are criminalised. The Human Dignity Trust is a London-based charity that provides free technical legal assistance to local activists and lawyers for test-case litigation. It also provides technical assistance for local media and communications strategies around litigation.	400'000.00	Worldwide	International Human Rights	Freedom from arbitrary detention and torture	2018	35 months (1 Jun 2018-31 May 2021)
International Detention Coalition	To ensure that the human rights of refugees, asylum seekers and migrants impacted by immigration detention are respected, protected and fulfilled. IDC seeks to bring about changes in legislation, policy and practice that: prevent, mitigate and respond to the harms associated with immigration detention; and promote alternatives to detention. It works through: network and capacity building; advocacy; awareness-raising and campaigns; and research and reporting.	1'110'453.00	Worldwide	International Human Rights	Freedom from arbitrary detention and torture	2018	35 months (1 Sep 2018-1 Aug 2021)
International Legal Foundation	To support the operations of the New York headquarters of the International Legal Foundation in its efforts to increase awareness of the global crisis in indigent defence. This grant will support the ILF to: develop best practices and lessons learned for the delivery of accessible, effective, sustainable and credible legal aid; and encourage greater funding for legal aid activities. The ILF assists post-conflict and transitional countries in establishing public defender systems that provide effective, quality criminal defence services for the poor.	1'350'000.00	Worldwide	International Human Rights	Freedom from arbitrary detention and torture	2018	35 months (1 Aug 2018-31 Jul 2021)
Omega Research Foundation	To prevent torture and ill-treatment by: strengthening legal frameworks that control the trade in torture technologies; increasing knowledge among governments and opinion shapers; and enhancing the ability of torture prevention bodies and civil society to monitor, document and report on torture and the technology used.	240'000.00	Worldwide	International Human Rights	Freedom from arbitrary detention and torture	2018	35 months (1 Apr 2018-31 Mar 2021)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
Platform for International Cooperation on Undocumented Migrants	To seek improvements in EU policy, legislation and national level practice, in regard to undocumented migrants. This is in particular related to alternatives to detention and non-detention of children, and includes changes in perceptions regarding the feasibility of mass deportations and the need to increase pathways to regularity. With a rights-based approach, PICUM drives evidence and expertise on undocumented migrants in Europe. It achieves this by leading an interdisciplinary network of practitioners, service-providers and undocumented migrants in trans-national exchanges, capacity building, research and policy engagement.	319'149.00	Belgium	International Human Rights	Freedom from arbitrary detention and torture	2017	35 months (01 Jan 2018-31 Dec 2020)
Hungarian Helsinki Committee	To reduce arbitrary detention and ill treatment in the context of immigration/asylum procedures and the criminal justice system in Hungary. The grant will also support the HHC's efforts to push against regressive reforms that limit civic activism in Hungary. Based in Budapest, the HHC is one of the leading human rights watchdogs in Hungary and Central Europe.	650'000.00	Hungary	International Human Rights	Freedom from arbitrary detention and torture	2017	35 months (01 Jan 2018-31 Dec 2020)
Coalizione Italiana Liberta e Diritti Civili	To support a coalition of Italian non-governmental organisations working to improve immigrant and refugee rights, criminal justice, equality, national security and privacy rights. The Coalition will pursue these objectives through strategic litigation, legal representation of individual asylum seekers, lobbying, press advocacy and monitoring of detention centres.	436'170.00	Italy	International Human Rights	Freedom from arbitrary detention and torture	2017	35 months (01 Jan 2017-31 Dec 2019)
Global Detention Project	To ensure that asylum seekers, undocumented migrants and refugees are treated with dignity and respect when in official custody. The Global Detention Project works to improve transparency in the treatment of detainees, encourage adherence to fundamental norms, reinforce advocacy aimed at reforming detention practices and promote scholarship and comparative analysis of immigration control regimes.	250'000.00	Switzerland	International Human Rights	Freedom from arbitrary detention and torture	2017	24 months (01 Mar 2017-01 Mar 2019)
Organisation Mondiale Contre la Torture	To strengthen OMCT's communications and network capacity and increase the effectiveness, visibility and reach of its advocacy in the fight against torture. OMCT is a Geneva-based international network that aims to uphold the prohibition of torture by mobilising national and international support for the prevention of torture and the protection of victims of torture.	594'059.00	Switzerland	International Human Rights	Freedom from arbitrary detention and torture	2017	35 months (01 Oct 2017-30 Sep 2020)
American University Washington College of Law	To support the efforts of the Anti-Torture Initiative (ATI) to uphold the international prohibition on torture, through a programme of research, advocacy, education and technical assistance. The ATI is part of the Centre for Human Rights and Humanitarian Law, American University Washington College of Law.	210'000.00	United States	International Human Rights	Freedom from arbitrary detention and torture	2017	35 months (01 Jun 2017-31 May 2020)
Anti-Discrimination Memorial Brussels	To protect migrants and stateless people in Russia from arbitrary arrest, detention and other threats to their liberty and security. This will be done through legal casework, strategic litigation and policy advocacy in the detention centres of St. Petersburg and Leningrad region.	300'000.00	Belgium	International Human Rights	Freedom from arbitrary detention and torture	2016	36 months (1 Feb 2016-1 Feb 2019)
Brazil Fund for Human Rights	To support the work of the Brazil Fund for Human Rights in its efforts to promote respect for human rights in Brazil, in particular to assist the Fund in strengthening its communications capacity and to support civil society organisations working in the area of criminal justice in Brazil.	2'488'173.00	Brazil	International Human Rights	Freedom from arbitrary detention and torture	2016	36 months (1 Dec 2016-30.11.2019)
Bulgarian Helsinki Committee	To provide core support to the BHC in support of its efforts to improve respect for human rights in Bulgaria, with a particular focus upon the rights of individuals in closed institutions. The BHC was established in 1992 as an independent non-governmental organisation for the protection of human rights.	447'737.00	Bulgaria	International Human Rights	Freedom from arbitrary detention and torture	2016	36 months (1 May 2016-30.04.2019)
International Rehabilitation Council of Torture Victims	To provide financial assistance to rehabilitation centres in low- and middle-income countries and in acute financial need. The IRCT is a global network of 157 rehabilitation centres with a secretariat in Copenhagen.	1'394'681.00	Denmark	International Human Rights	Freedom from arbitrary detention and torture	2016	36 months (1 Jul 2016-30.06.2019)
Commonwealth Human Rights Initiative	To support the policing and prisons programmes with a focus on improving relevant legal and procedural rights, and improving detention oversight mechanisms with a view to reducing undue and prolonged pre-trial detention. CHRI was established in 1987 to promote awareness of human rights by the Commonwealth and its member states. Based in New Delhi, India, it has four programmes: the right to information, police reforms; prison reforms; and strategic initiatives.	608'221.00	India	International Human Rights	Freedom from arbitrary detention and torture	2016	36 months (1 Sep 2016-31.08.2019)
Asia Justice and Rights	To support victims of torture in Burma to develop strategies for healing and recovery and empower them to gain justice and reparations. AJAR is a regional organisation working to increase the capacity of local and national actors in the fight against impunity in Asia.	240'000.00	Indonesia	International Human Rights	Freedom from arbitrary detention and torture	2016	36 months (1 Jul 2016-01.07.2019)
Bail for Immigration Detainees	To challenge immigration detention in the UK through the provision of legal advice, information and representation to people held in immigration detention. BID is an independent charity that provides a free bail service to detainees, including representation, legal advice, advocacy and policy work.	320'896.00	United Kingdom	International Human Rights	Freedom from arbitrary detention and torture	2016	36 months (1 Aug 2016-01.08.2019)
Heartland Alliance	To promote the human rights of immigrants, refugees and asylum seekers, particularly those deprived of their liberty in immigration detention. Heartland Alliance's National Immigrant Justice Center uses a multi-faceted approach of alliance-building, policy advocacy, impact litigation and strategic communications to reduce harsh enforcement practices and the number of immigrants in detention, improve detention conditions and ensure due process protections.	900'000.00	United States	International Human Rights	Freedom from arbitrary detention and torture	2016	36 months (1 Jul 2016-01.07.2019)
NEO Philanthropy	To support the work of the Four Freedoms Fund donor collaboratives, including grant-making, convening and strategising to build a more effective and connected US immigrant rights field. Participation will focus on the Funds Response to Harsh Enforcement Initiative, seeking to reduce the number of immigrants detained, deported and separated from their families, and to ensure enforcement policies and practices respect human rights and are accountable and fair.	1'500'000.00	United States	International Human Rights	Freedom from arbitrary detention and torture	2016	36 months (1 Sep 2016-01.09.2019)
Death Penalty Project Ltd	To promote and protect the human rights of people sentenced to the death penalty, in particular by challenging the arbitrary imposition of the death penalty resulting from the violation of due process guarantees. The DPP provides free legal representation and assistance to people facing the death penalty and seeks to promote its restriction in line with international minimum legal requirements.	447'761.00	Worldwide	International Human Rights	Freedom from arbitrary detention and torture	2016	60 months (1 Mar 2016-28.02.2021)
European Council on Refugees and Exiles	To support the work of the ECRE, a network of over 90 non-governmental organisations in 38 European countries working to protect and advance the rights of refugees, asylum seekers and displaced persons. All ECREs member organisations work on behalf of refugees and/or promote a humane asylum policy in European policies and practice.	414'894.00	Worldwide	International Human Rights	Freedom from arbitrary detention and torture	2016	36 months (1 Jul 2016-30.06.2019)
Women's Refugee Commission	To ensure that every migrant in the US, particularly women, children and families, have full access to legal protection and safety as provided by the Refugee Convention and international human rights standards. WRC's Migrant Rights and Justice Program monitors immigration detention facilities' conditions, undertakes advocacy based on policy and legal reviews and research into Alternatives to Detention, and provides technical assistance to federal agencies and community organisations.	500'000.00	Worldwide	International Human Rights	Freedom from arbitrary detention and torture	2016	36 months (1 Oct 2016-01.10.2019)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
Network of European Foundations	To enable the European Programme for Integration and Migration (EPIM) to support and strengthen civil society organisations active on migration and integration issues at the European level. Through grant-making, capacity building and convening, EPIM seeks to uphold European commitments to human rights and social justice, ensuring the dignity of all people in the EU; promote principled, pragmatic approaches to EU-level and national policies on migration and integration; and influence EU policies and their national implementation.	1'071'000.00		International Human Rights	Freedom from arbitrary detention and torture	2015	36 months (1 Jan 2016-1 Jan 2019)
NEO Philanthropy	To support the operation of Open for Business's Local Influencer Programme in Kenya. Open for Business is a coalition of 26 of the world's largest multinational corporations working to promote LGBT rights globally. Based in New York City, NEO Philanthropy is a funder intermediary with 30 years of experience helping not-for-profit organisations build movements for justice, equity and dignity.	70'000.00	Kenya	International Human Rights	Other	2018	12 months (1 Jun 2018-1 Jun 2019)
Foundation for the Rights of Disadvantaged Populations (FRDP)	To advance the rights of refugees and other people in need of protection in Asia-Pacific through capacity building, joint-advocacy and knowledge sharing. APRRN is a network of over 350 civil society organisations covering 28 countries. It works collectively to exert influence as a regional stakeholder in relevant policy dialogues, builds the capacity of national members and engages in advocacy to address asylum practice, immigration detention, statelessness, ill-treatment and other issues undermining the rights of refugees and vulnerable migrants.	250'000.00	Worldwide	International Human Rights	Other	2018	36 months (1 Jul 2018-1 Jul 2021)
People in Need	To provide a robust "safety net" for human rights defenders and victims of human rights violations pursuing redress in Russian courts. This will be done by: emergency relocation; individual and group rehabilitation sessions; and advocacy work.	250'000.00	Worldwide	International Human Rights	Supporting and protecting human rights defenders	2018	23 months (1 Oct 2018-30 Sep 2020)
Earth Rights International	To work in partnership with communities and civil society organisations in Myanmar in defence of human rights and the environment through public advocacy, public policy and legal interventions. ERI is a not-for-profit organisation that combines the power of law and the power of people to defend human rights and the environment.	500'000.00	Myanmar	International Human Rights	Supporting and protecting human rights defenders	2018	35 months (1 Sep 2018-31 Aug 2021)
Tharhi Myay Foundation	To promote human rights and social justice in Myanmar through grant-making and capacity-building support to grassroots organisations. Tharhi Myay Foundation (TMF) has three programme areas: Human Rights and Legal Education; Gender Rights; and Inclusive Education (with a cross-cutting focus on individual rights). TMF assists local groups across the country to build collaborative platforms and strong networks to advocate for change at the national and regional levels.	3'000'000.00	Myanmar	International Human Rights	Supporting and protecting human rights defenders	2018	36 months (1 Jan 2018-1 Jan 2021)
Legal Company	To provide expert legal advice to Russian not-for-profit organisations to ensure compliance with current laws regulating their activities. This grant will also enhance the legal literacy of the leadership and staff of not-for-profit organisations in Russia.	250'000.00	Russia	International Human Rights	Supporting and protecting human rights defenders	2018	24 months (1 Jan 2018-1 Jan 2020)
P&B Group	To provide up to 22 international-standard financial audits of international Human Rights Programme grantees in Russia.	203'632.00	Russia	International Human Rights	Supporting and protecting human rights defenders	2018	24 months (1 Jan 2018-1 Jan 2020)
Access Now	To defend and extend the digital rights of users at risk around the world and support Access Now in achieving philanthropic independence. With offices around the world, Access Now will advance its work through direct technical support, comprehensive policy engagement, global advocacy, grassroots grant-making, and convening such as Rights Con. It will also establish a development team to realise its growth plans.	1'200'000.00	Worldwide	International Human Rights	Supporting and protecting human rights defenders	2018	35 months (1 Jun 2018-31 May 2021)
Fortify Rights	To prevent and remedy human rights violations in Myanmar and neighbouring states. This will be done by investigating abuses, highlighting findings and providing technical support to strengthen organisations and communities advocating for change. Fortify Rights seeks to achieve human rights-based solutions, influence decision-makers and support local responses to end abuses.	600'000.00	Worldwide	International Human Rights	Supporting and protecting human rights defenders	2018	35 months (1 Jul 2018-30 Jun 2021)
HURIDOCS	To partner with human rights organisations and international human rights institutions in Eastern Europe and Eurasia, the Middle East, North Africa, Asia, sub-Saharan Africa and North America. This support aims to improve its information management practices through training on documentation practices and providing software solutions tailored to its data entry and analysis needs.	612'245.00	Worldwide	International Human Rights	Supporting and protecting human rights defenders	2018	35 months (1 Jul 2018-30 Jun 2021)
Munk School of Global Affairs, University of Toronto	To produce evidence-based research on targeted digital threats against civil society groups and build their capacity to recognise and respond to these threats. Based at the Munk School of Global Affairs at the University of Toronto, Citizen Lab focuses on research, development and high-level strategic policy and legal engagement at the intersection of information and communication technologies, human rights and global security.	450'000.00	Worldwide	International Human Rights	Supporting and protecting human rights defenders	2018	35 months (1 Aug 2018-31 Jul 2021)
Protection International	To build a safer environment for human rights defenders in Asia, Africa and Latin America by enhancing their security strategies where they are most at risk. PI implements comprehensive protection programmes, tailored to specific contexts, encompassing complementary strategies of capacity building, advocacy, research, publications and media tools. PI seeks to empower local defenders, increasing their capacity to manage their protection and security.	714'286.00	Worldwide	International Human Rights	Supporting and protecting human rights defenders	2018	36 months (1 Jun 2018-1 Jun 2021)
CEELI Institute	To support the efforts of the Russian bar to increase its professional competencies, through research and professional opportunities in Prague.	245'000.00	Czech Republic	International Human Rights	Supporting and protecting human rights defenders	2017	23 months (01 Jul 2017-30 Jun 2019)
Tactical Technology Collective	To provide core support to the Tactical Technology Collective to advance the skills, tools and techniques of human rights activists. Based in Berlin, it supports human rights defenders both remotely and directly to protect their privacy, safeguard their security, use information and technology more effectively for social change, and expand their digital toolboxes.	702'128.00	Germany	International Human Rights	Supporting and protecting human rights defenders	2017	35 months (01 Aug 2017-31 Jul 2020)
European Center for Not for Profit Law	To work with partners to empower civil society organisations to counter attacks on their operating space and freedom of association, assembly and expression, inspired by counter-terrorist financing and anti-money laundering (CTF/AML) policies, including those related to the Financial Action Task Force (FATF). ECNL will work to build expertise and produce guidelines around standards for CSOs to deploy at country level, and seek to improve CTF/AML global policy and processes so that they are both effective and rights-respecting.	249'984.00	Hungary	International Human Rights	Supporting and protecting human rights defenders	2017	24 months (01 Sep 2017-01 Sep 2019)
Legal and Social Support Charity Foundation "Sphere"	To provide core support to the Russian LGBT Network "Sphere"	300'000.00	Russia	International Human Rights	Supporting and protecting human rights defenders	2017	36 months (01 Feb 2017-01 Feb 2020)
Privacy International	To challenge new forms of state surveillance, the transfer of surveillance capabilities across borders and the exploitation of data that threatens the security and safe operating of civil society. Privacy International generates awareness raising through investigative reports, policy papers, and recommendations for best practice in surveillance policies. It will investigate and document practices of the surveillance industry and exports of commercial surveillance technology globally. Privacy International is committed to fighting for the right to privacy around the world and prioritises capacity building of individuals and groups in the Global South.	375'000.00	United Kingdom	International Human Rights	Supporting and protecting human rights defenders	2017	35 months (01 Feb 2017-31 Jan 2020)
The Engine Room	To consolidate the organisational development of the Engine Room and expand its support to human rights activists to integrate data and technology safely and effectively into their work. Based in locations around the world, the Engine Room also conducts applied research on the role of technology in advocacy, producing research and tools on the use of data by non-governmental organisations.	450'000.00	United States	International Human Rights	Supporting and protecting human rights defenders	2017	35 months (01 Jun 2017-29 May 2020)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
Witness Inc	To support the implementation of WITNESS' new expanded strategy over the next 18 months and assist in its regionalisation process. For more than two decades, WITNESS has made an impact by combining cutting-edge innovation with unique expertise in human rights to build the capacity of activists to expose abuses through the safe and effective use of video.	400'000.00	United States	International Human Rights	Supporting and protecting human rights defenders	2017	17 months (01 Aug 2017-31 Jan 2019)
Heartland Alliance	To provide small grants and technical assistance to grassroots LGBTI groups in West Africa. The Global Initiative for Human Rights is a re-granter that supports documentation and advocacy, provides capacity building and leadership development in order to build stronger LGBTI movements, and create favourable conditions for decriminalisation of same-sex relationships.	475'000.00	Western Africa	International Human Rights	Supporting and protecting human rights defenders	2016	36 months (1 May 2016-30.04.2019)
Front Line	To provide direct assistance to human rights defenders at risk worldwide. This will be done through: a 24/7 emergency support service (relocation, legal and medical emergency grants); capacity building to improve defenders security (personal/organisational and digital security workshops at local and regional levels, networking, including through Dublin Platform convening); international advocacy; and visibility.	638'298.00	Worldwide	International Human Rights	Supporting and protecting human rights defenders	2016	36 months (1 Jul 2016-01.07.2019)
Open Briefing	To provide core support for Open Briefing; to establish new business areas including a security unit, a training unit, and the development and expansion of the existing intelligence unit; to provide up to eight subsidised assignments to IHRP grantees addressing security training and threat assessments. Open Briefing seeks to keep those striving to make the world a better place safe and informed.	231'343.00	Worldwide	International Human Rights	Supporting and protecting human rights defenders	2016	36 months (1 May 2016-31.05.2019)
OutRight Action International	To advance development of LGBTI rights at the UN; to domesticate those gains at the national level; to pursue comprehensive capacity building of LGBTI groups in the Caribbean; to minimise violence directed towards the same Caribbean groups through training of police and law enforcement officials.	660'000.00	Worldwide	International Human Rights	Supporting and protecting human rights defenders	2016	36 months (1 Jul 2016-30.06.2019)
Parliamentarians for Global Action	To mobilise and amplify influential parliamentary voices supporting the enactment of anti-discrimination legislation and the repeal of laws criminalising same-sex relationships. This grant will also support the ratification and domestic implementation of the Rome Statute of the International Criminal Court and support the institutional development of Parliamentarians for Global Action.	450'000.00	Worldwide	International Human Rights	Supporting and protecting human rights defenders	2016	36 months (1 Apr 2016-31.03.2019)
Iniciativa Mesoamericana de Mujeres Defensoras de Derechos Humanos	To provide core support to IM-Defensoras, a local-to-regional alliance of six organisations and five national networks of women human rights defenders (WHRDs) based in Mesoamerica. Together, this alliance seeks to build and support networks and coordination efforts among WHRDs from diverse social movements and causes in the region. Since its establishment in 2010, IM-Defensoras has supported activists in El Salvador, Guatemala, Honduras, Mexico and Nicaragua.	900'000.00	Central America	Issues Affecting Women		2018	47 months (1 Jan 2019-31 Dec 2022)
TRAG Foundation	To strengthen women's civil society organisations, groups and movements working to end violence against women in Bosnia and Herzegovina, Serbia and Montenegro. Trag will manage grant-making and reporting for grantees that are building movements and addressing intimate partner violence, trafficking and exploitation in the Issues Affecting Women Programmes Balkans portfolio. Trag will also provide grantees with strong tailor-made capacity building, mentoring and accompaniment.	679'253.00	Eastern Europe	Issues Affecting Women		2018	35 months (1 Mar 2018-28 Feb 2021)
Free Yezidi Foundation	To provide core funding to the Free Yezidi Foundation which delivers holistic care to Yezidi women and children that are survivors of ISIS violence in Iraq. In addition, Free Yezidi Foundation works to: secure justice for Yezidi survivors in national courts and tribunals; advocate for justice for Yezidi survivors and liberation of women and children still held by ISIS and raise awareness and advocate for ethical, sustainable, community-led and women-led responses for Yezidi survivors. Free Yezidi Foundation is a civil society organisation operating in Iraq.	450'000.00	Iraq	Issues Affecting Women		2018	35 months (1 Jun 2018-31 May 2021)
East Europe Foundation	To support East Europe Foundation (EEF) Moldovato strengthen civil society organisations, groups and movements that are working to end violence against women and children in Moldova. EEF partners with Oak Foundations Issues Affecting Women and Prevent Child Sexual Abuse Programmes by facilitating its grant-making to grassroots women organisations, providing services to victims of domestic violence and working to change norms related to family violence.	1'050'000.00	Moldova	Issues Affecting Women		2018	35 months (1 May 2018-30 Apr 2021)
Peacebuilding UK	To empower vulnerable and marginalised young women and girls in Russia's North Caucasus through life skills courses. These courses build self-confidence, well-being, knowledge on health, rights, economic independence and personal development. The programme also builds a movement of strong women's civil society organisations by strengthening collaboration and technical specialisation of local women and youth organisations.	600'000.00	Russia	Issues Affecting Women		2018	35 months (1 Mar 2018-28 Feb 2021)
Association Découvrir	To provide information, orientation and guidance to qualified migrant women in Geneva, Switzerland, to help them improve their employment prospects in professions that correspond to their experience and qualifications. This grant will also deliver a fellowship programme in partnership with IAWP that gives migrant woman a chance to work for Oak's Issues Affecting Women Programme for 12 months.	246'939.00	Switzerland	Issues Affecting Women		2018	24 months (18 Sep 2018-18 Sep 2020)
Fraueninformationszentrum	To provide core support for FIZ's Makasanti-trafficking programme. This will be done by: supporting victims of trafficking with legal and psychological counselling and shelter; training law enforcement and social services staff; advocating to improve the legal framework and ensure publicly financed support services; and building coalitions with other Swiss, European and International anti-trafficking organisations. FIZ is the oldest specialised anti-trafficking organisation in the German-speaking region of Switzerland.	489'796.00	Switzerland	Issues Affecting Women		2018	42 months (1 Jun 2018-31 Dec 2021)
Imkaan	To support Imkaan, a network of 34 organisations working to end violence against black and minority women in the UK. This grant will support efforts to ensure the sustainability of vital, life-saving specialist support services and contribute to systemic change in the UK.	450'000.00	United Kingdom	Issues Affecting Women		2018	35 months (1 Apr 2018-31 Mar 2021)
Surviving Economic Abuse	To enable Surviving Economic Abuse (SEA), based in the UK, to expand its work of raising awareness about economic abuse. The outcome of SEA's work will ensure that the general public have an understanding of economic abuse and service providers are able to help victims and survivors. SEA's vision is a world in which women and girls achieve economic equality and are able to live their lives free of abuse and exploitation.	70'000.00	United Kingdom	Issues Affecting Women		2018	8 months (2 Apr 2018-31 Dec 2018)
x:talk	To provide core support to x:talk to enable it to continue mobilising and empowering sex workers in the UK and globally to improve their working lives. This grant will also support sex workers to challenge the laws and stigma that place them at risk of violence and exploitation. X:talk is a grassroots sex worker-led cooperative that provides peer support services to migrant sex workers. It is active in the struggle for sex workers and migrant workers in the UK and globally.	296'000.00	United Kingdom	Issues Affecting Women		2018	59 months (1 Jun 2018-31 May 2023)
Girl Be Heard	To provide core support to GBH to help develop, amplify and celebrate the voices of young women and girls through theatre, story-telling and education. This grant will also enable GBH to strengthen its organisational policies, procedures and sustainability. GBH works to engage at-risk youth in dialogue about social justice issues affecting their communities - from gun violence to sex trafficking.	480'000.00	United States	Issues Affecting Women		2018	47 months (1 Jul 2018-30 Jun 2022)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
Association for Progressive Communications (APC)	To provide unrestricted programme support to the Association for Progressive Communications Women's Rights Programme. This will support its long-term goal of ensuring that women and queer persons-in all their diversity-are able to: access and enjoy free and open internet; build collective power; strengthen movement-building work; and transform power relations for gender and sexual justice.	450'000.00	Worldwide	Issues Affecting Women		2018	35 months (1 Jun 2018-31 May 2021)
Impact Mapper, PBC	To finalise the Impact Mapper platform and assist the development of a monitoring, evaluation, learning and communications system for Oaks Issues Affecting Women Programme. This grant also aims to train staff, grantees and evaluators to collect data which will analyse and communicate the results and impact they are helping create.	624'000.00	Worldwide	Issues Affecting Women		2018	35 months (1 Feb 2018-31 Jan 2021)
International Committee on the Rights of Sex Workers in Europe	To empower sex workers in Europe to become an active part of the response to trafficking and exploitation in the sex industry. Sex workers have been historically excluded from the European anti-trafficking movement. This grant aims to build their capacities and advocate for their inclusion in policy debates. The ICRSE is a network of sex worker organisations and their allies working for policies and practice that respect and uphold the human and labour rights of sex workers throughout Europe and Central Asia.	303'950.00	Worldwide	Issues Affecting Women		2018	23 months (1 Sep 2018-31 Aug 2020)
Just Associates (JASS)	To provide core support to JASS, a multi-regional and locally led women's human rights network, enabling it to continue to strengthen and amplify the voice, visibility and collective power of women in Southeast Asia, Southern Africa, and Mesoamerica. Specifically, JASS accompanies and strengthens the leadership capacity and movement strategy of grassroots women in mixed organisations and movements to centre women's and feminist agendas and perspectives in broad movements for equality, democracy, and social, political and environmental justice.	800'000.00	Worldwide	Issues Affecting Women		2018	47 months (1 Jul 2018-30 Jun 2022)
MADRE	To provide core support to MADRE to enable it to continue to support community-based women's groups worldwide facing war, disaster and injustice. MADRE will meet urgent needs in communities and build lasting solutions to the crises women face.	1'700'000.00	Worldwide	Issues Affecting Women		2018	35 months (1 Nov 2018-31 Oct 2021)
Mama Cash	To support Red Umbrella Fund to strengthen sex worker organisations to contribute to laws, policies and practices that end the criminalisation, exploitation and trafficking of sex-workers around the world. Red Umbrella Fund is a global fund managed by and for sex-workers. It is hosted by Mama Cash, an international women's fund that supports women's rights initiatives around the globe to challenge the root causes of injustice.	408'333.00	Worldwide	Issues Affecting Women		2018	47 months (1 Jul 2018-30 Jun 2022)
Social Good Fund	To enable Social Good Funds project Fearless Collective to elevate the presence of people (primarily women) who have been historically misrepresented and denied access to public spaces and social movements. Using public art and participative storytelling, Fearless seeks to create and reclaim spaces with these communities. Fearless is a growing global network of young artists and activists.	225'000.00	Worldwide	Issues Affecting Women		2018	36 months (1 Jun 2018-1 Jun 2021)
WIDE+	To support WIDE+ to build feminist movements in Europe in response to current political, social and economic developments. WIDE+ strives for rights-based societies in which all people have the power to control assets and resources, to influence decisions affecting their lives and livelihoods, to decide over their own bodies and lives and develop their full potential.	150'000.00	Worldwide	Issues Affecting Women		2018	35 months (1 Aug 2018-31 Jul 2021)
Women Deliver	To provide core support to Women Deliver, a global advocate for gender equality and the health, rights and wellbeing of girls and women. Women Deliver brings together diverse voices to drive progress for all, including on maternal, sexual and reproductive health and rights. Women Deliver builds capacity, shares solutions and forges partnerships to create coalitions and catalyse actions that spark political commitment and investment in girls and women.	400'000.00	Worldwide	Issues Affecting Women		2018	23 months (1 Aug 2018-31 Jul 2020)
Women Win	To support Win-Win Strategies to connect the power of business with women's funds and organisations to economically empower women globally. Win-Win Strategies works with and for women's funds, women's local organisations and companies to create meaningful partnerships and practical business initiatives for women.	450'000.00	Worldwide	Issues Affecting Women		2018	35 months (1 Oct 2018-30 Sep 2021)
Women's Link Worldwide	To provide core support to continue using the power of law to promote social change that advances the human rights of women and girls. Women's Link takes the law beyond the courtroom by: strengthening the human rights infrastructure; shaping public debates; and contributing to social movements that transform society and guarantee women's and girls rights. Women's Link uses legal, communications and mobilisation strategies to work across three themes: reproductive rights, violence and discrimination.	390'000.00	Worldwide	Issues Affecting Women		2018	35 months (1 Apr 2018-31 Mar 2021)
World Pulse	To maintain and grow an online social network connecting women worldwide so they can create positive change in their communities and thrive. World Pulse harnesses the power of technology to unite women - both online and off - to be heard, to share resources, launch movements, start businesses, run for office, or courageously tell their story.	225'000.00	Worldwide	Issues Affecting Women		2018	35 months (1 Oct 2018-30 Sep 2021)
WAVE Network	To provide core support to the WAVE Network to provide advice, research, mobilisation and capacity building support to women's organisations in 46 European countries, that provide services to women and children who are experiencing gender based violence. WAVE is a formal network of European women's non-governmental organisations that are working towards ending violence against women and children across Europe.	450'000.00	Austria	Issues Affecting Women		2017	35 months (01 Jan 2018-31 Dec 2020)
ELAS Social Investment Fund	To provide core support to Elias Social Investment Fund, enabling it to make progress towards its key strategic priorities to strengthen Brazilian women's movements. It will also use the core funds to strengthen its own institutional practices. Elias is the first and only fund in Brazil focused exclusively on supporting women's rights organisations. Its grant-making is concentrated on five priority areas: sexual autonomy; ending violence against women; care among activists; gender equality in education; and strengthening feminist movements.	453'000.00	Brazil	Issues Affecting Women		2017	35 months (01 Nov 2017-31 Oct 2020)
Gender Alternatives Foundation	To affirm and promote women's rights and gender equality in Plovdiv, Bulgaria and more widely in the country, by providing rights-based services to women victims of violence. This support includes counselling, legal representation and strategic litigation. GAF provides quality legal services to women victims of violence in Bulgaria.	150'000.00	Bulgaria	Issues Affecting Women		2017	35 months (01 Jul 2017-30 Jun 2020)
The MATCH International Women's Fund	To support innovative grassroots women's organisations that lead movements for transformative change to: dismantle barriers, change systems, challenge perceptions and transform society. MATCH is an international women's fund based in Canada. It works to mobilise resources and provide funding to grassroots women's organisations in the Global South. It aims to strengthen their capacity, support connecting and networking, and build relationships.	300'000.00	Canada	Issues Affecting Women		2017	35 months (01 Apr 2017-31 Mar 2020)
The Mediterranean Women's Fund	To provide Mediterranean Women's Fund (MWF) with core support, enabling it to help build strong national and regional women's movements.	390'000.00	France	Issues Affecting Women		2017	35 months (01 Sep 2017-31 Aug 2020)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
Women's Fund in Georgia	To provide core support to WFG, enabling it to advance its mission of empowering women and the women's movement in Georgia. This will be done by providing financial and technical support, capacity building and developing feminist philanthropy. The grant will also contribute to the organisational development of WFG, a local grant-making organisation that supports women's groups, activities and initiatives for social change in Georgia.	225'000.00	Georgia	Issues Affecting Women		2017	35 months (01 Jul 2017-30 Jun 2020)
Artemida, Drochia	To support the work of Artemida in a centre for perpetrators of domestic violence in Drochia, a city in the northern part of Moldova. This grant will also support the creation of a training centre for specialists working with perpetrators of domestic violence and the expansion of this work in three other cities in Moldova.	280'000.00	Moldova	Issues Affecting Women		2017	23 months (01 Sep 2017-31 Aug 2019)
Fondo Centroamericano de Mujeres	To support the IAWPs Guatemala portfolio of grants working on trafficking and exploitation, with a focus on migration, labour rights and access to justice for victims of sexual violence during Guatemala's 30-year civil war. FCAMs support will help these organisations and networks to become stronger and more financially secure. It will also facilitate networking opportunities for partners in Guatemala and within the broader Central American region. As part of its movement-building efforts, FCAM will also engage across sectors and with other donors to bring greater visibility to the issues supported through this portfolio.	2'340'000.00	Nicaragua	Issues Affecting Women		2017	23 months (01 Sep 2017-31 Aug 2019)
Association ViolenceQueFaire	To provide core support to Association ViolenceQueFaire to build on and expand the reach of its website that provides on-line French language information on intimate partner violence - especially psychological violence - in Switzerland. The hope is to meet the needs of more women in the French and German speaking cantons, as well as youth, elderly and LGBTQ clients.	222'772.00	Switzerland	Issues Affecting Women		2017	35 months (01 Apr 2017-31 Mar 2020)
AVVEC Aide Au Victimes de Violence En Couple	To support AVVEC's recent Open the Door&C	360'000.00	Switzerland	Issues Affecting Women		2017	35 months (01 Jun 2017-31 May 2020)
Centre Social Protestant (CSP)	To support the CSP's continued operation of its helpline for victims of human trafficking in the canton of Geneva, Switzerland. In parallel to running the helpline and providing legal services and accompaniment to trafficked persons, CSP also networks and advocates at both cantonal and national levels to raise awareness of the issue and improve legal frameworks related to protection of victims and prosecution of perpetrators of trafficking.	40'679.00	Switzerland	Issues Affecting Women		2017	35 months (01 Aug 2017-31 Jul 2020)
Women at the Table	To increase the participation, leadership and influence of frontline/grassroots women leaders on issues that impact women and their communities. This will be done by: strengthening their communication skills; making their knowledge and expertise visible; enabling them to bring their messages to a wider audience; and building a movement of senior decision makers globally that work to implement their recommendations.	300'000.00	Switzerland	Issues Affecting Women		2017	35 months (01 Jul 2017-30 Jun 2020)
Women's International League for Peace and Freedom (WILPF)	To provide core support to WILPF to strengthen the capacity of frontline women's organisations to mobilise for peace, equality, justice and human security. In doing so, women's organisations will influence laws and policies to better protect women and their communities from violent conflict. WILPF is an international not-for-profit anti-war organisation that brings women together to oppose conflict, violence and global militarisation.	1'475'000.00	Switzerland	Issues Affecting Women		2017	35 months (01 Jul 2017-30 Jun 2020)
Everyman Project	To provide core support to Everyman Project in the UK by supporting men who perpetrate intimate partner violence to take responsibility for their actions and change. Everyman does this through the provision of counselling for men and through partner support services to women affected by violence. Everyman Project is based in London and has been delivering counselling programme for men who want to take responsibility for their actions and change their abusive behaviour for over 20 years.	270'000.00	United Kingdom	Issues Affecting Women		2017	35 months (01 Jan 2018-31 Dec 2020)
Kalayaan	To provide core support to Kalayaan to work with migrant domestic workers (MDW), especially victims of labour exploitation or trafficking, through direct support services and campaigning aimed at improving the legal and policy framework affecting all MDW. Kalayaan is the only advice organisation in the UK that works specifically with MDWs to understand their rights, access justice in case of exploitation or abuse and advocate to improve their quality of life.	187'500.00	United Kingdom	Issues Affecting Women		2017	35 months (01 Apr 2017-31 Mar 2020)
Latin American Women's Rights Service	To provide core support to LAWRS, so that it can continue to empower Latin American migrant women experiencing violence, exploitation and abuse in the UK. LAWRS provides services, prevention and empowerment. It also campaigns around migrant women's rights.	300'000.00	United Kingdom	Issues Affecting Women		2017	35 months (01 Sep 2017-31 Aug 2020)
SafeLives	To provide SafeLives with core support to end domestic abuse in the UK. This will be delivered through the provision of practical tools, training, guidance, quality assurance, policy advice and data to professionals and organisations working with domestic abuse victims.	475'000.00	United Kingdom	Issues Affecting Women		2017	35 months (01 Oct 2017-30 Sep 2020)
Global Justice Center	To provide core support to Global Justice Center to use innovative legal arguments and advocacy strategies, based on international law, to dismantle discriminatory legal and political structures that prevent equality and human rights for all. In particular, it will focus on: ending impunity for genocide; ensuring the right to abortions for women and girls raped in conflicts; and improving laws to protect women and girls in Burma.	300'000.00	United States	Issues Affecting Women		2017	35 months (01 Sep 2017-31 Aug 2020)
Hispanics in Philanthropy	To administer and expand the Issues Affecting Women Programme's Mexico portfolio of grants working on migration, exploitation, trafficking and violence against women. In addition to enhancing due diligence and reporting on these grants, HIP will provide capacity building and networking support to these organisations. As part of its field-building efforts, HIP will also engage across sectors and with other donors to promote a more enabling environment to advance women's rights in Mexico.	1'685'056.00	United States	Issues Affecting Women		2017	23 months (01 Apr 2017-31 Mar 2019)
NEO Philanthropy (formerly Public Interest Projects)	To administer and strategically grow the Issues Affecting Women Programme's US-based trafficking and exploitation portfolio of grants. In addition to conducting due diligence and reporting on these grants, NEO will provide capacity building and networking support. NEO will also engage with new donors and mobilise additional resources for the anti-trafficking sector. In addition it will work to prevent and combat all forms of trafficking and exploitation via research, convenings and communications.	5'756'640.00	United States	Issues Affecting Women		2017	35 months (01 Jun 2017-31 May 2020)
Proteus Fund	To provide core support to Philanthropy Advancing Women's Human Rights (PAVHR). This donor affinity group seeks to advance women's human rights globally by mobilising funders to share knowledge, deepen networks and expand and drive resources. Oak support will also contribute to PAVHR's pooled fund to enable catalytic and collaborative grant-making opportunities among PAVHR members.	600'000.00	United States	Issues Affecting Women		2017	35 months (01 Jan 2018-31 Dec 2020)
Cepia Citizenship, Study, Research, Information and Action	To support CEPIAs mission to promote human and citizenship rights especially among groups historically excluded from exercising their full citizenship in Brazil. Working from a gender perspective and within a human rights framework, CEPIA focuses on advocacy to advance women's rights and gender equality. CEPIAs priority areas are: violence against women, access to justice for victims, sexual and reproductive health and women's empowerment.	300'000.00	Brazil	Issues Affecting Women		2016	36 months (1 Aug 2016-31.07.2019)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
openDemocracy	To support the 50.50 platform to raise awareness of critical women's rights issues, to provide tools that improve implementation of women's rights and to inform and influence global policy. By working with a geographically and thematically diverse constituency of authors, the platform aims to empower women, raise their profiles and increase the impact of their work. Oak support will also strengthen the platforms editorial capacities and improve its learning, monitoring and evaluation system.	180'000.00	Worldwide	Issues Affecting Women		2016	36 months (1 Apr 2016-31.03.2019)
Prospera International Network of Women's Funds	To provide core support to Prospera International Network of Women's Funds, enabling it to continue strengthening the work of women's funds. As the global hub of women's funds, Prospera seeks to create opportunities for greater collaboration among its members and across sectors, develop technical skills and knowledge, and mobilise resources to strengthen and support women's funds to realise women's rights.	600'000.00	Worldwide	Issues Affecting Women		2016	36 months (1 Nov 2016-31.10.2019)
Urgent Action Fund for Women's Human Rights	To provide core support to the Consortium of Urgent Action Funds in their efforts to strengthen the resilience and impact of women's movements around the world. This will be done by: providing rapid response grant-making to improve the security and wellbeing of women human rights defenders (WHRD); strengthening the capacity of women's rights organisations; increasing leadership, capacity, and knowledge of WHRD; and laying the groundwork for the creation of a new Urgent Action Fund for the Asia Pacific region.	650'000.00	Worldwide	Issues Affecting Women		2016	36 months (1 Apr 2016-31.03.2019)
Boston Children's Hospital	To support Boston Children's Hospital to develop a digital application on a mobile platform to allow parents, teachers, paediatricians and other childhood professionals to test for signs of early dyslexia or reading disabilities. Designed as an interactive and engaging game, the app will provide risk profiles and supplemental resources that guide remedial approaches.	100'000.00	United States	Learning Differences		2018	12 months (1 Jan 2018-1 Jan 2019)
Center for Creative Leadership	To support the CCL in evaluating and refining its existing Value Able Leadership tools for young people, including those who learn differently. This grant will also support CCL in a planning process to: identify demand for additional leadership tools; begin the design process for these tools; build a learning community; and develop a sustainability plan for the Value Able Leadership platform and resources.	299'791.00	United States	Learning Differences		2018	11 months (2 Apr 2018-31 Mar 2019)
City Year	To support City Year and Compass Academy to disseminate innovations in personalised learning that focus on supporting students with learning differences. City Year is committed to strengthening student self-agency, personalising learning and developing students cognitive and social-emotional skills. It aims to ensure that all students graduate ready for college or a career.	1'000'000.00	United States	Learning Differences		2018	47 months (1 May 2018-30 Apr 2022)
College Advising Corps	To provide support to CAC, which works with students of all backgrounds and learning abilities. CAC will pilot an innovative learning differences partnership in high schools throughout Texas. It will also support parents of students who learn differently to engage through Parent Academy.	800'000.00	United States	Learning Differences		2018	35 months (1 Jul 2018-30 Jun 2021)
Council of Chief State School Officers	To build the capacity of State Education Agencies to advance school principal leadership policies and practices for the success of students with disabilities. This project will support technical assistance in five states with demonstrated readiness and commitment to principal leadership development that supports the development of inclusive and effective schools for all students, including those with disabilities.	356'126.00	United States	Learning Differences		2018	24 months (1 Jul 2018-1 Jul 2020)
Edreports Org Inc	To learn from educators how instructional materials (e.g., text books and other curricula) can be designed better to support the needs of diverse learners. It will also create an advisory panel of experts and organise a convening to inform revisions to EdReports tools and processes.	100'000.00	United States	Learning Differences		2018	11 months (1 Jul 2018-30 Jun 2019)
Education NC	To support Education NC in engaging teachers across North Carolina in leadership and learning that focus on the connection between equity and learning differences. Education NC will elevate stories from students, families and communities on topics related to learning differences, special education and/or learner variability.	400'000.00	United States	Learning Differences		2018	36 months (28 Sep 2018-30 Sep 2021)
First Line Schools	To support the Special Education Leader Fellowship (SELF) programme to provide ongoing leadership training, capacity building and technical assistance to educators and schools across New Orleans and beyond. These focus on developing educator and school capacity to promote the academic and social-emotional outcomes of students with learning differences. This grant will also support SELF to expand its service provision.	600'000.00	United States	Learning Differences		2018	36 months (1 Sep 2018-1 Sep 2021)
Georgia State University	To conduct studies of the American English Version of the web-based, individual literacy programme called Units of Sound-Literacy that Fits. This study will include children and adults who are struggling readers and/or English language learners. It aims to provide insight on the ease of implementation and efficacy of the programme.	248'860.00	United States	Learning Differences		2018	17 months (1 Mar 2019-31 Aug 2020)
Iredell-Statesville Schools	To provide professional development for coaches and teachers in order to increase the academic achievement of all students and decrease the achievement gap across the school district in North Carolina.	100'000.00	United States	Learning Differences		2018	11 months (2 Jul 2018-28 Jun 2019)
Jobs for the Future	To support Jobs for the Future's Student-Centered Learning Research Collaborative and its efforts to evaluate the impact of student-centred learning methods on students with learning differences. This grant also aims to support Jobs for the Future to: test equitable measures of school performance; and design a youth research fellowship model to assess impact of learner-centred approaches on students who learn differently.	800'000.00	United States	Learning Differences		2018	25 months (1 Jul 2018-30 Aug 2020)
Massachusetts Advocates for Children	To support Massachusetts Advocates for Children to share evidence from their Trauma-Sensitive Schools study which will help more educators and policymakers to understand the need for trauma sensitive schools in the United States. It will also help build understanding around what trauma-sensitive school cultures can look like and how they can empower and harness the talents of educators and of students.	646'000.00	United States	Learning Differences		2018	35 months (1 Jan 2018-31 Dec 2020)
National Center for Special Education in Charter Schools	To support NCSECS to develop and implement a communications strategy to provide data, analysis, guidance and insight to charter school authorisers, operators, state policy makers and others. This will ensure that charter schools in the United States are schools of choice for students, including those who learn differently.	599'999.00	United States	Learning Differences		2018	35 months (1 Mar 2018-28 Feb 2021)
New Venture Fund	To support the New Venture Fund to lead the Funders Collaborative for Innovative Measurement, whose mission is to create reliable social emotional learning measurement tools. These tools will be used for accountability, improvement and knowledge-building to support youth, including those with learning differences, to thrive and succeed. This project will allow for Oaks participation in the Funders Collaborative for Innovative Measurement.	30'000.00	United States	Learning Differences		2018	16 months (1 Jan 2018-31 May 2019)
New Schools Fund	To provide core support to New Schools Venture Fund for its work to catalyse innovation in school design to expand pathways to success for all students. This will be done through: innovative schools; education technology; and leaders from diverse backgrounds. The aim is to bring more relevant, innovative and sustainable solutions to the field.	500'000.00	United States	Learning Differences		2018	18 months (1 Aug 2018-1 Feb 2020)
Spitfire Strategies	To enable the grantees of the Learning Differences and Prevent Child Sexual Abuse Programmes to participate in the executive coaching programme led by Spitfire Strategies. Spitfire Strategies is a communications firm that provides strategic communications solutions and support to not-for-profit groups.	239'000.00	United States	Learning Differences		2018	23 months (1 Mar 2018-28 Feb 2020)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
Teach for America	To support Teach for America to strengthen training and support of teachers in the Eastern North Carolina region. This will help meet the needs of diverse learners and build more equitable classrooms.	200'000.00	United States	Learning Differences		2018	11 months (1 Apr 2018-31 Mar 2019)
Transcend	To provide support to Transcend to design and build school models that help all children in the US learn in supportive, engaging and effective learning environments. Transcend partners with education leaders to co-create new school model designs and ensure that all aspects of the process respond to diverse learner profiles. Transcend enables visionary learning communities to build and spread breakthrough models that prepare all children to thrive in and transform the 21st century.	1'000'000.00	United States	Learning Differences		2018	35 months (1 Jul 2018-30 Jun 2021)
CAST Inc.	To develop and promote an online system for training and certification in Universal Design for Learning (UDL). This system will be available to all public education systems, schools and educators from pre-school to adult learning. It will help ensure a high-quality implementation of UDL and a continuous professional development model that results in certifications for all users.	1'000'000.00	Worldwide	Learning Differences		2018	35 months (1 Jun 2018-31 May 2021)
Friday Institute for Educational Innovation	To develop, implement and evaluate tools and resources that build educator knowledge and capacity to better meet the needs of students who learn differently. This will include online courses, micro-credentials and in-person convening.	949'283.00	Worldwide	Learning Differences		2018	35 months (1 Sep 2018-31 Aug 2021)
Teach For All	To provide core support to Teach For All to increase and expand educational opportunities for disadvantaged students around the world. Teach For All is helping a network of partners shape a generation of global leaders to drive innovative, broad-scale, systemic change to ensure that all children have the opportunity to attain an excellent education.	850'000.00	Worldwide	Learning Differences		2018	12 months (1 Oct 2018-31 Oct 2019)
YouthBuild USA	To adapt the YouthBuild schools diploma granting model to Mexico, Brazil and South Africa, where pathways to secondary education credentials for early high-school leavers are currently not available. This school model will be responsive to diverse learning needs. It will provide experiential learning environments and opportunities to build leadership among a global network of youth across multiple countries, who have a shared experience of disconnection, dislocation and marginalisation.	600'670.00	Worldwide	Learning Differences		2018	22 months (15 Jul 2018-15 May 2020)
Branching Minds	To bring personalised learning support to millions of students in the United States struggling to succeed in classrooms. Branching Minds provides a web application for schools which has received positive feedback and is a unique product in the marketplace. As a start-up company beginning its fourth year of operation, Branching Minds balances product design and development with marketing, sales, growth and financial stability. This grant would support operations during a critical period in Branching Minds development.	500'000.00	United States	Learning Differences		2017	24 months (01 Jan 2017-01 Jan 2019)
Center for Curriculum Redesign	To provide a platform for leaders in the field of learning differences to redesign global systems of measuring student learning that are aligned with goals and educational outcomes relevant to the 21st century. In this project, CCR seeks to focus on metacognition with intent to transform educational learning assessments. This will serve to: measure critical skills for student success; and support the learning of essential 21st century skills, comprehension and mindsets, including the ability to reflect on ones learning, set learning goals and monitor ones progress.	250'000.00	United States	Learning Differences		2017	24 months (01 May 2017-31 May 2019)
Convergence	To support Education Reimagined in accelerating the growth and impact of a learner-centered education movement. This will be done by: developing the next generation of leaders for learner-centered education; strengthening a national community of practice; and designing and launching a national year of learning, in partnership with the Center for Individual Opportunity, to build demand and recognition for learner-centered education.	1'000'000.00	United States	Learning Differences		2017	36 months (01 Jun 2017-01 Jun 2020)
East Carolina University	To support the continued expansion of the College STAR network in the United States in order to strengthen a nation-wide network of educational professionals and services, both in K-12 and postsecondary environments, committed to increasing postsecondary opportunities for students with learning differences. The College STAR mission will be infused into the three anchor campuses (East Carolina University, Appalachian State University and Fayetteville State University), and monitored by common evaluation and research processes. An active network of collaborators from multiple stakeholders across the US will be in place.	1'498'737.00	United States	Learning Differences		2017	23 months (01 Jan 2018-31 Dec 2019)
Hill Center Inc, The	To provide core support to the US-based Hill Center, which provides personalised, research-based reading, writing and math instruction for students with learning differences. Hill has evolved from a small, half-day school for students with learning differences into a leader in the field. It offers a range of programmes for students, teachers, school and district partners and not-for-profits. Hill will build upon this experience to develop a scalable, technology-enabled model that provides personalised instruction to students with learning differences in public schools.	500'000.00	United States	Learning Differences		2017	29 months (01 Jan 2017-30 Jun 2019)
National Center for Learning Disabilities	To support NCLD to continue managing Understood.org, an online platform for parents of children who have learning and attention issues. This grant will also support the development of: a new online platform called Understood for Educators, and programming specific to young adults with learning differences. This will include leadership development and the creation of an advisory board of young adults.	3'000'000.00	United States	Learning Differences		2017	35 months (01 Jul 2017-30 Jun 2020)
Public Impact, LLC	To build the capacity of the Learning Differences Programme (LDP) and its partners in measuring the impact of Oak-funded work on students who learn differently. This will be done through the development and facilitation of an Impact Measurement Working Group. Public Impact will also provide research for the LDP to inform due diligence, strategic planning and learning.	200'000.00	United States	Learning Differences		2017	36 months (01 Oct 2017-01 Oct 2020)
Relay Graduate School of Education	To support Relay Graduate School of Education to develop and pilot the Special Education Leadership Academy fellowship, which will prepare special educators to lead schools in supporting the academic and social-emotional success of students with learning differences. Relay works to train teachers and school leaders to develop in all students the academic skills and strength of character needed to succeed in college and life.	250'000.00	United States	Learning Differences		2017	23 months (01 Sep 2017-30 Aug 2019)
Teach for America	To support Teach For America to incorporate an orientation around learner variability and disability justice into its programme continuum to reach 3,500 new teachers each year. This will start with the integration of Universal Design for Learning into its national pre-service programme. Teach For America will also create an ecosystem of learning that connects its 53 regions and over 46,500 alumni to collaborate around best practices that will lead to expanded opportunities for all children, including those with learning differences.	1'500'000.00	United States	Learning Differences		2017	36 months (01 Feb 2017-01 Feb 2020)
Fana Association for Individuals with Learning and Communication Diffic	To provide core support to FAILCD, an organisation based in Ethiopia that provides training to educators and clinical services to children with learning differences such as dyslexia. FAILCD is based in the capital Addis Ababa and provides services throughout the country.	275'000.00	Ethiopia	Learning Differences		2016	36 months (1 Jan 2017-31.12.2019)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
Georgia State University	To identify differentiating characteristics of people with dyslexia who show treatment resistance to existing evidence-based interventions. This study seeks to identify those neurocognitive and instructional factors that contribute to dyslexia treatment resistance. Funding supports the addition of a second literacy intervention to complement an existing National Institutes of Health-funded intervention study, expanding the impact of the research and contributing to the goal of more personalised dyslexia intervention strategies tailored to individual learners.	900'000.00	North America	Learning Differences		2016	36 months (1 Jul 2016-30.06.2019)
University of California San Francisco	To support the University of California San Francisco's brainLENS laboratory in assessing the impact of a mentoring programme on the socio-emotional, resilience and academic outcomes of young people with learning differences. It will then identify profiles of young people most likely to benefit from mentoring. This grant will also support the international dissemination of research results and free resources that will aid mentoring programmes in deepening their impact on young people who learn differently.	350'000.00	United States	Learning Differences		2016	35 months (1 Sep 2016-31 Aug 2019)
New Teacher Center	To support NTC in identifying, piloting and evaluating the impact of teacher practices that support the academic and social-emotional success of students with learning differences. NTC will incorporate the most effective practices into their teacher and school leadership coaching products and services. This grant also provides match funding to NTC's Investing in Innovation grant from the US Federal Government.	1'150'000.00	United States	Learning Differences		2016	36 months (1 Oct 2016-01.10.2019)
President & Fellows of Harvard College	To document the process and outcomes in six US cities in moving towards customised public education systems that address the needs of diverse learners. The Education Redesign Lab, housed at the Harvard Graduate School of Education, will examine how cities address the needs of students with learning differences, as well as those learning English and from diverse economic backgrounds. It will also document outcomes on a range of measures.	29'058.00	United States	Learning Differences		2016	36 months (1 Sep 2016-31.08.2019)
Ontario College of Art and Design University	To support OCADs Inclusive Design Research Centre to design a #SeeSocial Justice Repair Kit	1'000'000.00	Worldwide	Learning Differences		2016	36 months (1 Nov 2016-31.10.2019)
University of Washington Center for Game Science	To modify and test an internationally available technology platform to provide teachers with proven strategies and interventions in math. The platform will allow teachers to deploy real-time, in-class individualised support to ensure every student achieves key learning milestones. The University of Washington Center for Game Science will develop the technology and partner with the not-for-profit organisation Enlearn to pilot and test existing products.	760'000.00	Worldwide	Learning Differences		2016	36 months (1 Dec 2016-30.11.2019)
East Carolina University	To support students with learning disabilities to enroll in and graduate from East Carolina University (ECU). Students in Project STEPP, housed at ECU, remain in college at rates that exceed the general university population. STEPP aims for graduation rates of participants with learning disabilities to match or exceed the six-year graduation rate of the university.	660'109.00	United States	Learning Differences		2015	59 months (1 Sep 2015-31 Aug 2020)
Eye to Eye National, Inc.	To provide core support to Eye to Eye, a US-based mentoring organisation that pairs young adults who have learning disabilities and/or attention deficit disorders with middle school students who also have these learning differences. Eye to Eye uses an arts-based curriculum to build self-knowledge and self-esteem among both its mentees and mentors. It supports mentors in sharing their stories with others, becoming leaders and contributing to changing cultural perceptions of individuals with learning differences.	1'000'000.00	United States	Learning Differences		2015	47 months (1 Jul 2015-30 Jun 2019)
Lesley University	To develop and train educators to create supportive schools for thousands of children who struggle to learn because of traumatic experiences. These learning environments will better support a wider variety of students with learning differences. The Lesley University Center for Special Education is collaborating with the Trauma and Learning Policy Initiative at Massachusetts Advocates for Children on this project.	579'461.00	United States	Learning Differences		2014	59 months (1 Jul 2014-30.06.2019)
Aalborg Kommune, Det Specialiserede dagtilbud, Sjørnehuseene	The specialised Day Care Facility is applying for funding for renovation and establishment of a new playground in the Sjørnehuseene department. In accordance with Oak Foundation's objectives, funds are being sought to improve the physical environment of a group of vulnerable children - and thus improve their conditions during placement at Sjørnehuseene.	35'748.00	Denmark	Oak Foundation Denmark		2018	12 months (12 Sep 2018-30 Sep 2019)
Antidote Danmark	We must stop overdose deaths all over Copenhagen, but at the same time gain knowledge about where the need for a "fix-room" in Copenhagen is highest. So when the Municipality of Copenhagen is ready to establish a "fix-room" in other districts, we know where it will make sense. With a redesigned ambulance we can offer a safe place for a drug user to ingest drugs in parts of the city where there still are no permanent rooms available.	55'255.00	Denmark	Oak Foundation Denmark		2018	12 months (13 Nov 2018-13 Nov 2019)
Bryd Tavsheden	The overall aim of the project is to focus upon and provide information about violence against children and violence in early love relationships in Denmark with regard to the target group, children and young people in the ages between 13-24 since, as shown above, too many children and young people are exposed to violence in their home and/or in their early love relationship.	405'437.00	Denmark	Oak Foundation Denmark		2018	36 months (12 Sep 2018-30 Sep 2021)
Danmarks Forsorgsmuseum	To support that the Danish Welfare Museum and Ringsted Crisis Centre will render visible, debate and de-taboo the social and equal problem of women and children on flight from violence in a partnership with the nationwide organisation for women's Crisis Centres LOKK and Red Cross Qnet. The problem should be treated historically in relation to the history of welfare, care and the history and stories of Crisis Centres. The Crisis Centre celebrates its 40 years anniversary in 2018, Danish Welfare Museum will collect, register and conserve source material from Ringsted Crisis Centre and render visible the problem by communicate the stories of survivor women who used the Crisis Centre to escape from violence in relation to the history of welfare and care.	108'382.00	Denmark	Oak Foundation Denmark		2018	12 months (13 Apr 2018-15 Apr 2019)
Danner	Danner seeks funding for a mapping of Intimate Partner Sexual Violence IPSV in Denmark with four overall objectives in mind. Firstly, abolishing the taboo about this form of violence through a wide public information campaign. Secondly, with the aim of working with the legal status of victims of IPSV. Third, with the purpose of supporting work on one of Danner's strategic goals for 2019, namely focusing on IPSV. And finally, fourthly, with the purpose of sharpening how the day-to-day practice in the shelter can be addressed to IPSV in the future.	89'809.00	Denmark	Oak Foundation Denmark		2018	12 months (15 Nov 2018-15 Nov 2019)
Taskforce (Dansk Stalking Center)	The main aim of the project is to give the network surrounding a family where there is domestic violence some tools to intervene as soon as they become aware of the violence. The project is for the network around a family affected by domestic violence such as neighbours, various kinds of social workers, work colleagues, janitors in building complexes, schools, parents in kindergartens - anyone who can do something to help stop the violence.	123'599.00	Denmark	Oak Foundation Denmark		2018	23 months (1 May 2018-30 Apr 2020)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
Den selvejende institution dagbehandlingsskolen Isbryderen	The school wishes to have the possibility to buy a mini bus for the school. The bus is needed so that the school can take pupils on some interesting field trips as apart of their treating and education. It is very important that the students have the same possibilities as the other kids at the ordinary schools. The school is placed in an apartment building in Copenhagen, which means that they have to leave the local area if they want the pupils to learn something about the nature and society in practice.	47771.00	Denmark	Oak Foundation Denmark		2018	11 months (1 May 2018-30 Apr 2019)
Det Blå Sted	The purpose of the project is to help and support socially vulnerable young people in order to support them in making the dream come through regarding having an education, getting a job quitting an abuse and having treatment or finding a housing. To realise this purpose 2 teams will reach out to the target group in various places in Aarhus.	145428.00	Denmark	Oak Foundation Denmark		2018	36 months (12 Sep 2018-12 Sep 2021)

Child Rights Connect also plays a central role in key child rights developments at a global level by contributing to the drafting of UN treaties on children's rights.	445'545.00	Switzerland	Prevent Child Sexual Abuse	Preventing violence, protecting children	2017	35 months (01 Oct 2017-30 Sep 2020)
Graduate Institute Geneva	To establish an internship programme within Oak's Child Abuse Programme for second year masters students of the Graduate Institute Geneva who have an interest in the child rights and child protection sectors.	130'144.00	Switzerland	Prevent Child Sexual Abuse	Preventing violence, protecting children	2017	35 months (01 Jul 2017-30 Jun 2020)
ActionAid International Tanzania	To prevent acts of violence against children in schools and communities in North Unjuga, Zanzibar. This will be done in part by raising awareness of the issue at community and national levels. ActionAid is a global movement of people working together to further human rights and defeat poverty for all.	269'648.00	Tanzania	Prevent Child Sexual Abuse	Preventing violence, protecting children	2017	35 months (01 Apr 2017-31 Mar 2020)
C-Sema	To prevent and respond to all forms of violence against children in Tanzania. This will be done by: strengthening Tanzania's national child helpline for child protection data capture and analysis; building awareness of the helpline, and generating evidence that supports Action Aid Tanzania and Pathfinder's work in Zanzibar. C-Sema works with children, their parents, communities and local governments to better understand how to facilitate both provision of and access to available services.	250'000.00	Tanzania	Prevent Child Sexual Abuse	Preventing violence, protecting children	2017	36 months (03 Mar 2017-06 Mar 2020)
Raising Voices	To prevent violence against children at schools, home and communities in Uganda. Raising Voices has focused on creating a National Dialogue to engage Ugandans in a conversation about VAC. Concurrently it has developed an evidence based methodology for preventing Violence Against Children at school (Good School Toolkit). This project aims to integrate the two strands into a consolidated strategy that begins at school and moves in concentric circles around the school to create a comprehensive community based intervention at scale.	1'000'000.00	Uganda	Prevent Child Sexual Abuse	Preventing violence, protecting children	2017	47 months (15 Sep 2017-14 Sep 2021)
Approach Ltd	To promote the universal prohibition and elimination of all corporal punishment of children. Approach Ltd will do this by providing detailed information on the legality of corporal punishment worldwide and ensuring technical assistance is provided to support national action in regions and states around the world.	250'000.00	United Kingdom	Prevent Child Sexual Abuse	Preventing violence, protecting children	2017	35 months (01 Apr 2017-31 Mar 2020)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
Deafkidz International	To empower deaf and hard-of-hearing children and young people in Jamaica and South Africa to protect themselves against abuse. This grant will also help raise awareness and empower child protection professionals and other professionals to address sexual violence against deaf children and support the organisational development of Deafkidz International.	243291.00	United Kingdom	Prevent Child Sexual Abuse	Preventing violence, protecting children	2017	35 months (01 Jun 2017-31 May 2020)
Hope and Homes for Children	To put an end to institutional care for children in Bulgaria and Moldova. This will be done through dedicated training and mentoring support for local, national and regional professionals. In addition, through opportunities to network and exchange, the project will catalyse exchanges of good practice and significantly accelerate regional reform.	900'000.00	United Kingdom	Prevent Child Sexual Abuse	Preventing violence, protecting children	2017	35 months (01 Nov 2017-31 Oct 2020)
American University	To research opportunities to increase global and national political priority for addressing violence against children, in particular sexual violence. The research will identify factors that have shaped attention to the issue and that can help amplify advocacy efforts.	149'815.00	United States	Prevent Child Sexual Abuse	Preventing violence, protecting children	2017	30 months (01 Nov 2017-01 Jun 2020)
International Center for Research on Women	To advance knowledge and the evidence base on what works to end violence against children in East Africa. The ICROW will support Oak partners implementing violence prevention programmes in Uganda and Tanzania to monitor programme implementation, and document and disseminate the outcomes and learning to inform practice and policy making.	600'000.00	United States	Prevent Child Sexual Abuse	Preventing violence, protecting children	2017	35 months (01 Feb 2018-31 Jan 2021)
NEO Philanthropy (formerly Public Interest Projects)	To provide core support to help implement the new 2017-2019 strategy of the Elevate Children Funders Group. In addition, this grant will contribute to a strategic collaboration through the Venture Fund and start up a Global Children's Policy Watch. A strategic partnership among donors will also be developed to ensure the protection of children on the move.	920'000.00	United States	Prevent Child Sexual Abuse	Preventing violence, protecting children	2017	35 months (02 Feb 2017-31 Jan 2020)
New Venture Fund	To support national actions, especially from the global South, to implement the INSPIRE framework, which includes seven strategies that have shown success in reducing violence against children. The New Venture Fund provides philanthropists with an efficient, cost-effective and time-saving platform to design, launch and operate collaborative charitable projects.	1'325'000.00	United States	Prevent Child Sexual Abuse	Preventing violence, protecting children	2017	18 months (01 Jan 2018-31 Jul 2019)
Pathfinder International	To reduce violence against children by improving primary prevention and increasing response efforts in households and at the community level in Zanzibar. Pathfinder aims to encourage gender equitable relationships, good parent-child communication around sexuality and violence, and public acknowledgement and condemnation of violence against children.	627'462.00	United States	Prevent Child Sexual Abuse	Preventing violence, protecting children	2017	32 months (01 Apr 2017-31 Dec 2019)
Tides Center	To help implement the UN Guidelines for the Alternative Care of Children and childcare related policies and practices at global, regional and country levels. This will be done by developing and testing new approaches and promoting practice-based learning and sharing. Better Care Network (BCN) is an international network of organisations committed to supporting children without adequate family care around the world. BCN is the fiscal sponsor for this grant.	1'160'735.00	United States	Prevent Child Sexual Abuse	Preventing violence, protecting children	2017	59 months (01 Aug 2017-31 Jul 2022)
Bulgarian School of Politics & Dimitry Panitza	To increase the level of knowledge and skills of the leadership group in Bulgaria regarding child rights and the implications they have on policies for children. The Bulgarian School of Politics works so that children feel safe and protected and their voices are heard by the policy and decision-makers. The proposed project focuses on the group of political and civic policy-makers.	219'339.00	Bulgaria	Prevent Child Sexual Abuse	Preventing violence, protecting children	2016	36 months (1 May 2016-30 Apr 2019)
For Our Children Foundation	To reduce the vulnerability of young children to violence and abuse within the family and in care settings that make up part of the public healthcare system in Bulgaria. The project includes nationwide research and the introduction of pilot services, as well as the development and the adoption by the Council of Ministers of an early childhood development policy that is family-oriented and based on child rights principles.	489'210.00	Bulgaria	Prevent Child Sexual Abuse	Preventing violence, protecting children	2016	36 months (1 Apr 2016-31 Mar 2019)
National Network for Children Association	To provide core support to the National Network for Children in Bulgaria to implement its 2015-2020 strategy. The strategy aims to: (1) place the child and family in the centre of political and public life; (2) develop youth participation; and (3) further develop the network and increase the capacity of the members to influence national and local policies.	1'150'178.00	Bulgaria	Prevent Child Sexual Abuse	Preventing violence, protecting children	2016	48 months (1 Jul 2016-30 Jun 2020)
Tulip Foundation	To prevent the negative effects of poverty on the welfare, safety and educational development of children in communities in Bulgaria. This will be done by empowering parents, families and communities to protect their children from neglect, violence, abuse, insufficient care and unnecessary placement in institutions. Work with men and boys will be interwoven into all project activities. Tulip Foundation works to reduce the abandonment and institutionalisation of children.	800'000.00	Bulgaria	Prevent Child Sexual Abuse	Preventing violence, protecting children	2016	60 months (1 Dec 2016-1 Dec 2021)
African Child Policy Forum	To prevent violence against children in Africa by gathering evidence and documenting existing work in Tanzania, Uganda and Ethiopia. The findings will be shared with stakeholders in national governments, regional economic communities and the African Union with the ultimate aim of building political commitment to eliminate violence against children in Africa.	840'000.00	Eastern Africa	Prevent Child Sexual Abuse	Preventing violence, protecting children	2016	36 months (1 May 2016-30 Apr 2019)
Social Activities and Practice Institute	To increase and improve efforts at responding to and preventing violence against children by supporting the integration of the Resilience Approach.	500'973.00	Eastern Europe	Prevent Child Sexual Abuse	Preventing violence, protecting children	2016	60 months (1 Oct 2016-30 Sep 2021)
Action for Self Reliance Organization	To strengthen the protective environment around children and promote their wellbeing in Hawassa city in Ethiopia. Action for Self Reliance aims to support families and formal and informal institutions to protect children from abuse and exploitation. It does this by strengthening the economic situation of families and a range of actors in two parts of Hawassa city.	107'869.00	Ethiopia	Prevent Child Sexual Abuse	Preventing violence, protecting children	2016	36 months (1 Apr 2016-30 Mar 2019)
Child Development training and Research Centre	To support churches in Ethiopia in protecting children and young people from abuse. This will be done by strengthening child protection procedures in the local churches, supporting the introduction of parenting sessions, organising parent support groups and developing gender sensitive basic life skills training for youth workers. The project will be implemented in selected local churches in Adama, Bishoftu, Fiche, Hoieta and Sendafa in Ethiopia.	200'859.00	Ethiopia	Prevent Child Sexual Abuse	Preventing violence, protecting children	2016	36 months (1 Sep 2016-31 Aug 2019)
Columbia Group for Children in Adversity	To improve children's wellbeing in Kenya through community-led child protection mechanisms and bottom-up approaches to strengthening national child protection systems. This will be done by supporting the inclusive implementation of a multi-year, community-led intervention that links community action on behalf of vulnerable children with government stakeholders and processes. The Columbia Group for Children in Adversity responds to childcare and protection concerns during humanitarian crises.	245'000.00	Kenya	Prevent Child Sexual Abuse	Preventing violence, protecting children	2016	36 months (1 Nov 2016-31 Oct 2019)
Medical Research Council of South Africa	To promote active and ethical engagement of children in generating evidence to better understand the impact of sexual violence in their lives and to gather evidence of what works (in the context of families) to prevent maltreatment and violence against children. This information will be used to build the evidence for prevention of violence against children and women. The Sexual Violence Research Initiative (SVRI) is a global programme hosted by the Medical Research Council of South Africa. As knowledge managers in the field, the SVRI gathers, develops, distils and disseminates knowledge to strengthen prevention of and response for sexual violence and related types of violence in low and middle income countries.	602'680.00	South Africa	Prevent Child Sexual Abuse	Preventing violence, protecting children	2016	36 months (1 Sep 2016-31 Aug 2019)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
National Coalition Building Institute (NCBI)	To support Youth Voices for Safe Homes of NCBI Switzerland to prevent various forms of domestic violence against children and youth in Switzerland. This project raises awareness among young people about their rights and empowers them to address and prevent various forms of domestic violence. This includes corporal punishments, sibling or parental conflicts, gender violence and intimate violence partnerships with their peers and relatives. NCBI is a Swiss organisation focused on violence prevention, prejudice reduction and intercultural integration.	213'542.00	Switzerland	Prevent Child Sexual Abuse	Preventing violence, protecting children	2016	36 months (1 May 2016-30 Apr 2019)
National Coalition Building Institute (NCBI)	Support Youth Voices for Safe Homes of NCBI Switzerland to prevent various forms of domestic violence against children and youth in Switzerland. This project raises awareness among young people about their rights and empowers them to address and prevent various forms of domestic violence. This includes corporal punishments, sibling or parental conflicts, gender violence and intimate violence partnerships with their peers and relatives. ChildFund Uganda	To develop evidence-based interventions to prevent and respond to violence against children in Uganda with a specific focus on child sexual abuse and sexual exploitation. The AfricChild Centre undertakes multidisciplinary research, evidence-based knowledge building, skills development and influences policy and practice for the wellbeing of the African child.	420'000.00	Uganda	Prevent Child Sexual Abuse	Preventing violence, protecting children	2016	36 months (1 Sep 2016-31 Aug 2019)
RADIX Fondation Suisse pour la promotion de la sante	To update the website feel-ok.ch, which provides health advice to adolescents in the German-speaking part of Switzerland, and to develop a version suitable for smartphones and tablets. RADIX is a national competence centre for the promotion, development and implementation of public health measures and plays an intermediary role between the Confederation, cantons and municipalities.	318'182.00	Western Europe	Prevent Child Sexual Abuse	Preventing violence, protecting children	2016	36 months (1 Aug 2016-31 Jul 2019)
Medical Research Council of South Africa	To promote active and ethical engagement of children in generating evidence to better understand the impact of sexual violence in their lives and to gather evidence of what works (in the context of families) to prevent maltreatment and violence against children. This information will be used to build the evidence for prevention of violence against children and women. The Sexual Violence Research Initiative (SVRI) is a global programme hosted by the Medical Research Council of South Africa. As knowledge managers in the field, the SVRI gathers, develops, distils and disseminates knowledge to strengthen prevention of and response for sexual violence and related types of violence in low and middle income countries.	602'680.00	Worldwide	Prevent Child Sexual Abuse	Preventing violence, protecting children	2016	36 months (1 Sep 2016-31 Aug 2019)
Animus Association Foundation	To combat bullying in schools in Bulgaria so that children feel safe and, along with parents, professionals and institutions, are empowered to tackle the problem. The project addresses abuse, harassment and humiliation among school children and fosters a school environment that respects tolerance, diversity and empowering of pupils. Animus Association Foundation is a centre for rehabilitation, counselling and psychotherapy. It works to promote healthy communication between people and gender in Bulgarian society.	629'994.00	Bulgaria	Prevent Child Sexual Abuse	Preventing violence, protecting children	2015	59 months (1 Mar 2016-28 Feb 2021)
Makerere University College of Health Sciences.	To work with and support parents to help prevent violence. This will be done by: optimising the implementation of evidence-based programmes; improving coordination of shared learning; and establishing ongoing partnerships with government, civil society actors and other key stakeholders. Makerere University, based in Kampala, Uganda, is one of the oldest and most prestigious Universities in Africa.	249'972.00	Uganda	Prevent Child Sexual Abuse	Research and learning	2018	35 months (1 Jan 2019-31 Dec 2021)
No Means No Worldwide	To support MNMW to scale its rape prevention programme (called IM power) globally. This will be achieved by: training a core team of 12 people and launching IM power in Uganda; conducting an external impact evaluation on the Uganda pilot project; and building MNMWs institutional capacity.	529'710.00	Eastern Africa	Prevent Child Sexual Abuse	Solutions and advancing action	2018	35 months (1 Jan 2019-31 Dec 2021)
Centre Dardedze	To provide core support to Centre Dardedze, based in Latvia, to help it become a national and regional leader in prevention of child sexual abuse. This grant will support the centre to evaluate its programmes to prevent child sexual abuse and to increase its organisational capacity. Dardedze's vision is that every child in Latvia is loved, protected, respected and cared for and lives in a safe environment free from all forms of violence.	800'000.00	Latvia	Prevent Child Sexual Abuse	Solutions and advancing action	2018	47 months (1 Jul 2018-30 Jun 2022)
National Center for Child Abuse Prevention	To provide core support to the NCCAP, which works to prevent child sexual abuse and exploitation in Moldova. NCCAPs vision is a society in which children are protected from all forms of violence. Its mission is to contribute to the reduction of violence against children through prevention activities, capacity development and specialised service provision.	469'104.00	Moldova	Prevent Child Sexual Abuse	Solutions and advancing action	2018	35 months (1 Dec 2018-30 Nov 2021)
Terre des hommes Moldova	To prevent child abuse and improve the safety and wellbeing of children, particularly those living in rural communities in Moldova. Through this project, Terre des hommes Moldova plans to prevent violence among school children by transforming school culture, empowering children and equipping teachers with necessary knowledge and skills. It will increase parental capacities and tackle harmful social norms that permit violence against children.	382'832.00	Moldova	Prevent Child Sexual Abuse	Solutions and advancing action	2018	35 months (1 Oct 2018-30 Sep 2021)
Trans-cultural Psychosocial Organization	To prevent sexual violence against children at national and community levels in Uganda. At national level, TPO Uganda will support Ministry of Gender-led formal and informal structures to strengthen coordination for experience sharing and learning using evidence from project community sites. At the community level, TPO Uganda will undertake intricate processes to integrate informal actors into existing formal structures to jointly address drivers of sexual violence through a combination of community-led participatory approaches and selected INSPIRE strategies.	799'998.00	Uganda	Prevent Child Sexual Abuse	Solutions and advancing action	2018	39 months (1 Sep 2018-31 Dec 2021)
All Survivors Project	To improve the global response to survivors of sexual violence in situations of conflict and displacement. All Survivors Project documents cases of abuse against men and boys to support a global response that includes all victims of violence.	250'000.00	Worldwide	Prevent Child Sexual Abuse	Solutions and advancing action	2018	14 months (15 Apr 2018-1 Jul 2019)
Bureau International Catholique de l'Enfance	To provide core support to the BICE to prevent child sexual abuse and to provide child victims with multidisciplinary support in Latin America and Europe-CIS. BICE is an international catholic organisation created in 1948 that aims to protect the dignity and rights of children.	250'000.00	Worldwide	Prevent Child Sexual Abuse	Solutions and advancing action	2018	23 months (1 Jan 2019-31 Dec 2020)
Equality Now	To ensure that adolescent girls Tanzania and Zambia are free from sexual violence in schools, and to ensure access to justice for survivors and a right to education. In both countries the project will contribute to ensuring that adolescent girls enjoy their right to education in an environment that is safe and free from sexual violence and discrimination.	393'440.00	Worldwide	Prevent Child Sexual Abuse	Solutions and advancing action	2018	26 months (1 Oct 2018-31 Dec 2020)
Heartlines	To promote the active involvement of men in the lives of their children in South Africa and Uganda. This work will relate in particular to early childhood development, violence reduction and prevention of child abuse. Heartlines will carry out research to develop key messages for TV and radio programmes and other resources that will be used by government bodies, not-for-profit organisations, faith-based groups and community-based organisations.	1'000'000.00	Worldwide	Prevent Child Sexual Abuse	Solutions and advancing action	2018	35 months (1 Dec 2018-30 Nov 2021)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
Promundo US	To support Promundo's work to promote gender equality and create a world free from violence by engaging men and boys in partnership with women and girls. The focus of this grant will be to enhance Promundo's work in Europe and Eastern and Southern Africa and globally.	2'350'000.00	Worldwide	Prevent Child Sexual Abuse	Solutions and advancing action	2018	47 months (1 Jul 2018-30 Jun 2022)
Together for Girls	To use the power of information and storytelling to exchange the story on sexual violence against children and adolescents. Using data as its guide, TFG aims to: raise awareness; build local capacity; promote evidence-based solutions; and galvanise coordinated action across sectors and stakeholders to ensure that girls and boys can live free from violence.	987'200.00	Worldwide	Prevent Child Sexual Abuse	Solutions and advancing action	2018	40 months (1 Jun 2018-31 Oct 2021)
Women's Refugee Commission	To improve the prevention and response efforts of humanitarian actors working to reduce sexual violence against boys and men, including gay, bisexual, and transgendered persons. The aim is to help reduce sexual violence in crisis-affected communities, including against women and girls.	382'590.00	Worldwide	Prevent Child Sexual Abuse	Solutions and advancing action	2018	35 months (1 Jun 2018-31 May 2021)
Child Rights and Violence Prevention Fund	To protect children from sexual abuse and sexual exploitation through several grants that support a protective environment in homes, schools and communities in Uganda, Tanzania and Ethiopia. The grant will also build the institutional capacity of the Children's Rights and Violence Prevention Fund to effectively provide grant and technical support to community-based organisations and local not-for-profits in the region.	3'000'000.00	Eastern Africa	Prevent Child Sexual Abuse	Strategic opportunities	2018	47 months (1 Sep 2018-30 Aug 2022)
Conseil Suisse des Activités de Jeunesse / Swiss National Youth Council	To support a joint project between the Swiss National Youth Council and Milchjugend to make youth associations in Switzerland more inclusive for LGBT youth. This will help prevent social exclusion, discrimination and any forms of abuse and violence. This project aims to empower LGBT youth, strengthen knowledge of youth associations, raise awareness about the situation of LGBT youth and advocate for their rights.	368'320.00	Switzerland	Prevent Child Sexual Abuse	Strategic opportunities	2018	35 months (1 Jul 2018-30 Jun 2021)
Child Rights International Network	To provide core support to CRIN as well as project support to prevent the sexual abuse and exploitation of children by peacekeeping personnel. CRIN is a global research, policy and advocacy organisation.	304'888.00	Worldwide	Prevent Child Sexual Abuse	Strategic opportunities	2018	23 months (1 May 2018-30 Apr 2020)
Child Fund Alliance	To empower children in ten countries to hold governments and local leaders accountable to their obligations to end all violence against children, as per SDG Target 16.2: End abuse, exploitation, trafficking and all forms of violence against and torture of children.	375'000.00	Worldwide	Prevent Child Sexual Abuse	Strategic opportunities	2018	23 months (1 Jun 2018-31 May 2020)
Child Pact	To support Child Pact to equip countries in Eastern Europe and the Caucasus to prevent and respond to violence against children. Child Pact will do this by: advocating for the implementation of the INSPIRE strategies; exploring capacities for prevention of child sexual abuse and exploitation; and building capacity.	100'000.00	Worldwide	Prevent Child Sexual Abuse	Strategic opportunities	2018	23 months (1 Oct 2018-30 Sep 2020)
ECPAT International	To support the efforts of ECPAT International in ending the sexual exploitation of children around the world. This includes children trafficked for sexual purposes, and children sexually exploited through prostitution, in the travel and tourism sectors, and online. ECPAT and its global network of 104 members in 93 countries work collaboratively with partners and stakeholders at the global, regional and national levels to ensure that children everywhere enjoy their fundamental rights, and are protected from all forms of sexual exploitation.	700'000.00	Worldwide	Prevent Child Sexual Abuse	Strategic opportunities	2018	18 months (1 Feb 2018-30 Aug 2019)
MAN Men for Gender Equality	To develop a more inclusive and sustainable Men Engage network in Europe to make men and boys allies in gender justice and in the elimination of sexual and gender-based violence and child abuse. This one-year project will strengthen Men Engage Europe's structure, role and responsibilities. It will also improve coordination and interconnectivity among the networks 60 member organisations.	91'660.00	Worldwide	Prevent Child Sexual Abuse	Strategic opportunities	2018	11 months (1 Apr 2018-31 Mar 2019)
Network of European Foundations	To support the Evaluation Challenge Fund to research the prevention of violence against children in low-income countries and communicate these findings to people involved in policy design and programming for children. Those involved include international organisations, global networks, other funders and research institutions. NEF is an operational platform that seeks to develop joint initiatives between foundations and other actors.	248'300.00	Worldwide	Prevent Child Sexual Abuse	Strategic opportunities	2018	15 months (15 Oct 2018-14 Feb 2020)
New Venture Fund	To support the Global Partnership to End Violence Against Children and partners to advance the violence prevention movement. This grant also aims to pilot the End Violence Investors Forum to foster a new community of major international donors in support of the field.	2'000'000.00	Worldwide	Prevent Child Sexual Abuse	Strategic opportunities	2018	23 months (1 Nov 2018-30 Oct 2020)
Terre des Hommes International Federation	To provide support to the Children Win Campaign, which promotes child rights in the bidding processes of sporting organisers, and to the Destination Unknown Campaign, which works to protect children on the move. TDH works to defend and promote the rights of children.	499'699.00	Worldwide	Prevent Child Sexual Abuse	Strategic opportunities	2018	19 months (1 May 2018-31 Dec 2019)
Tides Foundation	To administer grants out of the Children First Fund to support the planning and implementation of strategies to protect children against violence around the world. Tides Foundation is a San Francisco-based not-for-profit organisation that makes grants to charitable organisations. Created by Prevent Child Sexual Abuse Programme (Prevent CSAP) in 2014, the Children First Fund supports Prevent CSAP's partners to improve planning, deliver policy inputs and increase the evidence base of violence against children.	500'000.00	Worldwide	Prevent Child Sexual Abuse	Strategic opportunities	2018	11 months (1 Aug 2018-31 Jul 2019)
UNICEF, the United Nations Children's Fund	To prevent and respond to online child sexual abuse and exploitation through targeted and evidence-based programmes at national, regional and global levels. The grant aims to support work to reduce online violence, expand knowledge of online safety among individuals and society, establish industry standards, and strengthen systems to investigate and prosecute online violence, as well as support survivors.	5'000'000.00	Worldwide	Prevent Child Sexual Abuse	Strategic opportunities	2018	36 months (1 Jun 2018-1 Jun 2021)
New Venture Fund	To invest in communities most impacted by climate change so that they can manage the shocks, rebound and continue on a progressive pathway to sustainable development. The project is rooted in a social justice and human rights framework. It will prioritise the contributions and demands of women, youth and indigenous peoples to advance their adaptation and resilience to climate change. This will help influence national and inter-governmental financing mechanisms in ways that support 'bottom-up' community-led approaches. The New Venture Fund (NVF) works to achieve a healthier, more equitable world.	20'000'000.00	Worldwide	Special Initiatives	Climate Justice	2016	72 months (1 Aug 2016-01.08.2022)
Center for International Environmental Law, Inc.	To secure climate justice for those most impacted by climate change. Through legal advocacy, analysis and litigation, CIEL will urge governments, corporate and financial actors to take urgent and ambitious action to secure a safe climate. By connecting local communities to global climate fora, CIEL will work to ensure the design and implementation of policies to protect the rights of the most vulnerable but least responsible for climate change.	1'000'000.00		Special Initiatives	Climate Justice	2015	47 months (1 Mar 2015-28 Feb 2019)
ClimateWorks Foundation, USA	To support ClimateWorks efforts to contribute to the emissions reductions necessary to limit global warming to well below 2°C and help prevent damage that will be caused by more extreme global warming. This grant will contribute to: a global view of climate change science and the mitigation needed to meet reduction goals; supporting strategic grant-making by foundations; and the design and implementation of sectoral campaigns in collaboration with partners.	45'000'000.00	Worldwide	Special Initiatives	Environment	2018	35 months (1 Dec 2020-30 Nov 2023)
ClimateWorks Foundation, USA		30'000'000.00	Worldwide	Special Initiatives	Environment	2018	23 months (1 Dec 2018-30 Nov 2020)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
ClimateWorks Foundation, USA	To support ClimateWorks efforts to contribute to the emissions reductions necessary to limit global warming to 2°C and help prevent the human suffering and ecological damage associated with more extreme global warming. This grant will contribute to a global view of climate change science and the emissions needed to meet reduction goals, coordination of strategic grant-making among foundations, and the design and implementation of sectoral campaigns in collaboration with partners.	75000000.00	Worldwide	Special Initiatives	Environment	2014	72 months (1 Jan 2014-31.12.2019)
Amnesty International Secretariat	To support Amnesty International's International Secretariat to grow and mobilise its supporter base, improve its communications and messaging, and diversify its global income. Amnesty International is a global movement of millions of supporters, members and activists in more than 150 countries and territories who campaign for internationally recognised rights for all.	36000000.00	Worldwide	Special Initiatives	International Human Rights	2018	37 months (1 Apr 2018-31 May 2021)
Fund For Global Human Rights	To support Fund for Global Human Right efforts to: build a broad support constituency; deploy targeted and strategic communications to improve human rights messaging; and develop an institutional infrastructure to diversify and grow a broad revenue base.	44000000.00	Worldwide	Special Initiatives	International Human Rights	2018	35 months (2 Apr 2018-31 Mar 2021)
Human Rights Watch	To support HRWs efforts to counter the anti-rights populist surge and help strengthen the global human rights movement. As part of its core mission, HRW will conduct rigorous research (investigate), proactive media and public outreach (expose) and robust reform advocacy (change). To reinforce this work, HRW will proactively expand engagement with new partners and audiences, enlisting the publics support through value-driven campaigns.	40000000.00	Worldwide	Special Initiatives	International Human Rights	2018	35 months (1 Apr 2018-31 Mar 2021)
Physicians for Human Rights	To support PHR to build a network of health care professionals for human rights, make medical and scientific voices heard through communications and advocacy, and sustain its work through larger and a more diverse base of supporters. Based in New York, PHR works at the intersection of medicine and law to end human suffering, save lives, and secure justice and universal human rights for all.	30000000.00	Worldwide	Special Initiatives	International Human Rights	2018	23 months (1 Jun 2018-31 May 2020)
Digital Promise Global	To support DPG to accelerate the Learner Positioning System (LPS) initiative with the goal of improving student agency and teacher instruction. DPG is a US-based not-for-profit organisation committed to educational innovations which improve opportunities to learn. The LPS initiative will develop research-based models for understanding learning across content areas and for individual learners. DPG will partner with technology developers, educators and policy leaders to use these models to shape the design and delivery of educational products and systems to support the full range of variability in learners.	100000000.00	United States	Special Initiatives	Learning Differences	2017	59 months (01 May 2017-30 Apr 2022)
European Foundation Centre	To provide core support to the EFC, which aims to be the voice of institutional philanthropy in Europe and to serve as a centre of sector knowledge and exchange. This grant will focus on membership development and investment in information technology tools for sharing member profile data.	476190.00	Belgium	Special Initiatives	Special Interest	2018	47 months (1 Jan 2018-31 Dec 2022)
Royal Marsden Cancer Campaign	To support the construction of a state-of-the-art research and clinical care centre at the Royal Marsden Hospital in Sutton, the United Kingdom. This will help treat an increased number of adult cancer patients and speed up research and clinical progress. The Royal Marsden Hospital is the largest comprehensive cancer centre in Europe.	33333333.00	United Kingdom	Special Initiatives	Special Interest	2018	47 months (1 Apr 2018-31 Mar 2022)
The Voices Project	To support the UK-based 'The Syria Campaign' in its work to elevate Syrian heroes and build global support behind them. The Syria Campaign works remotely to create a bridge between those trapped inside Syria facing violence on all sides and the international community. Believing in freedom, democracy and peace, it works to raise awareness of civil society groups in media and popular culture. By doing so it hopes to encourage the sense that there is a Syria worth protecting. This will also help ensure that the peoples voices are heard in political discussions on Syria's future.	20000000.00	United Kingdom	Special Initiatives	Special Interest	2017	47 months (01 Jul 2017-30 Jun 2021)
Danish Refugee Council (DRC)	To support the Danish Refugee Councils work in the Democratic Republic of the Congo. Danish Refugee Council is working in some of the most severely impacted parts of the country to help save lives, promote dignity and reduce the suffering of those affected by conflict and displacement.	7500000.00	Democratic Republic Of Congo	Special Interest		2018	47 months (1 Oct 2018-30 Sep 2022)
Frederiksberg Hospital, H.S - The Parker Institute	To provide core support to the Parker Institute at Frederiksberg and Bispebjerg Hospital in Denmark. This will enable the Institute to conduct research on the diagnosis, treatment and prevention of musculoskeletal disorders, including osteoarthritis, rheumatoid arthritis and fibromyalgia. The Parker Institute is an independent clinical research Institute which collaborates with the Department of Rheumatology at Frederiksberg and Bispebjerg Hospital.	4080414.00	Denmark	Special Interest		2018	59 months (1 Jan 2018-31 Dec 2023)
Modrehjaelpen (Mothers 'Aid)	To expand counselling and treatment efforts for vulnerable single parents, pregnant women and other vulnerable families in Denmark. The counselling services aim to strengthen the abilities of parents, empowering them to provide their children with the best possible start in life in a safe and caring environment.	955414.00	Denmark	Special Interest		2018	35 months (1 Jan 2018-31 Dec 2020)
Statens Serum Institut	To support research at the Statens Serum Institut Denmark. This grant aims to prevent and treat pregnancy complications and childhood diseases by investigating environmental and genetic influences on health during pregnancy and early childhood. The Statens Serum Institut is a government institution under the Danish Ministry of Health. It is one of Denmark's largest research institutions and is responsible for the Danish preparedness against infectious diseases, biological threats and control congenital disorders.	1556807.00	Denmark	Special Interest		2018	47 months (1 Sep 2018-31 Aug 2022)
Gorongosa Restoration Project Inc	To establish more than two million hectares of protected areas in central Mozambique as part of restoring a large area damaged from two decades of civil war. Mozambique's Gorongosa National Park is one of the wildest and least-developed areas of its kind in sub-equatorial Africa. The Gorongosa Restoration Project aims to reduce threats to the parks biodiversity by: increasing local support for its conservation; applying scientific knowledge to support planning and management; and increasing the resilience of household economies in the local area.	2000000.00	Mozambique	Special Interest		2018	9 months (1 Mar 2018-31 Dec 2018)
Children's Medifund Corporation	To provide core support to FFAAC to improve the lives of poor and marginalised people in Cambodia, Vietnam, Thailand and Burma. FFAAC focuses on communities affected by poor infrastructure, restricted water supply and inadequate educational and health facilities.	3000000.00	South-Eastern Asia	Special Interest		2018	35 months (1 Jan 2018-31 Dec 2020)
Chem Chem Foundation	To secure the wildlife corridor between the two eco-systems of Tarangire and Manyara in Tanzania and to protect the last big herds of bull elephants. Since 2008, the Chem Chem Foundation has invested in conservation and community-related projects. This investment, combined with a deep passion for conservation, builds on a long-term commitment to the area, the communities and the wildlife.	6000000.00	Tanzania	Special Interest		2018	35 months (1 Aug 2018-31 Jul 2021)
Good Shepherd Sisters	To provide support to the GSS to assist the villagers of Nong Khai Thailand. This will be done by: providing training and employment; promoting literacy and the pursuit of higher education among children and youth; educating on improved farming methods; increasing outreach services to villagers; providing nursing/hospice care to patients; and cooperating with local government departments and others to use and share resources, knowledge and experience.	606447.00	Thailand	Special Interest		2018	59 months (1 Aug 2018-31 Jul 2023)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
Children & the Arts	To increase access to the arts for children and young people across the UK who would not otherwise have the opportunity to take part. The charity's mission is to give children a more fulfilling, creative and enriched life through cultural experiences, while raising their confidence and increasing aspirations.	400'000.00	United Kingdom	Special Interest		2018	31 months (1 Dec 2018-31 Jul 2021)
Courtauld Institute of Art	To support the Courtauld's Young People and Galleries Programme, which offers students from disadvantaged socio-economic backgrounds in London greater access to art, art history and expertise available from this leading academic institution. The project aims to transform the way art history is taught to young people and to offer opportunities for personal, educational and career development that might not otherwise be accessible to them.	511'183.00	United Kingdom	Special Interest		2018	35 months (1 May 2018-30 Apr 2021)
Ex Cathedra	To support Ex Cathedra, a leading UK choir, to deliver Singing Medicine - a programme which aims to improve the well-being of children at Birmingham Children's Hospital through positive and inclusive interactive songs and singing games.	203'003.00	United Kingdom	Special Interest		2018	35 months (1 Jan 2019-31 Dec 2021)
Goldsmiths, University of London	To support Goldsmiths, University of London, to establish a new Centre for Contemporary Art(CCA) on its campus along with accompanying programmes. The presence of a gallery will bring significant practising artists into close contact with young talent, giving students a unique insight into how the art world operates on a practical level, as well as inspiring the m artistically.	800'000.00	United Kingdom	Special Interest		2018	35 months (1 Jul 2018-30 Jun 2021)
Havens Hospices (Little Havens Children's Hospice)	To provide core support to Little Havens Children's Hospice so that it can provide respite care and specialist palliative care services to children under 19 years old. Little Havens Children's Hospice is the only children's hospice in Essex, the United Kingdom.	666'667.00	United Kingdom	Special Interest		2018	59 months (1 Jan 2019-31 Dec 2023)
HelpForce Community Trust	To support HelpForce Community Trust to use the power of volunteering to improve health and social care services in the UK. HelpForce believes that volunteers can help healthcare professionals and community organisations to meet the diverse care and support needs of patients, ultimately improving the health and wellbeing of people across the UK.	1'280'000.00	United Kingdom	Special Interest		2018	36 months (1 Oct 2018-1 Oct 2021)
Marie Curie Cancer Care	To support Marie Curie, based in the UK, in its mission to help people and their families living with a terminal illness make the most of the time they have together. This is done through the provision of expert care, emotional support, research and guidance. This grant will help enable Marie Curie to rollout a new model of locally, clinically coordinated care in the UK to better meet the needs of its patients and families, NHS referrers and other agencies.	1'342'925.00	United Kingdom	Special Interest		2018	35 months (1 Oct 2018-30 Sep 2021)
Pancreatic Cancer UK	To provide core support to Pancreatic Cancer UK, supporting its investments in research and its work on data and intelligence to drive policy changes and improve treatment and care for patients with pancreatic cancer. Pancreatic Cancer UK is a charity in the UK fighting against pancreatic cancer by investing in research, supporting patients and advocating for change.	1'000'000.00	United Kingdom	Special Interest		2018	35 months (3 Dec 2018-3 Dec 2021)
The Sixteen	To support the Sixteen, a choir and period-instrument orchestra committed to preserving and championing its choral heritage, to prepare for its 40th anniversary year in 2019. The Sixteens touring, recording and education programme aims to reach as wide and diverse an audience as possible. It also aims to break ground with new commissions and partnerships, to create a global following without boundaries and to nurture the next generation of musicians.	266'667.00	United Kingdom	Special Interest		2018	31 months (1 Mar 2018-31 Oct 2020)
V&A Museum of Design Dundee	To further V&A Dundee's mission to enrich lives through design, by supporting the new museums programme for children and young people (aged 16 - 24). The museum opened in mid-September 2018: an international centre of design presenting the brilliance of Scottish creativity and the best of design from around the world. Support of the learning programmes ensures design continues to inspire, spark and fire young imaginations.	300'000.00	United Kingdom	Special Interest		2018	35 months (1 Apr 2018-31 Mar 2021)
Wessex Chalk Stream & Rivers Trust	To support the Wessex Chalk Stream and Rivers Trust to protect and improve the chalk streams and rivers of the Wessex region in southern England. Wessex harbours nearly 25 per cent of the world's chalk streams. Specialist staff and dedicated volunteers collaborate on research, education, habitat restoration and catchment management to ensure the health and survival of this unique and rare ecosystem.	300'000.00	United Kingdom	Special Interest		2018	35 months (1 Jan 2019-31 Dec 2021)
Chatham Education Foundation	To launch Chatham County Kindergarten Readiness Camp so that low-income students in North Carolina, the United States can gain additional skills to help close the achievement gap before attending public school. Chatham Education Foundation seeks to open doors to educational and personal growth for all students in Chatham County Schools in North Carolina.	250'000.00	United States	Special Interest		2018	35 months (1 Jan 2018-31 Dec 2020)
Community Empowerment Fund	To cultivate opportunities, assets and communities in Orange and Durham counties in North Carolina that support the alleviation of homelessness and poverty. The Community Empowerment Fund provides relationship-based support, matched savings accounts, workforce development, and financial education to individuals experiencing or at-risk of experiencing homelessness.	300'000.00	United States	Special Interest		2018	35 months (1 Jan 2019-31 Dec 2021)
Concussion Legacy Foundation, Inc.	To educate children and parents on how to recognise and respond to concussions through the sports media in the United States. Concussion Legacy Foundation Media project will embed concussion education in sports broadcasts watched by children every day, turning journalists into trained public health messengers. It will follow a train-the-trainer model to teach how to cover concussions in college journalism programmes.	300'000.00	United States	Special Interest		2018	36 months (1 Sep 2018-1 Sep 2021)
East Durham Children's Initiative	To provide high-quality services to children and families of East Durham, North Carolina. East Durham Children's Initiative focuses on the following priorities: increasing out-of-school learning opportunities for youth; developing middle and high school programming; exploring opportunities to scale services; and creating anew service delivery model that will increase its reach while providing individualised academic and social-emotional supports for youth.	2'500'000.00	United States	Special Interest		2018	59 months (1 Jul 2018-30 Jun 2023)
El Pueblo, Inc.	To help Latinx people to achieve positive social change by building consciousness, capacity and community action in North Carolina, the United States. El Pueblo seeks to create a just and equitable community where all people are respected, valued and engaged.	400'000.00	United States	Special Interest		2018	47 months (1 Jan 2019-31 Dec 2022)
Good Shepherd Services	To provide support to GSS to ensure it can continue to provide its services to children, youth and families who struggle the most in New York City - particularly in East New York and Red Hook (Brooklyn) and the Bronx. GSS programmes help to ensure that more families stay united, more young people graduate from high school and college, and more young people find their voice and accomplish their goals. GSS runs two networks of community-based educational support, justice diversion and family counselling programmes in East New York and the Bronx including family foster care, residential programmes for youth in the child welfare and juvenile justice systems, and supportive housing for homeless young adults.	10'000'000.00	United States	Special Interest		2018	59 months (1 Jan 2019-31 Dec 2023)
Guiding Lights	To be a comprehensive caregiver support centre for family and professional caregiving in North Carolina, the United States. Guiding Lights is a community-based organisation that represents the one-stop place where caregivers can turn for help and the information, resources and training.	460'000.00	United States	Special Interest		2018	35 months (1 Sep 2018-31 Aug 2021)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
Hawaii Community Foundation	To narrow the achievement and opportunity gaps between education and careers among students from disadvantaged backgrounds in Hawaii. This grant aims to improve the resilience of Hawaiis communities by: addressing the threat of climate change; moving more low-income families and individuals into stable housing faster; and strengthening networks among community leaders working to find solutions for critical issues.	5'000'000.00	United States	Special Interest		2018	47 months (2 May 2018-30 Apr 2022)
Latinx Education Center	To create pathways to opportunity for students from immigrant families. Latinx Education Center empowers families to improve conditions for themselves, their families and communities in the US. Latinx works to dismantle barriers that prevent immigrant families from accessing higher education.	250'000.00	United States	Special Interest		2018	35 months (1 Aug 2018-1 Aug 2021)
North Carolina Early Childhood Foundation	To promote understanding and collaboration and to advance policies to ensure that each child in North Carolina is on track for lifelong reading success by the end of third grade. North Carolina Early Childhood Foundation is the lead organisation for the Campaign for Grade-Level Reading in the state. The Campaign is a collaborative effort by foundations, not-for-profit partners, business leaders, government agencies and communities.	250'000.00	United States	Special Interest		2018	23 months (1 Apr 2018-31 Mar 2020)
Operation Homefront,Inc.	To provide financial assistance for US military families, both active duty and veterans, facing crises. The Critical Assistance Program offers rent payment to avoid eviction, mortgage payments to avoid foreclosure, emergency food assistance, urgent home repairs, car repairs, medical/dental bills and utility bills. Operation Homefront builds strong, stable and secure military families so they can thrive in their communities.	600'000.00	United States	Special Interest		2018	35 months (1 Feb 2018-31 Jan 2021)
Safe Horizon	To provide core support to Safe Horizon's Street work Project in New York. Safe Horizon works to provide support, prevent violence and promote justice for victims of crime and abuse, as well as for their families and communities. A cornerstone of this mission is the Street work Project, which seeks to empower homeless young people in New York City through: comprehensive, trauma-informed services; the development of innovative, replicable programme models to meet their needs; and systems-level advocacy to increase awareness and supportive resources for vulnerable youth.	1'500'000.00	United States	Special Interest		2018	35 months (1 Apr 2018-31 Mar 2021)
Self-Help (Center for Community Self-Help)	To create and protect ownership and economic opportunity among single-headed households in Chapel Hill, North Carolina. The Women's Homebuyer Initiative helps households break out of economic hardship by making homeownership more affordable.	1'000'000.00	United States	Special Interest		2018	23 months (1 Aug 2018-31 Jul 2020)
US Soccer Foundation	To expand the Soccer for Success programme with the goal of impacting the lives of one million youth each year by 2026. U.S. Soccer Foundation seeks to ensure that all children grow and thrive in community environments where safe spaces to play, positive mentors, and engaging out-of-school programmes are the norm. U.S. Soccer Foundation recognises the sports powerful potential to improve the health and wellbeing of youth throughout the United States.	1'000'000.00	United States	Special Interest		2018	59 months (1 Aug 2018-31 Jul 2023)
Warriors & Quiet Waters Foundation Inc.	To help a new generation of combat veterans successfully reintegrate into society. Through the experience of fly fishing in Montana, Warriors & Quiet Waters is a catalyst for positive change in the lives of post-9/11 combat veterans.	250'000.00	United States	Special Interest		2018	59 months (1 Jul 2018-30 Jun 2023)
English Speaking Cancer Association	To support ESCA Cancer Supports mission to positively impact the lives of those affected by cancer. It will provide emotional support, practical help and information in English to patients and their families and carers in Geneva and Vaud in Switzerland and in regions in neighbouring France. ESCA CSs vision is to serve clients in a friendly environment, to be supportive, non-judgemental and confidential, and to become well integrated in the regions medical and cancer support community.	210'204.00	Western Europe	Special Interest		2018	23 months (1 Jan 2019-31 Dec 2020)
Fondation des Fondateurs	To support Fondation des Fondateurs, the intermediary through which a number of foundations support a collaborative called Funders for Fair Trade (FFT). FFT seeks to support a rigorous, informed and coordinated challenge to TTIP-style trade agreements across a strategic set of sectors and nations. FFT seeks to ensure that trade agreements that negatively impact core EU values of democracy, environmental protection, public health and human rights are not implemented.	1'000'000.00	Western Europe	Special Interest		2018	23 months (1 Jul 2018-30 Jun 2020)
Uppsala University	To support the Karolinska Institute in Sweden to develop and test a scalable, non-stigmatising and low-cost clinical intervention for refugees and survivors of rape across Europe suffering from post-traumatic stress disorder. This intervention will be drawn from advanced psychological research on mental health and will be delivered through an app.	1'926'649.00	Western Europe	Special Interest		2018	59 months (1 Mar 2019-28 Feb 2024)
Blacksmith Institute dba Pure Earth	To support the development of health and pollution action plans in Thailand, Madagascar, Bangladesh and Indonesia to help governments to tackle the worst pollution problems that impact public health. Pure Earth spearheads the Global Alliance on Health and Pollution, a collaborative body of more than 60 members including the World Bank, UNEP, the European Commission, and ministries of environment and health of many low-and middle-income countries with the goal of addressing pollution problems that impact human health.	750'000.00	Worldwide	Special Interest		2018	30 months (1 Jun 2018-31 Dec 2020)
Mercy Ships	To support the outfitting of a hospital on Global Mercy, a new ship which will serve patients in Africa. This new ship will more than double the capacity of the organisation Mercy Ships to deliver life-saving and life-changing surgery to patients and training for medical practitioners in host nations. The ship will serve patients who would otherwise lack access to safe, free healthcare.	5'000'000.00	Worldwide	Special Interest		2018	23 months (1 Aug 2018-31 Jul 2020)
Nest, Inc.	To support growth in Nest's Fellowship Programme, which matches mentors with hand workers and artisan businesses in developing countries to help them realise their potential, access the global marketplace and grow. Nest's mission is to help build a new hand worker economy to increase global workforce inclusivity, improve women's wellbeing beyond factories, and preserve important cultural traditions around the world.	749'379.00	Worldwide	Special Interest		2018	36 months (1 Oct 2018-1 Oct 2021)
Our Military Kids Inc	To provide support and recognition to children of deployed National Guard and Reserve service members and wounded veterans from all branches of service in the US. Our Military Kids provides athletic, fine arts and tutoring programmes to keep children of military families engaged in activities of their choice. This helps to relieve the stress of separation from the military parent by providing a positive distraction, minimising emotional destabilisation, building self-esteem and enabling academic achievement.	200'000.00	Worldwide	Special Interest		2018	35 months (1 Jan 2018-31 Dec 2020)
Saidrone	To create technology that provides high-resolution, full-depth mapping of the oceans sea floor. Saidrone will collaborate with the Central Caribbean Marine Institute (CCMI), the UK's National Oceanography Center (NOC) and the US's National Oceanic and Administrative Administration (NOAA). They will plan the first autonomous mapping mission of the Cayman Trough, a complex fault zone on the floor of the western Caribbean Sea between Jamaica and the Cayman Islands.	2'500'000.00	Worldwide	Special Interest		2018	23 months (1 Aug 2018-31 Jul 2020)
Swiss Philanthropy Foundation	To provide core support to Partners for a New Economy (P4NE), an international donors collaborative fund supported by the Swiss Philanthropy Foundation. P4NE works to generate and employ new partnerships and systems-level interventions to transform how our environment and economy are valued.	2'020'000.00	Worldwide	Special Interest		2018	36 months (1 Dec 2018-31 Dec 2021)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
The Value Web	To support the Value Web's Global Commons project, which aims to establish new norms to operate within planetary boundaries. This will be achieved by developing science-based targets for a range of environmental challenges for business, investors and governments to operate within the boundaries of our planet's resources.	500'000.00	Worldwide	Special Interest		2018	11 months (1 Mar 2018-28 Feb 2019)
OXFAM	To provide support to Oxfam UK for its humanitarian emergency operations. Oxfam is an international confederation working with partners in over 90 countries to end the injustices that cause poverty.	600'000.00	Yemen	Special Interest		2018	11 months (1 Apr 2018-31 Mar 2019)
Mary's Meals International Organisation	To support Mary's Meals to deliver a school feeding programme to over 23,650 children in Matabele and North in Zimbabwe. This will reduce classroom hunger and promote access, participation and progression through primary education. This project seeks to increase community support for education and provide families with a social safety net in times of food insecurity.	1'825'840.00	Zimbabwe	Special Interest		2018	35 months (1 Oct 2018-30 Sep 2021)
The African Wildlife Foundation	To support the African Wildlife Foundation's project in the Savé Valley Conservancy in Zimbabwe, where it works to protect wildlife, including a critical population of rhinos. The conservancy seeks to improve its rhino protection programme and to facilitate the translocation of rhinos, in the long-term, to populate other areas. The project will provide critical salary and equipment support for rangers, enhance the existing intelligence gathering network, and allow for biological monitoring of the rhino population and maintenance of natural habitat.	700'000.00	Zimbabwe	Special Interest		2018	47 months (1 Jul 2018-30 Jun 2022)
Queensland Ballet Company	To support the Jette Parker Young Artist Program (at Queensland Ballet Company), a year-long apprenticeship programme offering young talented dancers a career pathway and building the next generation of internationally sought-after dancers. Queensland Ballet Company is a dance company in Queensland (Australia) connecting people and dance through performance, training, education and community engagement activities.	2'000'000.00	Australia	Special Interest		2017	47 months (01 Jan 2017-31 Dec 2020)
ForÅlder Fonden	To establish a new student hall of residence for single parents, thus creating a safe, stable, and stimulating everyday life for the single parent and their children while they pursue an education. The new student hall of residence will support and promote the educational endeavours and support a sound family life for vulnerable families.	4'634'605.00	Denmark	Special Interest		2017	25 months (01 Jun 2017-31 Jul 2019)
Maitri	To continue Maitri's work with abandoned widows in Vrindavan, India. This project is designed to help restore dignity and respect to women who have been abandoned by ensuring their access to citizenship rights, and by providing healthcare, basic nutrition, shelter and income generation training. Maitri is a New Delhi-based organisation which implements a range of projects that support women and fight for access to healthcare for migrant workers and their families, among other work.	246'852.00	India	Special Interest		2017	35 months (01 Oct 2017-30 Sep 2020)
Wildlife SOS	To provide core support to Wildlife SOS, an organization founded in 1995 to protect and conserve India's natural heritage, forest and wildlife. Wildlife SOS is also involved in conserving habitat, studying biodiversity, conducting research, rescuing wildlife and creating alternative and sustainable livelihoods for poacher communities and those communities that depend on wildlife for sustenance.	381'870.00	India	Special Interest		2017	23 months (01 Jun 2017-31 May 2019)
Good Shepherd International Foundation ONLUS	To provide support to Good Shepherd International Foundation and its partners in more than 30 countries to improve the lives of vulnerable children, girls and women in particular. This is achieved through a focus on poverty eradication, prevention of human trafficking, protection of the rights of migrants, elimination of all forms of violence and discrimination. Good Shepherd International Foundation does this through: capacity building; resource mobilisation; promotion of good practices in service provision; and organisational learning and strengthening.	2'659'574.00	Italy	Special Interest		2017	51 months (01 Sep 2017-31 Dec 2021)
Elephants Alive	To ensure the survival of elephants and their habitats and to promote harmonious co-existence between humans and elephants. Elephants Alive works to: provide science-based information to secure the survival of elephants within intact ecosystems; create awareness of the plight of elephants at a time when populations are being decimated across Africa; and captures hearts and minds through research, education, advocacy and networking both locally and internationally.	300'000.00	South Africa	Special Interest		2017	35 months (01 Oct 2017-30 Sep 2020)
Munyawana Conservancy	To expand and conserve wilderness areas and to protect the flora, fauna and endemic species residing within the Munyawana Conservancy. The grant will support several conservation projects, which include: monitoring spotted hyenas; studying biodiversity of grassland and soils; and dehorning black and white rhinos for their protection.	400'000.00	South Africa	Special Interest		2017	47 months (01 Oct 2017-30 Sep 2021)
CANSEARCH Foundation	To support the research team of CANSEARCH Foundation in Switzerland to improve treatment for children with cancer and blood diseases. This will be done by working to adjust chemotherapeutic/irradiation treatments according to the children's genetic makeup. CANSEARCH Foundation was founded in 2011 to improve the chance of survival and the quality of life of children with cancer and blood diseases.	500'000.00	Switzerland	Special Interest		2017	59 months (01 Aug 2017-31 Jul 2022)
EPER - Entraide Protestante Suisse	To contribute to improving the quality of life of migrants in Geneva by providing information about the health and social services that they are entitled to access. Through discussions, information sessions, drop-in advice sessions and cultural and physical activities, Permanences Volantes offers services that are complementary to those provided by institutions.	396'040.00	Switzerland	Special Interest		2017	41 months (01 Jul 2017-31 Dec 2020)
Fondation Partage	To support Fondation Partage's core mission to collect and sort unsold stock from Geneva's food stores and to distribute it free of charge to associations and social services which assist and provide for those in need. Through its work, Partage fights against food waste and supports professional rehabilitation.	297'030.00	Switzerland	Special Interest		2017	36 months (15 Sep 2017-15 Sep 2020)
Missing Children Switzerland	To give core support to MCS to provide round-the-clock support and advice to anyone confronted with or fearing a child's disappearance in Switzerland. MCS will also continue to advocate for improvements in the way the Swiss authorities respond to missing children cases, and to conduct campaigns to raise awareness around risks and prevention.	623'762.00	Switzerland	Special Interest		2017	36 months (31 Dec 2016-31 Dec 2019)
WWF International	To provide young people with an opportunity to engage in the conservation of the environment through internship programmes in WWF's offices around the world and to develop the world's future leaders in sustainable development. WWF works to conserve nature and reduce the most pressing threats to the diversity of life on Earth.	396'040.00	Switzerland	Special Interest		2017	36 months (01 Jul 2017-01 Jul 2020)
Bristol Zoological Society	To support the Bristol Zoological Society's 'British Ancient Woodland' project, which will restore an 8.5 hectare piece of ancient woodland. Species still found there will be protected and species which used to live there will be displayed in their historic woodland setting. This project is in keeping with Bristol Zoo's mission to: save wildlife through conservation science research; protect species and habitats; encourage sustainable behaviour and perceptions; educating people about wildlife; and simply giving families a great day out.	959'354.00	United Kingdom	Special Interest		2017	23 months (02 Oct 2017-30 Sep 2019)
Build It International	To support Build It International's construction training programme in Zambia. This will include the completion of a Centre for Excellence near Lusaka where it will deliver and promote construction skills training, small business development and sustainable building techniques. The training programme will focus on young men and women living in poverty.	750'000.00	United Kingdom	Special Interest		2017	35 months (01 Jul 2017-30 Jun 2020)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
Combat Stress	To provide core support to Combat Stress to give timely and effective clinical treatment to UK military veterans who suffer from psychological wounds. Combat Stress is the leading charity for the recognition, diagnosis, treatment and management of mental illness to former servicemen and women in the UK.	1'250'000.00	United Kingdom	Special Interest		2017	35 months (01 Jan 2018-31 Dec 2020)
Coram's Field	To improve the physical and mental wellbeing of children and young people with an emphasis on those from lower socio-economic backgrounds, through the delivery of a free, comprehensive sports programme.	352'563.00	United Kingdom	Special Interest		2017	35 months (01 Aug 2017-31 Jul 2020)
Foundation for Change	To provide core support to the London-based organisation Foundation for Change which helps people from disadvantaged backgrounds. This support will help those who have experienced addiction to drugs or alcohol achieve positive and enduring changes in their lives and to fully participate in society.	200'000.00	United Kingdom	Special Interest		2017	35 months (01 Jan 2018-31 Dec 2020)
New Economics Foundation	To provide core support to NEF and through them, to the New Economy Organisers Network (NEON). NEF partners directly with communities to help them take control of their lives, while also working to build systemic solutions for the future. NEON connects, focuses and builds the power of movements for social and economic justice.	500'000.00	United Kingdom	Special Interest		2017	24 months (17 Jul 2017-17 Jul 2019)
Royal Foundation of the Duke and Duchess of Cambridge and Prince Harry	To increase rhinoceros populations in priority sites in Southern Africa, and to support the effective disruption of trafficking of wildlife products through engagement with the transport sector.	625'000.00	United Kingdom	Special Interest		2017	36 months (01 Feb 2018-01 Feb 2021)
Royal Marsden Cancer Campaign	To support the Royal Marsden Hospital in London, the United Kingdom, to develop new treatments for children and teenagers with cancer to improve the survival and reduce the long-term health effects of cancer treatments. This will be achieved through research (in particular drug development) and clinical trials.	3'005'120.00	United Kingdom	Special Interest		2017	60 months (01 Jul 2017-31 Jul 2022)
Shobana Jayasingh Dance	To provide core support for Shobana Jayasingh Dance to continue producing and touring dance works across the United Kingdom and internationally. This grant will also provide opportunities to share Shobanas creative vision through a high-quality learning and participation programme for underserved communities.	281'250.00	United Kingdom	Special Interest		2017	35 months (01 Jan 2017-31 Dec 2019)
The Queen's Commonwealth Trust	To support the Queen's Commonwealth Trust in its work to provide small grants to young people throughout the Commonwealth, to help them get good ideas off the ground. Young entrepreneurs in developing countries often have the best ideas for solving local problems, but they lack access to development funding. The Queen's Commonwealth Trust will work through partners to identify these projects and get start-up funds to them quickly; it will also provide mentoring and networking opportunities to help elevate good ideas and share best practice for replication elsewhere.	375'000.00	United Kingdom	Special Interest		2017	35 months (01 Jan 2018-31 Dec 2020)
Voluntary Arts	To extend and deepen grassroots arts engagement across the UK and the Republic of Ireland so that participation in creative cultural activity for at least two hours per week becomes recognised as the norm. The hope is that creative cultural activities become widely adopted as a key component of a healthy lifestyle for older people, contributing especially to mental wellbeing.	312'500.00	United Kingdom	Special Interest		2017	23 months (01 Jan 2018-31 Dec 2019)
dZi Foundation	To provide core support to dZi for its work in Nepal. Over the next four years, dZi aims to expand its 'deep development' work in eastern Nepal to reach more than 41,000 people living in 12 communities. These communities are some of the few remaining subsistence farming societies in Nepal and on the globe. dZi works to introduce global benefits and resources to members of these communities while helping them to preserve their important culture, customs and way of life.	400'000.00	United States	Special Interest		2017	47 months (01 Jan 2018-31 Dec 2021)
Exchange Clubs Child Abuse Prevention Center in Durham, Inc. DBA Exchange Family Center	To strengthen families and prevent child abuse and neglect through family support, counselling and education. Exchange Family Center offers in-home parent coaching, works with teachers in preschools, provides trainings and collaborates with community partners to meet the needs of children and families in Durham, North Carolina.	200'000.00	United States	Special Interest		2017	34 months (01 Aug 2017-30 Jun 2020)
Gig's Playhouse Raleigh	To offer foundational learning opportunities for individuals with Down syndrome, their families and the community, by supporting speech-language, social and motor skills through therapy and education. Gigs Playhouse is a national network of sites which work to change the way the world views Down syndrome through national campaigns, educational programmes, and by empowering individuals with Down syndrome, their families and the community. This grant will support the Gigs Playhouse located in Raleigh, North Carolina.	250'000.00	United States	Special Interest		2017	59 months (01 May 2017-30 Apr 2022)
Housing for New Hope Inc.	To prevent and end homelessness for families in Durham County, North Carolina and mitigate the physical, social-emotional and intellectual traumas that homeless children commonly experience. This grant aims to break the cycle of poverty existing in the community. The Durham Collaborative to End Family Homelessness brings together four organisations to work more effectively address the housing needs of families in crisis.	300'000.00	United States	Special Interest		2017	35 months (01 Jul 2017-30 Jun 2020)
Immigrant Justice Corps	To provide core support to IJC so that it can lift immigrants out of poverty by providing pro bono legal services. IJC achieves its mission through a fellowship programme that recruits skilled legal advocates, brings them to New York, then trains and supports them through two or more years of full-time service. Hosted by immigration legal services providers and community-based organisations, IJC Fellows are continually expanding the quality of the immigration services they provide.	400'000.00	United States	Special Interest		2017	23 months (01 May 2017-30 Apr 2019)
International Rhino Foundation	To support International Rhino Foundation to reduce rhino poaching and protect black and white rhinos in the Lowveld conservancies of Zimbabwe and one-horned rhinos in Assam, India. Both programmes are strongly supported by local communities and local and national governments.	600'000.00	United States	Special Interest		2017	35 months (01 Jan 2018-31 Dec 2020)
Jenifer Altman Foundation	To support the European Environment and Health Initiative to strengthen civil society engagement to improve EU policies on endocrine disrupting chemicals (EDCs). Despite widespread use of EDCs and evidence of them being health hazards, the EU has not yet properly regulated these substances. This grant aims to encourage EU decision-makers to adopt an inclusive and protective approach for regulating EDCs.	3'000'000.00	United States	Special Interest		2017	35 months (01 Jan 2018-31 Dec 2020)
Kids in Need of Defense (KIND)	To continue to support KIND's project, 'Protecting Central American children - on the move and at home', which aims to protect, empower and advance the rights of unaccompanied Central American migrant and refugee children. The project addresses the specific needs of migrant children returning to South American countries and connects them to educational and economic opportunities.	1'500'000.00	United States	Special Interest		2017	36 months (01 Jul 2017-01 Jul 2020)
Laurel House, Inc.	To further develop the website Resources to Recover (www.rtrc.org) that guides, supports and provides best practice resources for mental healthcare. This grant has a specific focus on increasing the resources and support available to young adults and their families to promote early intervention in cases of mental illness to improve recovery and quality of life.	250'000.00	United States	Special Interest		2017	23 months (01 Nov 2017-31 Oct 2019)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
Learning Outside, Inc.	To continue support for the organisations outdoor learning programmes in North Carolina, the US and to help ensure its financial sustainability. Based on research that shows outdoor learning experiences enhance children's imaginations, strengthen attention spans, boost classroom performance and provide many health benefits, Learning Outside provides year-round activities to connect children with the natural world and opportunities for youth who do not have ready access to explore the outdoors.	650'000.00	United States	Special Interest		2017	60 months (01 Oct 2017-01 Oct 2022)
Made in Durham	To implement a coordinated strategy to serve youth who have dropped out of school and who are not employed. Made in Durham will work to improve the lives of youth by connecting them to college and/or paid work that leads to self-sufficiency and to improving the local economy by fulfilling employers need for local talent.	750'000.00	United States	Special Interest		2017	35 months (01 Apr 2017-31 Mar 2020)
Miracle Feet	To provide core support to MiracleFeet to enable it to continue its work in existing partner countries and to expand into new countries to reach and treat more children born with clubfoot. MiracleFeet has a proven programme model and track record in increasing access to proper treatment for children born with clubfoot in developing countries through partnerships with local healthcare providers. MiracleFeet envisions a world where all children born with clubfoot can live productive, active and healthy lives. It aims to eradicate untreated clubfoot globally.	5'000'000.00	United States	Special Interest		2017	59 months (01 Apr 2017-31 Mar 2022)
Providence House	To provide diverse programmes and services while cultivating a nurturing community and caring homes in New York City. Providence House seeks to end the cycle of homelessness, abuse and return to incarceration by creating long-lasting change in the lives of women and families. This will be done through services provided in transitional shelters and permanent supportive housing.	1'000'000.00	United States	Special Interest		2017	59 months (01 Jul 2017-30 Jun 2022)
Robin Hood Foundation	To improve the lives of New Yorkers in poverty and bring down barriers to opportunities that block them. Robin Hood Foundation achieves this by finding, funding and partnering with organisations that help New Yorkers in need, including children, families and young adults as well as immigrants and veterans.	3'000'000.00	United States	Special Interest		2017	35 months (01 Jul 2017-30 Jun 2020)
The Conservation Fund	To continue to build the capacity of grassroots organisations to plan, manage and implement programmes that increase access to healthy foods and connect limited-resource farmers with community markets to strengthen and build more inclusive local food systems. The Conservation Funds Resourceful Communities programme aims to increase food security so that community members can access, grow and distribute safe, affordable and local healthy food.	500'000.00	United States	Special Interest		2017	23 months (01 May 2017-30 Apr 2019)
The Young Center for Immigrant Children's Rights	To enable the Young Center for Immigrant Children's Rights to inform US decision-makers on the reality of life in the home countries of unaccompanied child migrants who face the risk of being repatriated to dangerous situations.	400'000.00	United States	Special Interest		2017	23 months (01 Feb 2017-31 Jan 2019)
Thorn	To support Thorn in its continued development, roll-out and maintenance of a technological tool called 'Sploit', which fights child sexual exploitation on the dark web. The tool is used by law enforcement officers worldwide to find and rescue victims and to identify and prosecute perpetrators who use the dark web to try to evade the law.	500'000.00	United States	Special Interest		2017	23 months (01 Aug 2017-31 Jul 2019)
US Committee for Refugees and Immigrants	To ensure the long-term safety and stability of unaccompanied children in North Carolina by offering legal assistance and mental health services. The US Committee for Refugees and Immigrants protects the rights and addresses the needs of persons in forced or voluntary migration worldwide. It does this by: advancing fair and humane public policy; facilitating and providing direct professional services; and promoting the full participation of migrants in community life.	1'000'000.00	United States	Special Interest		2017	47 months (01 Dec 2017-30 Nov 2021)
Ace Africa UK	To empower children and their communities in Kisumu and Migori, Kenya to improve and sustain their own health, wellbeing and development. Ace Africa operates across five project sites: Bungoma, Western Kenya; Siaya, Nyanza Province; Arumeru District, Anusha Region and Moshi Rural District, Kilimanjaro Region and Kome Island, Mwanza Region.	236'336.00	Kenya	Special Interest		2016	38 months (3 Oct 2016-31.12.2019)
dZI Foundation	To increase economic resilience for 4,000 households in extremely remote communities in eastern Nepal. dZI will work with 3,700 farmers to grow and sell cash crops as well as increase vegetable consumption and food security. It will also form and support three multi-purpose cooperatives to grow to a total of 1,300 members and to provide special support to 386 families who lost homes during the recent earthquakes.	300'000.00	Nepal	Special Interest		2016	36 months (1 Mar 2016-28.02.2019)
Wildlife Conservation Trust	To establish a sanctuary for elephants and rhinos orphaned in the wild or in need of care at the Hoedspruit Endangered Species Centre. Also, to develop a synthetic formula for elephant milk. The Wildlife Conservation Trust (WCT) oversees projects with a focus on conservation, rehabilitation and protection of wildlife. It also implements education and training programmes relating to the environment.	500'644.00	South Africa	Special Interest		2016	36 months (1 Nov 2016-31.10.2019)
Fondation Rel	To provide core support to Fondation Rel	303'030.00	Switzerland	Special Interest		2016	36 months (1 Jun 2016-31.05.2019)
Oak Hill School Foundation	To provide core support to Oak Hill School so that it can continue to offer a half-day programme to students with diagnosed learning differences such as dyslexia and/or attention deficit disorders, who are struggling in mainstream classrooms in and around Geneva, Switzerland. The programme aims to remediate basic skills in reading, writing and mathematics in order for students to realise their potential. Students continue to attend their regular school for the remainder of their day, allowing them to participate in the mainstream curriculum, attend extra-curricular activities and maintain normal social interactions.	2'272'727.00	Switzerland	Special Interest		2016	60 months (1 Aug 2016-31.07.2021)
Swisscleantech	To provide core support to Swisscleantech to conduct business advocacy in Switzerland focused on sustainable development. Through this grant, Swisscleantech will become a broadly supported organisation and a strong voice for the sustainable economy in Switzerland.	2'161'616.00	Switzerland	Special Interest		2016	44 months (1 Aug 2016-31.03.2020)
Birmingham Royal Ballet	To establish a programme called 'Ballet Now' which will support ballet choreographers, composers and designers to create new work. The programme will give participants the creative freedom, artistic opportunity and career-enhancing knowledge of creating ballet within a large-scale ballet company. It will also result in new ballets for audiences in the UK and around the world to enjoy.	1'641'791.00	United Kingdom	Special Interest		2016	60 months (1 Jan 2017-31.12.2021)
Maggie Keswick Jencks Cancer Caring Centres Trust	To support Maggies organisational and programmatic developments, so that it fulfils its ambition to increase the number of Maggies Centres in the UK, from the current 18 to 21, by 2019. Maggie is a UK-based charity offering free practical, emotional and social support for people with cancer and their families and friends. Support is provided in extraordinary buildings, which are meant to be active elements in the healing process.	1'119'403.00	United Kingdom	Special Interest		2016	36 months (1 Nov 2016-31.10.2019)
Pennies Foundation	To provide Pennies with core support to help it continue to grow and provide an increasing amount of donations to the UK charity sector. Pennies provides a simple digitalised way for consumers to make modest donations to UK charities as part of their every day shopping experience.	1'343'284.00	United Kingdom	Special Interest		2016	60 months (1 Jan 2017-31.12.2021)
Rainbow Trust Children's Charity	To help Rainbow Trust Children's Charity raise its profile and increase the number of families it cares for in northeast London and Essex in England. Rainbow Trust Children's Charity is the leading charity in England, providing expert social palliative care to families who have a child with a life threatening or terminal illness. It supports around 2,000 families a year.	895'522.00	United Kingdom	Special Interest		2016	36 months (1 Nov 2016-31.10.2019)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
St Katharine's the Danish Church in London	To support the renovation of the Danish Church in London, which is the only Danish church in London. For many Danes it is also a meeting place away from home where they participate in social, cultural and religious events. The Church is also used for Danish language classes for Danish children and adults.	1'000'000.00	United Kingdom	Special Interest		2016	36 months (1 Dec 2016-30.11.2019)
The Carlos Acosta International Dance Foundation	To establish an international dance school in Cuba for underprivileged gifted and talented dancers from across the globe. The Carlos Acosta International Dance Foundation has a vision to create a world-renowned centre of excellence to give training and education to young dancers who would otherwise not have the opportunity.	1'000'000.00	United Kingdom	Special Interest		2016	36 months (1 Sep 2016-30.08.2019)
The Foundling Museum	To support the Foundling Museum in London to train young adults who grew up in institutional care to develop and deliver creative workshops at the Museum for children in care. Both the trainees and children will benefit from the project and will learn new skills and feel empowered. The Foundling Museum explores the history of the Foundling Hospital, the UK's first children's charity and first public art gallery. Through a dynamic programme of exhibitions and events, the Museum celebrates the ways in which artists of all disciplines have helped improve children's lives for over 275 years.	143'312.00	United Kingdom	Special Interest		2016	36 months (1 Oct 2016-30.11.2019)
The Sutton Trust	To support Sutton Trust's UK summer school programme and an expansion of the programme into Wales. UK summer schools aim to improve social mobility across the UK by enabling highly-able young people from under-privileged backgrounds to access top higher education opportunities. The programme dispels some of the myths that prevent young people from applying to leading universities and from accessing top career paths, breaking the link between birth and educational opportunity.	2'000'000.00	United Kingdom	Special Interest		2016	60 months (1 Jan 2017-31.12.2021)
Boomerang	To help young people suspended from school (ages 11-21) in Orange County to cultivate skills for personal growth and success in a supportive environment. Boomerang works to reconnect middle and high school youth who have disengaged from school and community. Youth attend the programme: (1) if they have been suspended short-term from school, and (2) for afterschool support programming, which includes community service projects, drop-in brief crisis counselling, life skills workshops and tutoring.	300'000.00	United States	Special Interest		2016	36 months (1 Apr 2016-29.03.2019)
Bridge II Sports	To provide core support to BIIIS, which works to help children and adults with physical disabilities discover and build their confidence, self-esteem and tenacity through sports. BIIIS collaborates with community partners throughout the region and state to provide equipment, coaching, team coordination and play space so that people of all ages and abilities can participate in team and individual sports.	400'000.00	United States	Special Interest		2016	48 months (1 Dec 2016-31.12.2020)
Elon University	To use a two-generation approach to support literacy and English language development among parents and children in a school district and university partnership. Through its popular afterschool project, Elon University's, æTi Takes a Village, seeks to increase reading proficiency of at-risk students in five Title I schools in the Alamance-Burlington School System.æ	1'015'100.00	United States	Special Interest		2016	48 months (1 Feb 2016-01.01.2020)
Harlem Children's Zone	To provide core support to the Harlem Children's Zone in New York City, whose programmes offer education, social and wellness services to more than 12,000 children and their families each year. HCZ strives to break the cycle of poverty in Central Harlem by working to build communities, strengthen families and ensure that children succeed in life.	5'000'000.00	United States	Special Interest		2016	36 months (1 Aug 2016-31.07.2019)
The Dr. Robert C. Cantu Concussion Center at Emerson Hospital	To help launch the Dr. Robert Cantu Concussion Center to conduct research in the science of concussion management, return to play and inter-professional treatment protocols. The Center will also provide community education, timely health assessments, evidence-based recovery recommendations and treatment.	1'025'000.00	United States	Special Interest		2016	36 months (1 Apr 2016-31.03.2019)
The Walking Classroom Institute	To provide core support to the TWC, an organisation based in North Carolina, the US, that provides resources to educators to engage students physically, mentally and academically. With TWC materials, students take brisk 20-minute walks while listening to podcasts that are aligned with the common core standards for 4th and 5th grades. Students establish and maintain healthy lifestyle habits while building their health literacy and core content knowledge as they walk, listen and learn.	550'000.00	United States	Special Interest		2016	65 months (1 Jul 2016-31.12.2021)
Tides Center	To create a continuum of sustainable and effective services for all Chapel Hill and Carrboro youth. For example, a website and mobile phone application will assist youth and parents in connecting to services. Youth Forward is a project of Tides Centre and works to increase human and organisational capacity building for not-for-profit organisations serving youth.	440'000.00	United States	Special Interest		2016	36 months (1 May 2016-30.04.2019)
University of North Carolina at Chapel Hill	To develop an inpatient and outpatient programme to serve teenage burn survivors. The North Carolina Jaycee Burn Center at The University of North Carolina at Chapel Hill will launch a pilot programme dedicated to meeting the complex health needs of teenagers for successful re-entry and adjustment into society after suffering a severe burn injury. The goal is to create a model other burn centres could use to serve teen populations.	500'000.00	United States	Special Interest		2016	60 months (1 Oct 2016-30.09.2021)
Elizabeth Glaser Pediatric AIDS Foundation	To work towards the elimination of mother-to-child transmission of HIV. The Elizabeth Glaser Pediatric AIDS Foundation will provide care and treatment services to HIV-positive mothers and reduce HIV/AIDS-related illness and death among women and children, so that more children will be born free of HIV and live healthy lives.	1'500'000.00	Worldwide	Special Interest		2016	36 months (1 Dec 2016-30.11.2019)
Global Investigative Journalism Network	To provide core support to the GIJN to expand its services. GIJN's mission is to spread 'watchdog journalism' across the globe, including in repressive regimes and marginalised communities. It does this by creating opportunities for journalists to share with, learn from and support one another, both online and face-to-face, and it supports journalists with world-class training and technology.	600'000.00	Worldwide	Special Interest		2016	36 months (1 Jan 2017-31.12.2019)
Graduate Institute Geneva	To support the Global Commission on Drug Policy so that it can continue its mission to change the prohibitionist paradigm that prevails in global, regional and national drug policy. This work will culminate in the UN conference on the review of the 2009 international plan of action and political declaration on drugs due in 2019.	355'303.00	Worldwide	Special Interest		2016	36 months (1 Sep 2016-31.08.2019)
Moorfields Eye Charity	To support Moorfields Eye Hospital and its research partner, the University College London Institute of Ophthalmology, to develop new treatments for eye diseases. Moorfields Eye Hospital and the UCL Institute of Ophthalmology will be focusing on macular degeneration. Moorfields Eye Charity raises funds to help the hospital provide care for its patients; educate researchers and clinicians; and support cutting-edge research to develop new treatments for diseases that cause blindness.	2'229'179.00	Worldwide	Special Interest		2016	36 months (1 Dec 2016-30.11.2019)
New Philanthropy Capital	To support New Philanthropy Capitals work to improve the effectiveness of the charitable sector, particularly in the UK, so that it can have the greatest possible impact on peoples lives and society.	895'522.00	Worldwide	Special Interest		2016	48 months (1 May 2016-30.04.2020)
Miracle Feet	To work with local implementing partner, the Zimbabwe Sustainable Clubfoot Programme (ZSCP), to establish an effective and sustainable countrywide clubfoot treatment programme in Zimbabwe. The long-term goal is to eliminate clubfoot as a lifelong disabling condition in the country.	453'139.00	Zimbabwe	Special Interest		2016	36 months (1 Apr 2016-31.03.2019)

Organisation	Purpose	Amount USD	Country	Programme	Sub Programme	Year Awarded	Duration
The African Wildlife Foundation	To help protect elephant populations in Mana Pools National Park and the Lower Zambezi Valley in Zimbabwe, Africa by strengthening ranger capacity, supporting park management, investing in core infrastructure and establishing robust monitoring systems. The project addresses the threats that poaching operations pose to the park and surrounding landscape, thereby helping ensure the viability of one of Africa's most important elephant populations.	299'372.00	Zimbabwe	Special Interest		2016	36 months (2 Jan 2017-31.12.2019)
WonderWork	To support local implementing partners in Zimbabwe to provide 4500 cataract and 300 burn reconstructive surgeries to adults and children across the country over a three year period.	450'000.00	Zimbabwe	Special Interest		2016	36 months (1 Jul 2016-30.06.2019)
Save the Children Fund	To tackle the link between social disadvantage and fewer life chances for children in poor areas of the UK. Informed by innovative models in the US, SCUK has designed a new model for the UK which brings existing services together under an overarching strategy that addresses the needs of children from birth to young adulthood. This model will be piloted in four communities and results will be monitored to build an evidence base for replication.	800'000.00	United Kingdom	Special Interest		2015	59 months (1 Jan 2016-31 Dec 2020)
